Bliese, 2006-01-30 Conceived and developed by two of Europe's most eminent missiologists in the country where the scientific and sustained study of mission first took shape the Dictionary of Mission represents the finest of the chorus of voices that comprise contemporary missiology The choice of topics and the authors to address them reflects what Christian mission has become a genuinely worldwide and ecumenical phenomenon That there would be entries on regional theological developments is indicative of how the world church is developing A host of other topics here explored show too how the landscape of mission is changing Taken as a whole then the Dictionary of Mission is a road map through this exciting and challenging terrain from the Foreword

The Pastor as Evangelist, 1984-01-01 From a minister professor and recognized leader in the field of evangelism comes a challenge to pastors to take a new look at their mission Richard Stall Armstrong invites pastors to put on evangelistic glasses to perceive what it means to be a pastor evangelist in terms of personal relationships and in light of the various factors that define evangelism Clearly and compellingly Armstrong shows how to take the responsibility for evangelism seriously He analyzes in a concrete way the many contexts of evangelism the difference between witnessing to the young and the old to individuals and groups on the telephone or on television He counsels pastors to adopt not a particular method but rather a style that is nondogmatic that blends consistency with flexibility and above all one that reflects the integrity and power of the Christian message Biblically based theologically sound and vocationally relevant this book is full of useful ideas and practical suggestions that will benefit pastors professors and seminarians

Reading Hebrews Missiologically Abeneazer G. Urga, Edward L. Smither, Linda P. Saunders, 2023-02-28 Gaining New Insights from Hebrews God's interactions with Israel were a foreshadowing of the perfect reality in the person of Jesus absolutely God and absolutely human Jesus came to earth to establish his kingdom and all that God had initiated in the old covenant There is a continuity of theological understanding as we move from the Old Testament to the letter sent to the Christians in Rome The discussion on the theology of mission in the New Testament usually focuses on Jesus and Paul with minimal attention given to the General Epistles However Reading Hebrews Missiologically tries to fill that gap and focuses on the theology of mission in the book of Hebrews and fleshes out the unique contribution it has to the discussion of a New Testament theology of mission The twelve contributors from various theological geographical and missiological contexts explore the missionary motive the missionary message and the missionary method of the Epistle to the Hebrews All Scripture can be read missiologically and the letter to the Hebrews with its emphasis on the supremacy of Christ is no exception We pray that this book will inspire fresh approaches to practical mission in the world today

Mision en el camino

Charles E. Van Engen,2019-02-28 Durante los pasados cincuenta a os el nfasis sobre la pr ctica y estrategia de la obra misionera ha menoscabado el valor de la importancia de la teolog a de la misi n Sin embargo en las ltimas d cadas te logos y misi logos de todas las tradiciones cristianas han comenzado a reexaminar y repensar las suposiciones teol gicas que fundamentan la obra misionera En Misi n en el Camino Charles Van Engen articula con claridad muchos de los conceptos fundamentales de la teolog a de la misi n Charles Van Engen en este volumen aborda numerosos temas misiol gicos centrales Examina la cuesti n de construir teolog as en contextos espec ficos tales como en la ciudad Tambi n nos muestra tanto los beneficios como las preocupaciones que experimentamos cuando alentamos a los creyentes a teologizar dentro de su propio entorno cuando tomamos con seriedad el sacerdocio de todos los creyentes Hace un delineamiento de los debates actuales sobre asuntos levantados por el pluralismo religioso y batalla con la manera en que podemos proclamar el car cter nico de Cristo sin ser arrogantes y triunfalistas Echa una mirada al impacto que la modernidad y la posmodernidad est n teniendo sobre el movimiento misionero en Occidente y hace un llamado a la renovaci n de nuestro compromiso como seguidores de Jesucristo en los duros ambientes culturales de nuestros d as Explora los roles cambiantes de misioneros y ministros en

Exploring Church Growth Wilbert R. Shenk, 2010-08-01 During the past twenty years the phenomenon of church growth especially as it has been known under the dynamic leadership of Donald McGavran and the School of World Mission Fuller Theological Seminary has resulted in an impressive array of books articles reports and theses While freely acknowledging their debut to the church growth school the contributors to this volume wish to explore further the premises principles and goals of church growth Firmly convinced that church growth is more than empirical data and effective methods and that there is nothing approaching a complete book of church growth they aim not simply to offer definitive answers but rather to open up fresh lines of inquiry historical experiential methodological and theological Thus while interacting with previous studies the authors view their work as a constructive contribution to the search for a more adequate understanding of church growth patterns Contributors to this volume include Alfred C Krass Harvie M Conn Orlando E Costas John H Yoder Harry R Boer and C Ren Padilla

To Every People from Every People Dr. Larry D. Pate, 2022-04-22 To Every People From Every People trains people to plant reproducing churches in the mainstream of unreached cultures around the world There are over two billion people living in over seven thousand such cultures who will never have an adequate chance to know Christ as Lord and Savior unless someone plants churches in the mainstream of their culture and language group This book teaches clearly and biblically about why that is important More important it teaches you how to do it It focuses on practical subjects like how to learn another language without studying it in a school and how to make an effective strategy It actually walks you through case studies with illustrations so you can get a mental picture of how to plant reproducing churches in the mainstream of any people group An earlier version of this book was originally written

specifically for Latin America It was published by Editora Vida Miami Florida in several editions of Spanish and Portuguese It has long been the best selling book of its kind for many years This English edition has been revised and updated for a global English speaking audience Many thousands of people have used this book to plant new churches in other cultures and even in their own cultures The anthropological communications and sociological principles in this book have also helped people understand the Bible better and how to apply its truths anywhere Most of all this book is designed to implant vision and passion for cross cultural ministry in the mind and heart of the reader It creates a mental image of how to do it It is a powerful tool intended for the Holy Spirit to use to thrust forth dedicated and effective laborers into the unreached harvest fields of the world
