PRACTICE OF PHILOSOPHY

Platos Democratic Entanglements

James L. Kastely

Platos Democratic Entanglements:

Plato's Democratic Entanglements S. Sara Monoson, 2013-08-18 In this book Sara Monoson challenges the longstanding and widely held view that Plato is a virulent opponent of all things democratic She does not however offer in its place the equally mistaken idea that he is somehow a partisan of democracy Instead she argues that we should attend more closely to Plato's suggestion that democracy is horrifying and exciting and she seeks to explain why he found it morally and politically intriguing Monoson focuses on Plato's engagement with democracy as he knew it a cluster of cultural practices that reach into private and public life as well as a set of governing institutions She proposes that while Plato charts tensions between the claims of democratic legitimacy and philosophical truth he also exhibits a striking attraction to four practices central to Athenian democratic politics intense antityranny frank speaking public funeral oratory and theater going By juxtaposing detailed examination of these aspects of Athenian democracy with analysis of the figurative language dramatic structure and arguments of the dialogues she shows that Plato systematically links democratic ideals and activities to philosophic labor Monoson finds that Plato's political thought exposes intimate connections between Athenian democratic politics and the practice of philosophy Situating Plato's political thought in the context of the Athenian democratic imaginary Monoson develops a new textured way of thinking of the relationship between Plato's thought and the politics of his city

The Rhetoric of Plato's Republic James L. Kastely, 2015-08-25 Plato isn't exactly thought of as a champion of democracy and perhaps even less as an important rhetorical theorist In this book James L. Kastely recasts Plato in just these lights offering a vivid new reading of one of Plato's most important works the Republic At heart Kastely demonstrates the Republic is a democratic epic poem and pioneering work in rhetorical theory Examining issues of justice communication persuasion and audience he uncovers a seedbed of theoretical ideas that resonate all the way up to our contemporary democratic practices As Kastely shows the Republic begins with two interrelated crises one rhetorical one philosophical In the first democracy is defended by a discourse of justice but no one can take this discourse seriously because no one can see in a world where the powerful dominate the weak how justice is a value in itself That value must be found philosophically but philosophy as Plato and Socrates understand it can reach only the very few In order to reach its larger political audience it must become rhetoric it must become a persuasive part of the larger culture which at that time meant epic poetry Tracing how Plato and Socrates formulate this transformation in the Republic Kastely isolates a crucial theory of persuasion that is central to how we talk together about justice and organize ourselves according to democratic principles *Plato's Political Thought* John Lombardini, 2023-12-18 Plato's political thought continues to be of enduring interest among classicists philosophers political theorists and intellectual historians The present volume introduces readers to the topic through a survey of important recent trends in the scholarly literature focusing on challenges to the authenticity of the Seventh Letter reassessments of the Socratic Problem democratic readings of the Republic and the rehabilitation of the Statesman and Laws

It provides an overview of the key methodological issues that must be addressed in interpreting the Platonic dialogues while also suggesting directions for further research **Bringing the Passions Back In** Rebecca Kingston, Leonard Ferry, 2008-05-20 The rationalist ideal has been met with cynicism in progressive circles for undermining the role of emotion and passion in the public realm By exploring the social and political implications of the emotions in the history of ideas contributors examine new paradigms for liberalism and offer new appreciations of the potential for passion in political philosophy and practice Bringing the Passions Back In draws upon the history of political theory to shed light on the place of emotions in politics it illustrates how sophisticated thinking about the relationship between reason and passion can inform contemporary democratic political theory **Plato's Caves** Rebecca Lemoine, 2020 From student protests over the teaching of canonical texts such as Plato's Republic to the use of images of classical Greek statues in white supremacist propaganda the world of the ancient Greeks is deeply implicated in a heated contemporary debate about identity and diversity In Plato's Caves Rebecca LeMoine defends the bold thesis that Plato was a friend of cultural diversity contrary to many contemporary perceptions Through close readings of four Platonic dialogues Republic Menexenus Laws and Phaedrus LeMoine shows that across Plato's dialogues foreigners play a role similar to that of Socrates liberating citizens from intellectual bondage

