**Sally the Platypus** Sherri L. Edwards, 2009-05 *The Platypus* Tom Grant, 1995 Along with the kangaroos the platypus is totally identified with Australia and no other living animal has intrigued and fascinated the layperson and the scientist to quite the same degree This book confines itself to the known facts rather than to the myths and legends with surround this beautiful secretive and shy creature In a clear narrative style assisted by superb illustrations *The Platypus* takes us through the four seasons in the life of a
