Point Blank Anthony Horowitz, 2006-02-16 Alex Rider is now an IMDb TV Amazon Original Series Alex Rider is an orphan turned teen superspy who's saving the world one mission at a time from 1 New York Times bestselling author When an investigation into a series of mysterious deaths leads agents to an elite prep school for rebellious kids MI6 assigns Alex Rider to the case Before he knows it Alex is hanging out with the sons of the rich and powerful and something feels wrong These former juvenile delinquents have turned well behaved studious and identical overnight It's up to Alex to find out who is masterminding this nefarious plot before they find him From the author of Magpie Murders and Moriarty **Anthony Horowitz** Dennis Abrams, 2013-11 Anthony Horowitz grew up in a life of wealth and privilege that most people can only dream of As the creator of the popular Alex Rider series Horowitz has become one of the most popular children's authors in the world [Alex Rider: Secret Weapon](#) Anthony Horowitz, 2020-08-25 Alex Rider is now a Freevee original series Readers ages 8 to 15 with a taste for tough guy thrills will gobble this one up Wall Street Journal International bestselling author Anthony Horowitz's short story collection expands the universe of teen spy Alex Rider with more thrilling action espionage and pulse pounding heroics Inspired by Horowitz's millions of fans worldwide Secret Weapon expands the world of Alex Rider with more thrilling action and pulse pounding heroics Follow Alex as he infiltrates a terrorist hideout in Afghanistan fights to prevent an assassination attempt at a ski resort over Christmas and much more The 1 New York Times bestselling Alex Rider is back with more exciting edge of your seat adventures Contains a combination of new and previously published material together for the first time Praise for Never Say Die Once again amid races chases hails of bullets and increasingly spectacular explosions the teenage James Bond pulls off one awesome feat of derring do after another This fresh caper roars along to a naturally explosive climax Booklist **For Younger Readers**, 2010 [The Spatial Dynamics of Juvenile Series Literature](#) Michael G. Cornelius, 2020-11-11 Where we come from where we are where we have been and where we are going all have a huge impact on who we are Theories of space and place also hold that the converse is equally true that we have an impact on those spaces and places we inhabit or dwell within We make space our agencies our cultures our beliefs and values and understandings shape the macro and micro environments around us Just as much however those places we inhabit shape us causing us to adapt ourselves to them Children exist in spaces that are crafted for them by adults by parents by school administrators and teachers and as such their impact on space can be somewhat limited Space is made for them but certainly not to their own specifications or liking In children's literature spaces are often seen as noteworthy markers of a child's progression toward adulthood whether the space is Laura Ingalls' little house or Harry Potter's Hogwarts For these characters movement through space is about growth and change about accepting the inevitability of growing up and the responsibility of the adulthood whether that be marriage and motherhood or vanquishing the most evil wizard of all time However what about juvenile series books whose central protagonists generally never grow or change The central character

of these series usually a flat unchanging trope more than a fully realized fleshed out dynamic figure is a static creation Though characters like Nancy Drew and the Hardy Boys frequently move through different geographies they never change as characters In fact one could argue that the only dynamic that ever experiences any alteration in a series like Nancy Drew is setting Surely there is something significant about the relationship of series books to those spaces their protagonists inhabit This collection explores that relationship the dynamics between the controlled spaces of childhood and the variable spaces of juvenile series literature It shows that the unchanging series book characters demonstrate that their impact on space is far greater than its impact ever is on them reflecting an exercise in spatial authority that most children and even children s book heroes never quite experience
