PLANET X NIBIRU
SLOW-MOTION DOOMSDAY

By Rob Solari

Planet X Nibiru Slow Motion Doomsday

LUCA SCANTAMBURLO

Planet X Nibiru Slow Motion Doomsday:

Planet X Nibiru Rob Solarion, 2004 House of Sugar is a part fictional reporting of the Bay of Pigs and the CIA Mafia partnership to assassinate Fidel Castro and JFK It is a riveting Cold War account of a world on the brink a stunning re creation by characters whose lives and voices are inserted into history JFK averted political backlash by directing the CIA to shroud the Bay of Pigs fiasco under a cloak of secrecy until it was declassified in 1998 Kennedy s assassination theory is based upon extensive research of the events leading up to CIA operative Lee Harvey Oswald s arrest Who orchestrated the CIA Mafia assassination plot and for what reasons From the author s interviews with former CIA and military officers Cuban nationals and exiles this historical novel reveals the dark side of U S foreign policy It is a shocking account of the CIA s covert operations to overthrow foreign governments funded in part through Mafia drug trafficking Follow the saga of Don Carlos Garcia and his children whose lives were forever changed on the night of April 16 1961 when they fled their Casa de Azucar to escape the Bay of Pigs invasion Learn about the CIA s secret internal factions its ambivalence toward BBC journalist agent Holly Woodson and its readiness to dispose of its agents This is a tale of the blind ambition greed lust and espionage that was masked under a shroud of patriotism The novel s sequels House of Deception House of Sham and House of Flimflam cover the Johnson Clinton presidencies and the U S government s involvement in international drug trafficking Sheldon Burton Webster was born in Norton Virginia in 1944 and now lives in Birmingham Alabama where he is a practicing CPA and writer After graduating from Mississippi State University he served as a captain in the United States Army Mr Webster is an avid sportsman conservationist and a mountaineer who has climbed three of the world s seven summits and visited over eighty countries in his quest for adventure His literary accomplishments include The Betheaden Road a collection of stories and the novel The Voyage of the Encounter

A UFO Hunter's Guide Bret Lueder, 2025-09-12 Alien abductions Repeated UFO sightings Conspiracies and cover ups Whether you re a skeptic or a believer UFOs are part of our culture How to sort out fact from fiction A UFO Hunter s Guide has the answers the facts figures people places and events that make up the modern scope of UFO ology A UFO Hunter s Guide features Competing theories about UFOs Famous cases and hot spots around the world Field tips from investigators and researchers An extensive list of international UFO research societies Lueder cites the contributions and findings of world renowned researchers Zecharia Sitchin William Bramley Jordan Maxwell Nancy Red Star Stanton Friedman Dr Carl Sagan Jacques Vallee Raymond Fowler and many others along with a vast array of case sightings alleged contacts and abductions Whether you re simply curious or a researcher with a serious interest in uncovering the truth about UFOs A UFO Hunter s Guide is a valuable resource

Nel segno di Nibiru. Dalla Mesopotamia ai segreti vaticani. LUCA SCANTAMBURLO, 2013-07-23 Questo saggio di Luca Scantamburlo la nuova edizione del primo libro dedicato dall autore al mistero di Nibiru e del Decimo pianeta The American Armageddon edito nell anno 2009 con il marchio americano Lulu com La nuova edizione con Youcanprint it presenta alcune nuove note critiche a pi

