most of my nights with all the adoring female fans what more could I possibly want I sure as hell didn't want the baby boy someone dropped on me before running leaving behind a note saying he's mine If that's true then I don't have a freakin' clue who his mother could be Until I get the paternity test results though the kid's my responsibility The sleepless nights with a crying baby have me crashing and burning on the football field putting my superstar career in jeopardy And suddenly the only woman I want hates me with a fiery passion I knew Callie wasn't going to be easy to win over Not when she blames me for her sister's death Oh and if this baby turns out to be my son Callie's determined to take him away from me Somehow I'll have to find a way to prove to her that there's more to me than my perfect spiral DELAY OF GAME My mom is dying The cancer is eating away at her body a little more each day and the worst part is I know she's so tired of fighting She's starting to surrender to the sickness That's why I stupidly blurted out at Thanksgiving that I had met a woman and was engaged The truth is there's no woman in my life and never has been I just wanted to give my mother something to live for a few celebrations an extravagant wedding the possibility of grandchildren Now I just need to find a nice girl to pretend to be my fiancée and walk down the aisle with me in a matter of weeks Actually that may be a piece of cake compared to trying to stay away from the one person who has managed to ignite something deep inside of me for the first time in my life Something I can't ignore or forget no matter how hard I try ELIGIBLE RECEIVERS When a newly single girl like me decides to play the field what's better than one big sexy rough and tumble professional football player How about two of them Cameron and Nixon have been best friends for years and now I've found myself in the middle of them Literally The two cocky wide receivers compete over everything who kisses me better who can last longer who has the biggest well you get the point At first it's all fun and games until I start to fall for both of them Hard But I'm just not the type of girl who sleeps with two men at the same time I would rather walk away from both rather than end up hurting one of them The problem is I'm pretty sure that decision is out of my hands
