Play It Again Sam Second Chance At Love No 327:

No Turning Back Kaylea Cross, 2014-01-14 CIA communications expert Samarra Wallace is on the run from a faceless enemy when she learns terrorists have kidnapped and threatened to execute her cousin. She will do whatever it takes to free her including breaking cover to contact the former teammate she is dangerously attracted to. Now all she has to do is convince him she's not working for the bad guys. Ex Army Ranger Ben Sinclair isn't sure he can trust Sam but he can't turn her away. Lives are at stake and she may be the only way to capture the terrorist mastermind. His team is hunting. Despite his reservations he finds himself falling for her. But when Sam's innocence is questioned again during a botched operation in the remote mountains of Afghanistan the team pays a terrible price for trusting her. In the wake of that staggering betrayal Ben must decide if she's the innocent woman he fell in love with or if she's a traitor who'd set them up to die. On Cloud Nine Jean Kent, 1986 **Dark Lightning** Karen Keast, 1986 **Mr. October** Carole Buck, 1986 **Going Within To Get Out** Anonymous Girl, 2013-12 the minute I picked this book up I was on an emotional rollercoaster. It was the most amazing journey to find myself crying one minute and laughing the next with the author's infectious wit and undeniable honesty. The diary entries are so raw and vulnerable and have been written in a way that I have never experienced before. I identified with many things throughout the book and found myself recalling significant events from my own adolescent years that I believed I had blocked or forgotten about. At times it felt like there was nowhere to hide the words I was reading were so confronting it felt as though they were written just for me. Taking this journey with the author allowed me to deal with what was coming up for me personally and move past those feelings to a place that felt good for me. With every page that I read I couldn't believe how I was not only totally enthralled in the author's personal life story but that I was actually also uncovering so much about who I am as a person at my very core. It allowed me to discover the parts of myself that I didn't like or accept yet and also how to recognise this in my day to day life. I have now learned to accurately identify my feelings in each moment of my day and with some conscious effort also remember to be much more kind and loving towards myself. I thank the writer of this book for allowing me a glimpse into her own life through courageously sharing and exposing her soul. What I have gained from reading it is without a doubt the best gift anyone could ever give. **The Speaker's companion,**