di pagina ed alcune foto ed illustrazioni che arricchiscono il volume Quale legame esiste fra l'antico mito mesopotamico di Nibiru Marduk ed il contesto astronomico In cosa consiste il controverso caso Secretum Omega portato alla luce da Cristoforo Barbato nell'anno 2005 Cosa conosce il Vaticano della questione aliena e del presunto ritorno del corpo celeste chiamato Pianeta X Un'occasione tale pubblicazione per rileggere o leggere per la prima volta il testo in cui Luca Scantamburlo tenta di dimostrare come certe conoscenze astronomiche di frontiera qualora siano potenzialmente destabilizzanti potrebbero non essere divulgate al pubblico ufficialmente e restare in una zona d'ombra 2012, the Bible, and the End of the World Mark Hitchcock, 2009-09-15 In 2012 the Bible and the End of the World bestselling prophecy expert Mark Hitchcock explores a fascinating last days controversy that is gaining the attention of millions all over the globe What should Christians make of the rapidly spreading speculations that the world will end on December 21 2012 The ancient Mayans were expert astronomers and their advanced calendar cycles predict 12 21 2012 as a catastrophic day of apocalypse This prophecy has spawned a growing number of fringe element books Web sites and even a major movie complete with all star cast scheduled to release in July 2009 Missing in the furor is a biblical perspective Bible teacher Mark Hitchcock whose books have sold more than 300 000 copies examines the following questions Why December 21 2012 Can we trust the Mayan alarm clock Does the Bible say anything about 2012 What signs will tell us that Armageddon is near This book provides a fascinating survey of both the historical past and the prophetic future Readers will discover how to effectively counter baseless speculation with biblical fact "Planet X" Facts Featuring Professor Twit & Roscoe William Loyal

Warren, 2024-11-06 No information about the book available this time **Honest to God, Honest to Man** Vladimir Svistelnik, 2012-01-01 Modern prophets and even scientists believe that devastating earthquakes and tsunamis that have killed many people on Haiti in Chili and in Japan lately were the heralds of more scaled natural cataclysms that according to Mayan calendar may destroy the life on Earth in December 2012 Many people try to find salvation in religion However sensational discoveries made by the author reveal the fact that trying to hide the truth about Jesus Church founders made so many theological mistakes that made salvation impossible Honest to God Honest to Man is the author's desperate attempt to tell the truth about why did it happen and why religious teachings became the source of religious intolerance and terrorism

Prophecy in the New Millennium Suzanne Newcombe, Sarah Harvey, 2016-04-15 Secular and spiritual prophets of doom abound in the information rich twenty first century as they have for millennia But there has yet to be worldwide floods meteor impact global computer failure obvious alien contact or direct intervention from God to end the world as we know it Considering the frequency with which prophecy apparently fails why do prophecies continue to be made and what social functions do they serve This volume gives a concise but comprehensive overview of the rich diversity of prophecy its role in major world religions as well as in new religions and alternative spiritualities its social dynamics and its impact on individuals lives Academic analyses are complimented with contextualized primary source testimonies of those who live and have lived

within a prophetic framework The book argues that the key to understanding the more dramatic apocalyptic and millenarian aspects of prophecy is in appreciating prophecy's more mundane manifestations and its role in providing meaning and motivation in everyday life *Osiris Isis and Planet X* Rob Solarion, 2006-04-21 [Nibiru, Planet X](#) Travis Goodsell, 2016-11-27 What is Planet X and what will happen to Earth when it passes by *Will Planet X Signal the Rapture?* David Meade, 2016-01-13 My inspiration for this book was a vision that I'm aware of where it was revealed that in October of 2017 I know the day but I'd rather not mention it at this point but it is in October and in the very latter part that Russia China and North Korea would use a combination of drone submarines and unmarked container ships to engage in a nuclear attack on the US coast The attack will occur between midnight and dawn and they will attack both Britain and the US simultaneously God told him that as soon as the missiles appeared on the horizon the rapture of the church would occur The Russians are planning this at a compartmentalized high and secret level and the reason for the date they have chosen is that it commemorates the 100th anniversary of the Russian Revolution Afterwards with Israel's protectors neutralized they will invade the Middle East as Israel has a warm water port and the largest oil and gas fields on the planet now known as the Leviathan gas fields The book chapter by chapter goes into the Biblical basis for this event and its precise timing It explains what will happen afterwards It most of all explains how an astronomical object called by some Nibiru and also known as Planet X will create the very environment from which such events occur **The End of Days - Planet X and Beyond** David Meade, 2017-11-08 Is there a conspiracy of secret societies that intend to control the destiny of the world Are we in a short pause between the end of the Church Age and the beginning of the Day of the Lord How does Planet X fit into this Does North Korea have hidden plans which have been uncovered What are they and what are they targeting In this startling book David Meade explains what their ultimate intent is and what their plans for the United States involve The truth is finally out on the Trump Dossier and I cover it all in this new book Divided into Four Sections this book first covers the Deep Secrets of the Universe including the New World Order and the deep mysteries of space In the next section EMP survival is covered this is the most important type of event that people need to currently prepare for since an EMP event can occur by an act of war by a hostile nation or by means of massive solar flares sending a Coronal Mass Ejection to our planet Section three is a discussion of the importance of preparation and survival Prepping for survival doesn't cost it pays I cover volcanic eruptions tsunamis and earthquakes as well as emergency food and water survival scenarios What will it take to escape from or survive a volcanic explosion a tsunami or a major earthquake Section four is a review of the literature on Planet X for those who are not familiar with it it is in an Appendix and is optional reading for those who know about it If you're ready for a breathtaking glimpse into the other side this book reads like a page turner It can guide protect and educate you like no other current book on the market If you are seeking knowledge this book is for you If you have an open mind and an open heart it's for you It reads like a thriller People love a mystery and that is the reason why people love my books This book in particular tells you

