Marxist Philosophy in China : From Qu Qiubai to Mao Zedong, 1923-1945 Nick Knight, 2006-01-01 This book recounts the history of Marxist philosophy in China between 1923 and 1945 through the writings and activities of four philosophers Qu Qiubai Ai Siqi Li Da and Mao Zedong Two of these philosophers Qu and Mao were also political activists and leaders but their contribution to this history is as important if not more so than the contribution of Ai and Li who were predominantly philosophers and scholars The inclusion of Qu and Mao underlines the intimate connection between philosophy and politics in the revolutionary movement in China It is not possible to speak credibly of Marxist philosophy in China without considering the political context within which its introduction elaboration and dissemination proceeded Indeed each of the philosophers considered in this book repudiated the notion that the study of philosophy was a scholastic intellectual exercise

devoid of political significance Each of these philosophers regarded himself as a revolutionary and considered philosophy to be useful precisely because it could facilitate a comprehension of the world and so accelerate efforts to change it By the same token each of these philosophers took philosophy seriously each bent his mind to the daunting task of mastering the arcane and labyrinthian philosophical system of dialectical materialism Philosophy might well be political they believed but this was no excuse for philosophical dilettantism Disputers of the Tao A.C. in Chinese in 1983 the transcription of those lectures has been a primary resource for learning about Chinese philosophy In Nineteen Lectures on Chinese Philosophy these public addresses are presented in English for the very first time Rigorously researched and cross referenced with Mou's previous works this meticulous translation also includes synopses and key concepts that further enhance this essential resource for anyone interested in a deeper study of Chinese philosophy An Introduction to Chinese Philosophy Karyn L.
