Memoirs of a Poker Player H. C. Byler,2001-07 The Other Side of Jordan This is an exhaustive commentary on the Book of Hebrews Rev Cripe believes this may be his most important and needed commentary to date The Book of Hebrews is among the most misunderstood and mistaught in all of the Bible The notion that it was written by a Hebrew to Jewish Christians and that you have to be a Jew to really understand it is far off the mark It was not written to Jews exclusively and probably not written by a Hebrew as the opening chapter seems to establish The Theme of the Book is Sanctification The message is what Christ and the Cross have done to make sanctified living possible and mandatory for the Church If you read this book carefully and prayerfully it will definitely help you in your walk of faith **Gambling and Gender** Deborah K.

Phillips,Vicki A. Wilson,2009 There are two distinct strands in the literature on gambling one that focuses on how to play and win the various games of chance and one that focuses on gambling compulsion and addiction Gambling and Gender forges a new direction studying gambling as more communication than compulsion more recreation than deviance more sociology

than psychology Within that framework it seeks to explore several aspects of gender How do the gambling behaviors of men and women differ How have women adapted to and or changed the historically male dominance of the gambling arena What gambling activities have women claimed as their own and used to develop uniquely female relationships How have recent trends in technology and mass media changed the ways in which men and women claim or reject their gender identities The authors use a variety of research strategies including content analysis survey research interviews and participative observation to shed new light on this fascinating subject and to suggest ways to explore it further Doyle Brunson's Super System Doyle Brunson,2018-05-09 This classic book is considered by the pros to be the best book ever written on poker Jam packed with advanced strategies theories tactics and money making techniques no serious poker player can afford to be without this hard hitting information Includes fifty pages of the most precise poker statistics ever published Features chapters written by pokers biggest superstars such as Dave Sklansky Mike Caro Chip Reese Bobby Baldwin and Doyle two world champions and three master theorists Essential strategies advanced play and no nonsense winning advice on making money at 7 card stud razz high low split cards speak and declare draw poker lowball and hold em limit and no limit This is a must read 605 pages **The Think Tank** Alpar Simon,2010 Caro's Book of Poker Tells Mike Caro, One of the ten greatest books written on poker this must have book should be in every player s library If you re serious about winning you ll realize that most of the profit comes from being able to read your opponents Caro reveals the the secrets of interpreting tells physical reactions that reveal information about a player s cards such as shrugs sighs shaky hands eye contact and many more Learn when opponents are bluffing when they aren t and why based solely on their mannerisms Over 170 photos of players in action and play by play examples show the actual tells These powerful ideas will give you the decisive edge
