## **Polands Post War Dynamic Of Migration:**

**Poland's Post-War Dynamic of Migration** Krystyna Iglicka, 2019-05-24 This title was first published in 2001 The first comprehensive combined socio economic and political analysis of the trends and mechanisms of international migration from and into Poland since 1945 from the point of view of the forthcoming enlargement of the European Union [The Impact of Migration on Poland](#) Anne White, Izabela Grabowska, Paweł Kaczmarczyk, Krystyna Slany, 2018-09-10 How has the international mobility of Polish citizens intertwined with other influences to shape society culture politics and economics in contemporary Poland The Impact of Migration on Poland offers a new approach for understanding how migration affects sending countries and provides a wide ranging analysis of how Poland has changed and continues to change since EU accession in 2004 The authors explore an array of social trends and their causes before using in depth interview data to illustrate how migration contributes to those causes They address fundamental questions about whether and how Polish society is becoming more equal and more cosmopolitan arguing that for particular segments of society migration does make a difference and can be seen as both leveller and eye opener While the book focuses mainly on stayers in Poland and their multiple contacts with Poles in other countries Chapter 9 analyses Polish society abroad a more accurate concept than community in countries like the UK and Chapter 10 considers impacts of immigration to Poland The book is written in a lively and accessible style and will be important reading for anyone interested in the influence of migration on society as well as students and scholars researching EU mobility migration theory and methodology and issues facing contemporary Europe

**East Central European Migrations During the Cold War** Anna Mazurkiewicz, 2019-05-06 An extremely useful and much needed survey Over eleven chapters authors from eight countries cover the complex history of migration from the perspective of Central and Eastern Europe between 1945 and 1993 Following in the footsteps of Klaus Bade's Encyclopedia of European Migrations the authors make extensive use of sources in national languages while providing an extensive overview of population movements in the region between the Baltic Black and Adriatic Seas The individual chapters shed light on phenomena overlooked in other volumes including individual state reactions to various migratory phenomenon and the political economic and ideological consequences of human movement The chapters of this volume are uniform not only in their informative nature but also in suggesting new pathways for in depth research Adam Walaszek Jagiellonian University Krak w Poland Eastern Europe is an emblematic space of mobility and its Cold War history cannot be told without considering migration from and into the countries of the region This volume comes at a timely moment and provides a uniquely comprehensive account full with useful information for further research It will be a must read both for migration studies scholars and for area specialists Ulf Brunnbauer Leibniz Institute for East and Southeast European Studies Regensburg Germany The Handbook is a gift to students of migration on three counts It gathers the expertise of scholars fluent in the languages and familiar with the archives of Eastern and Central Europe Thus it brings the multi layered and

complex histories of movement beyond the flat descriptor of Soviet bloc or Eastern European migrations The Handbook is both rich and lucid presenting in depth materials on the European twentieth century on one hand and organizing each chapter in a similar way offering the reader transparently comparable histories From Estonia south to Albania and from the USSR west to the GDR each chapter elucidates a complex migration history distinguished by national politics ethnic composition and economics moving from the cataclysmic impacts of World War II to the international migrations and politics of Cold War movement as well as the politics of Cold War emigrants themselves Each chapter ends with an epilogue on post 1989 international migrations and a valuable addendum on published and archival sources Finally the Handbook models the kind of high quality work produced by international scholarly cooperation at its best Leslie Page Moch Michigan State University Table of contents Introduction Anna Mazurkiewicz Albania Agata Domachowska Baltic States Estonia Latvia and Lithuania Pauli Heikkil Bulgaria Detelina Dineva Czechoslovakia Michael Cude and Ellen Paul Germany Bethany Hicks Hungary Katalin K d r Lynn Poland S awomir ukasiewicz Romania Beatrice Scutaru Ukraine Anna Fi USSR Alexey Antoshin Yugoslavia Brigitte Le Normand The Politics of Migration and Immigration in Europe Andrew Geddes, Peter Scholten, 2016-08-09 Migration and immigration are high on any nation s agenda but have particular resonance in Europe in light of recent events The new edition of this book has been fully updated in this respect and explores Immigration policy in individual EU nations The treatment of migrants including immigrant policies The development and effects of the Shengen agreement The movement towards common EU policies It looks specifically at the contexts of Britain France Germany The Netherlands Sweden Italy Spain Greece and Turkey as well as a examining the changing nature of migration dynamics in central and Eastern Europe This book is a significant and timely analysis suitable for students of migration at any level