Plato's Beautiful City and the Essence of Politics Scott John Hammond, 2020-06-22 This inquiry attempts to probe the essence of politics in itself something that has been singularly discerned by Plato in Republic grounded in his theory of universal forms and gradually but fully developed through a consideration of the elements of the City in Speech Those elements and the ideal city itself as envisioned in Republic are immanent within the Second Best City of the Laws even though presented in a modified way Plato's Statesman will also be discussed as a means to further illustrate Plato's commitment to the principles conveyed in Republic This project rests on the premise that Plato's intelligible city is genuinely intended to convey Plato's full understanding of the real essence of the polis not simply the arena of political behavior and governance as we have come to know it but the essence of what politics universally means and what a political community should objectively seek **Freedom of Speech in Early Stuart England** David Colclough, 2005-04-07 Attending to the importance of context and decorum this major contribution to Ideas in Context recovers a tradition of free speech that has been obscured in studies of the evolution of universal rights **BOOK JACKET** **Plato's Laws** Gregory Recco, Eric Sanday, 2013-02-18 Readers of Plato have often neglected the Laws because of its length and density In this set of interpretive essays notable scholars of the Laws from the fields of classics history philosophy and political science offer a collective close reading of the dialogue book by book and reflect on the work as a whole In their introduction editors Gregory Recco and Eric Sanday explore the connections among the essays and the dramatic and productive exchanges between the contributors This volume fills a major gap in studies on Plato's dialogues by addressing the cultural and historical context of the Laws and highlighting their importance to contemporary scholarship *Plato as Critical Theorist* Jonny

Thakkar,2018-05-14 What is the best possible society How would its rulers govern and citizens behave In an era when political idealism seems a relic of the past these questions are more urgent than ever Taking seriously Plato s claim that in an ideal society philosophers rule Jonny Thakkar offers a daring experiment to breathe life into our political present

Research Handbook on the History of Political Thought Cary J. Nederman,Guillaume Bogiaris,2024-06-05 This insightful Handbook reviews the key frameworks guiding political scientists and historians of political thought Comprehensive in scope it covers historical methodology traditions epochs and classic authors and texts spanning from ancient Greece until the nineteenth century Plato's Republic D.J. Sheppard,2009-03-07 Everything you need to know about Plato s Republic in one volume Cosmology and Politics in Plato's Later Works Dominic J. O'Meara,2017-10-05 Knowledge of the structure of the cosmos Plato suggests is important in organizing a human community which aims at happiness This book investigates this theme in Plato s later works the Timaeus Statesman and Laws Dominic J O Meara proposes fresh readings of these texts starting from the religious festivals and technical and artistic skills in the context of which Plato elaborates his cosmological and political theories for example the Greek architect s use of models as applied by Plato in describing the making of the world O Meara gives an account of the model of which Plato s world is an image of the mathematics used in producing the world and of the relation between the cosmic model and the political science and legislation involved in designing a model state in the Laws Non specialist scholars and students will be able to access and profit from the book **The Embodied Soul in Plato's Later Thought** Chad Jorgenson,2018-04-05 In this book Chad Jorgenson challenges the view that for Plato the good life is one of pure intellection arguing that his last writings increasingly insist on the capacity of reason to impose measure on our emotions and pleasures Starting from an account of the ontological epistemological and physiological foundations of the tripartition of the soul he traces the increasing sophistication of Plato s thinking about the nature of pleasure and pain and his developing interest in sciences bearing on physical reality These theoretical shifts represent a movement away from a conception of human happiness as a purification or flight of the soul from the sensible to the intelligible as in the Phaedo towards a focus on the harmony of the individual as a psychosomatic whole under the hegemonic power of reason Necessity and Philosophy in Plato's Republic Russell Winslow,2024-08-06 Necessity and Philosophy in Plato s Republic offers an interpretation of the concept of necessity in what is perhaps Plato s most read dialogue The word necessity *anagk* appears hundreds of times in the text in many grammatical forms about as often as the frequently studied term *good* Yet there exists little commentary on the ontological status of necessity Russell Winslow argues that when the reader analyzes the Republic through the lens of necessity a novel interpretation emerges On the one hand the concept of necessity articulated in the Republic is original insofar as it includes phenomena not commonly attributed to necessity Namely necessity governs not only those motions that do not vary and cannot be otherwise but also those that wander randomly by erotic desire and by chance Necessity in the Republic thus occasions a rethinking of what this

