reorganized their kp clubs covertly in Havana and Matanzas into a mutual aid society called Abaku which became foundational to Cuba's urban life and music Miller's extensive fieldwork in Cuba and West Africa documents ritual languages and practices that survived the Middle Passage and evolved into a unifying charter for transplanted slaves and their successors To gain deeper understanding of the material Miller underwent kp initiation rites in Nigeria after ten years collaboration with Abaku initiates in Cuba and the United States He argues that Cuban music art and even politics rely on complexities of these African inspired codes of conduct and leadership Voice of the Leopard is an unprecedented tracing of an African title society to its Caribbean incarnation which has deeply influenced Cuba's creative energy and popular consciousness