everything everything in one volume **Planet X** W. L. King, 2017-08-23 Within the pages of this book one will find the answers to who were those who from heaven to Earth Came when were the planets in our solar system really formed how many planets are there in our solar system who created the dinosaurs and where did they originate who created Homo sapiens is Planet X Nibiru or Nemesis real or just a myth and did giants standing twenty five feet tall really walk the face of the Earth *Nibiru Rediscovery, a Lopsided Mars and Ancient Longitudes* Richard A. Day, Ph. D. Richard a. Day, 2012 Nibiru a planet known to ancients had disappeared from astronomy Its rediscovery was heralded by finding its description in old Mesoamerican ruins These ruins tell where Nibiru is at present and where it was when the ruins were built **Nibiru** Trey Davis, 2018 **The 12th Planet** Zecharia Sitchin, 2016-12-03 The question of Planet X or Nibiru Will the gravitational forces of this planet destroy our life on Earth as we know it and if so when and what should we do about it **Nibiru 2015 - Planet X Today** Gil Carlson, 2015-09-21 Stuffed full of the latest information charts calculations comparisons and suggestions In the days ahead we may be facing unprecedented changes in our lives so it is important that we have the latest information and most accurate facts available **The Colors of Armageddon** Hector Luis Bonilla, 2018-09-09 For as long as we can remember there has been a serious astronomical uncertainty known as planet Nibiru or planet X or the planet of the Anunnaki Fear of its arrival has caused many to move from their homes and places of employment and onto so called safe areas Yet Nibiru refuses to show up 2000 2012 2016 all have been tagged as the year of the arrival of the Destroyer If you have heard of Nibiru this book is for you If you haven't more so This is the book that finally unmask the Anunnaki gold thieves This is the first book that explains why hatred rules on Earth We bring the real lifespans of the people of the time of Adam to the time of Noah In this book we will tell you a new story about Heaven starting with the time when Earth was a moon in orbit around super planet Nibiru which along with moon Heaven yes moon Heaven gave human theater to the stories written on the Sumerian tablets and in the Book of Genesis including the origins of both the Anunnaki and Mankind You need to prepare for the pages that describe how by reading between the lines this author discovered the startling possibility that we might be the progeny of a species of human hermaphrodites that inhabited moon Earth of Nibiru before the sun became a bright star Surviving the Planet X Tribulation Marshall Masters, 2021-07-12 Why examine the need to survive a Planet X Tribulation In a word history and here is why Astronomer Percival Lowell founder of the Lowell observatory in Flagstaff AZ coined the term Planet X around 1905 It describes a sizeable object in space that European astronomers called Neptune's Perturber They could not observe it but knew it was there due to perturbations observed in the orbit of Neptune Astronomer Clyde Tombaugh of the Lowell Observatory discovered Planet Pluto in 1930 and it was assumed to be Neptune's Perturber Decades later astronomers discovered that Pluto is only 60% the size of Earth's moon Hence it lacks the mass to be Lowell's long sought Planet X and the search for continues With this in mind imagine that you live to see Planet X with your eyes What would you do and with whom and more importantly how will you work together to survive The

