Poland In Christian Civilization:

Poland in Christian Civilization Jerzy Braun,1985 *A History of Polish Christianity* Jerzy Kloczowski,2000-09-14

This is a single volume history of Christianity in Poland a subject at the core of religious history and European secular history alike The book covers the development of Polish Christianity from the tenth century to the year 2000 placing it in the broader context of East Central European political social religious and cultural history Jewish Christian relations and the problematic religious history of the Jews in the region play an important part in the story and there are pervasive references to countries historically linked to Poland such as Lithuania Belarus and the Ukraine Jerzy Kloczowski shows how the history of Poland and Polish Christianity are embedded in the complex systems of relations with other countries and religious denominations A History of Polish Christianity should be read by anyone interested in the confrontation between Christianity and the totalitarian systems of the twentieth century and in the interplay between Eastern and Western Christianity

Civilizational Populism in Democratic Nation-States Ihsan Yilmaz,2023-09-08 This edited book examines the growing worldwide phenomenon of civilizational populism in democratic nation states and brings together research that explores this in a wide variety of religious political and geographic contexts In doing so the book shows how from Europe to India and Pakistan and from Indonesia to the Americas populists increasingly define national belonging through civilizational identity claiming that the world can be divided into several religion defined civilizations with incompatible values The volume also discusses the complex relationship between civilizational populism democracy and nationalism and shows how nationalists often use civilizational identity to help define ingroups and outgroups within their society With this the book investigates the salience of the concept its widespread and influential nature and also explains how populists construct civilizational identities and the factors behind the rise of civilizational populism [The Truth about Poland](#) Poland.