crucial concept might mean for us On the other hand interpreting the Republic through the lens of necessity allows a reading of Plato to develop that emphasizes the structures of finitude in human life and the limits of reason This book argues therefore that philosophy remains subtended and limited by necessity in unavoidable ways *Performing Citizenship in Plato's Laws* Lucia Prauscello, 2014-11-13 A study of the ethical underpinning of the rhetoric of citizenship in Plato's Laws and its implementation through ritualized forms of performance *The Greek Polis and the Invention of Democracy* Johann P. Arnason, Kurt A. Raaflaub, Peter Wagner, 2013-04-29 The Greek Polis and the Invention of Democracy presents a series of essays that trace the Greeks path to democracy and examine the connection between the Greek polis as a citizen state and democracy as well as the interaction between democracy and various forms of cultural expression from a comparative historical perspective and with special attention to the place of Greek democracy in political thought and debates about democracy throughout the centuries Presents an original combination of a close synchronic and long diachronic examination of the Greek polis city states that gave rise to the first democratic system of government Offers a detailed study of the close interaction between democracy society and the arts in ancient Greece Places the invention of democracy in fifth century bce Athens both in its broad social and cultural context and in the context of the re emergence of democracy in the modern world Reveals the role Greek democracy played in the political and intellectual traditions that shaped modern democracy and in the debates about democracy in modern social political and philosophical thought Written collaboratively by an international team of leading scholars in classics ancient history sociology and political science *Plato and the Mythic Tradition in Political Thought* Tae-Yeoun Keum, 2020-12-08 Plato's penchant for mythmaking sits uneasily beside his reputation as the inventor of rationalist philosophy Hegel's solution was to ignore the myths Popper thought them disqualifying Tae Yeoun Keum responds by carving out a place for myth in the context of rationalism and shows how Plato's tales inspired history's great political thinkers **The Play of Character in Plato's Dialogues** Ruby Blondell, 2002-06-27 This book attempts to bridge the gulf that still exists between literary and philosophical interpreters of Plato by looking at his use of characterization Characterization is intrinsic to dramatic form and a concern with human character in an ethical sense pervades the dialogues on the discursive level Form and content are further reciprocally related through Plato's discursive preoccupation with literary characterization Two opening chapters examine the methodological issues involved in reading Plato as drama and a set of questions surrounding Greek character words especially ethos including ancient Greek views about the influence of dramatic character on an audience The figure of Sokrates qua Platonic hero also receives preliminary discussion The remaining chapters offer close readings of select dialogues chosen to show the wide range of ways in which Plato uses his characters with special emphasis on the kaleidoscopic figure of Sokrates and on Plato's own relationship to his dramatic hero *Seeming & Being in Plato's Rhetorical Theory* Robin Reames, 2018-07-23 The widespread understanding of language in the West is that it represents the world This view however has not always been commonplace In fact it is a

theory of language conceived by Plato culminating in *The Sophist*. In that dialogue Plato introduced the idea of statements as being either true or false where the distinction between falsity and truth rests on a deeper discrepancy between appearance and reality or seeming and being. Robin Reames's *Seeming Being* in Plato's Rhetorical Theory marks a shift in Plato scholarship. Reames argues that an appropriate understanding of rhetorical theory in Plato's dialogues illuminates how he developed the technical vocabulary needed to construct the very distinctions between seeming and being that separate true from false speech. By engaging with three key movements of twentieth and twenty-first century Plato scholarship—the rise and subsequent marginalization of orality and literacy theory, Heidegger's controversial critique of Platonist metaphysics, and the influence of literary or dramatic readings of the dialogues—Reames demonstrates how the development of Plato's rhetorical theory across several of his dialogues (*Gorgias*, *Phaedrus*, *Protagoras*, *Theaetetus*, *Cratylus*, *Republic*, and *Sophist*) has been both neglected and misunderstood.

The Tragedy of the Athenian Ideal in Thucydides and Plato John T. Hogan, 2020-07-01

John T. Hogan's *The Tragedy of the Athenian Ideal in Thucydides and Plato* assesses the roles of Pericles, Alcibiades, and Nicias in Athens' defeat in Thucydides' Peloponnesian War. Comparing Thucydides' presentation of political leadership with ideas in Plato's *Statesman* as well as *Laches*, *Charmides*, *Meno*, *Symposium*, *Republic*, *Phaedo*, *Sophist*, and *Laws*, it concludes that Plato and Thucydides reveal Pericles as lacking the political discipline and *sophrosune* to plan a successful war against Sparta. Hogan argues that in his presentation of the collapse in the Corcyraean revolution of moral standards in political discourse, Thucydides shows how revolution destroys the morality implied in basic personal and political language. This reveals a general collapse in underlying prudential measurements needed for sound moral judgment. Furthermore, Hogan argues that the *Statesman's* outline of the political leader serves as a paradigm for understanding the weaknesses of Pericles, Alcibiades, and Nicias in terms that parallel Thucydides' direct and implied conclusions, which in Pericles' case he highlights with dramatic irony. Hogan shows that Pericles failed both to develop a sufficiently robust practice of Athenian democratic rule and to set up a viable system for succession.

Yeah, reviewing a book **Platos Democratic Entanglements** could increase your close associates listings. This is just one of the solutions for you to be successful. As understood, expertise does not suggest that you have extraordinary points.

Comprehending as with ease as conformity even more than new will meet the expense of each success. next-door to, the publication as with ease as sharpness of this Platos Democratic Entanglements can be taken as well as picked to act.

Platos Democratic Entanglements Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Platos Democratic Entanglements PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Platos Democratic Entanglements PDF books and manuals is convenient and cost-effective, it is vital to

respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Platos Democratic Entanglements free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Platos Democratic Entanglements Books

1. Where can I buy Platos Democratic Entanglements books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Platos Democratic Entanglements book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Platos Democratic Entanglements books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Platos Democratic Entanglements audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Platos Democratic Entanglements books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