answers to these and many other questions are in this book Written in an entertaining style it will gently and positively immerse you in the topic **The Ninth Planet Nibiru Exists** Samuel García Barraón, 2016-12-18 THE NINTH PLANET NIBIRU EXISTS THE NINTH PLANET NIBIRU EXISTS The ninth planet Nibiru exists shows you in a simple and detailed way the reality of such a unique celestial body and its location in the Solar System You will know Evidence showing that the planet nine Nibiru exists and is not an invention Successes and failures of the investigations of Zecharia Sitchin promoter of the theory of the ancient astronauts Anunnakis or extraterrestrial Sumerians The latest scientific findings on the planet x made by NASA astronomers with other institutions Since the first time Stchin proposed it in the 70 s many theories have been woven about a planet yet to be discovered within the Solar System which responds to the name of Nibiru Other denominations that usually accompany this hypothesis are those of Planet X or Hercolubus although we will see that they are not always correct After years of research tracing not only those theories and their foundations but also the number of astronomical documents of various civilizations of antiquity in addition to the latest scientific findings in relation to the cosmos I have decided to publish this book Because I m passionate about the subject And to present conclusive evidence based on academicism and science on the existence of the ninth planet Nibiru and the characteristics of its orbit Nibiru exists beyond the theories of Sitchin and other authors whose conceptions need urgent revision for two reasons In the ancient world have left aside half forgotten numerous archaeological remains that testify that Nibiru is real And in the modern cosmological discoveries that ratify it do not cease Thus the opposition Nibiru NASA discovers in this work their meeting point Since the most avant garde studies of certain scientists with names and surnames that collaborate with the space agency are decisive in uncovering the position of the ninth planet Nibiru 2017 This volume integrates the above beginning with a review of the palpable traces of Nibiru preserved in the legacy of the earliest civilizations such as Sumer or Egypt I continue with the exhibition of the pieces that reveal the true nature of this star that looms like a planet And lastly I contribute novel astronomical scientific discoveries that confirm the orbit of such a unique celestial body and indicate its location All this with the intention of solving doubts to those interested in verifying the authenticity of Nibiru without having to resort to fantastic or apocalyptic visions Reviews on the ninth planet Nibiru exists The result unleashes curiosity since it is an investigation in which the author leaves no loose ends Las Provincias Journal Describes an exciting itinerary in the footsteps of the star through various countries and times In short a work that lives up to the great classics of the theme A o Cero Magazine Civilization and progress have been possible thanks to these admirable quijotes loaded with tenacity and courage Sico Fons writer About the Author Writer reporter and speaker Since 2005 he investigates about Nibiru and other mysteries He publishes articles in A o Cero UFO and Phenomena Magazine magazines He has been interviewed in more than 50 media outlets between the press radio and television Writing is a constant in his career this is his third book on the planet Nibiru Directs and publishes the digital magazine Investigaci n y Misterio The Colors of Armageddon Hector Luis

Bonilla,2019-01-29 For as long as we can remember there has been a serious astronomical uncertainty known as planet Nibiru or planet X or the planet of the Anunnaki Fear of its arrival has caused many to move from their homes and places of employment and onto so called safe areas Yet Nibiru refuses to show up 2000 2012 2016 all have been tagged as the year of the arrival of the Destroyer For those that are desperately seeking Nibiru Are we blessed We think yes The kind of Nibiru you crave does not exist The kind of Nibiru we bring is our friend For all others If you have heard of Nibiru this book is for you If you haven't more so This is the book that finally unmasks the Anunnaki gold thieves This is the first book that explains why hatred rules on Earth We bring the real lifespans of the people of the time of Adam to the time of Noah Those 3 digit ages are wrong This title will tell you a new story about Heaven starting with the time when Earth was a moon in orbit around a super planet whose name you know along with moon Heaven yes moon Heaven the little world that gave human theater to the stories written on the Sumerian tablets and in the Book of Genesis including the origins of both the Anunnaki and Mankind You need to prepare for the pages that describe how by reading between the lines this author discovered the startling possibility that we might be the progeny of a species of human hermaphrodites that inhabited moon Earth before the sun became a bright star No one has gone that deep into our past Join us All links are live on the free digital copy that comes with this special edition Don't forget to download it with this purchase