Circular Migration Between Europe and Its Neighbourhood Anna Triandafyllidou, 2013-06-27 The book offers comparative and in depth analysis of circular migration by empirical analysis of seven pairs of countries **Youth and Social Change in Eastern Europe and the Former Soviet Union** Charles Walker, Svetlana Stephenson, 2013-09-13 Two decades have now passed since the revolutions of 1989 swept through Eastern Europe and precipitated the collapse of state socialism across the region engendering a period of massive social economic and political transformation This book explores the ways in which young people growing up in post socialist Eastern Europe and the former Soviet Union negotiate a range of identities and transitions in their personal lives against a backdrop of thoroughgoing transformation in their societies Drawing upon original empirical research in a range of countries the book s contributors explore the various freedoms and insecurities that have accompanied neo liberal transformation in post socialist countries in spheres as diverse as consumption migration political participation volunteering employment and family formation and examine the ways in which they have begun to re shape different aspects of young people s lives In addition while social change is a central theme of the issue all of the chapters in the collection indicate that the new opportunities and risks faced by young people continue both to

underpin and to be shaped by familiar social and spatial divisions not only within and between the countries addressed but also between East and West This book was originally published as a special issue of Journal of Youth Studies      **Migrants and Cities** Margit Fauser,2016-04-22 Migrants have organized at all times and in all cities and places The processes of their accommodation however differ with local authorities and other state institutions playing an important role in these processes Offering comprehensive empirical insights both from recent sites of immigration in Southern Europe as well as from places of more established immigration in the north this book examines the accommodation of migrant organizations in different cities and the factors that affect this process It thus sheds light on the manner in which the interplay of immigration regime national integration policy and local responses shape the differing patterns and trajectories observed in the formation and action of migrant organizations across Europe      *Refugees and Cultural Transfer to Britain* Stefan Manz,Panikos Panayi,2013-10-18 This book is the first to focus specifically upon the relationship between refugees and intercultural transfer over an extensive period of time Since circa 1830 a series of groups have made their way to Britain beginning with exiles from the failed European revolutions of the mid nineteenth century and ending with refugees who have increasingly come from beyond Europe The book addresses four specific questions First what roles have individuals or groups of refugees played in cultural and political transfers to Britain since 1830 Second can we identify a novel form of cultural production which differs from that in the homeland Third to what extent has dissemination within and transformation of the receiving culture occurred Fourth to what extent do refugee groups themselves undergo a process of cultural restructuring The coverage of the individual essays ranges from high culture through politics and everyday practices The volume moves away from general perceptions of refugees as problem groups and rather focuses on the way they have shaped and indeed enriched British cultural and political life This book was previously published as a special issue of Immigrants and Minorities      **An Immigration History of Britain** Panikos Panayi,2014-09-11 Immigration ethnicity multiculturalism and racism have become part of daily discourse in Britain in recent decades yet far from being new these phenomena have characterised British life since the 19th century While the numbers of immigrants increased after the Second World War groups such as the Irish Germans and East European Jews have been arriving settling and impacting on British society from the Victorian period onwards In this comprehensive and fascinating account Panikos Panayi examines immigration as an ongoing process in which ethnic communities evolve as individuals choose whether to retain their ethnic identities and customs or to integrate and assimilate into wider British norms Consequently he tackles the contradictions in the history of immigration over the past two centuries migration versus government control migrant poverty versus social mobility ethnic identity versus increasing Anglicisation and above all racism versus multiculturalism Providing an important historical context to contemporary debates and taking into account the complexity and variety of individual experiences over time this book demonstrates that no simple approach or theory can summarise the migrant experience in Britain      Integration of Migrants

into the Labour Market in Europe Sylwia Przytuła, Łukasz Sułkowski, 2020-11-26 Living and working in a host country is challenging both for the host country as well as for the incoming migrants Therefore integration activities are essential for easing the transition This book examines various practices of integrating migrants in European countries from national organizational and individual perspectives

**Paradoxes of Cultural Recognition** Sharam Alghasi, 2016-05-13 Explicitly comparative in its approach Paradoxes of Cultural Recognition discusses central issues regarding multiculturalism in today's Europe based on studies of Norway and the Netherlands Distinguishing clearly the four social fields of the media education the labour market and issues relating to gender it presents empirical case studies which offer valuable insights into the nature of majority minority relationships whilst raising theoretical questions relevant for further comparisons With clear comparisons of integration and immigration policies in Europe and engagement with the questions surrounding the need for more culturally sensitive policies this volume will be of interest to scholars and policy makers alike

The Great Departure: Mass Migration from Eastern Europe and the Making of the Free World Tara Zahra, 2016-03-21 Zahra handles this immensely complicated and multidimensional history with remarkable clarity and feeling Robert Levgold Foreign Affairs Between 1846 and 1940 more than 50 million Europeans moved to the Americas in one of the largest migrations of human history emptying out villages and irrevocably changing both their new homes and the ones they left behind With a keen historical perspective on the most consequential social phenomenon of the twentieth century Tara Zahra shows how the policies that gave shape to this migration provided the precedent for future events such as the Holocaust the closing of the Iron Curtain and the tragedies of ethnic cleansing In the epilogue she places the current refugee crisis within the longer history of migration

Managing Ethnic Diversity Reza Hasmath, 2016-05-13 The management of ethnic diversity has become a topical and often controversial subject in recent times with much debate surrounding multiculturalism as a systematic and comprehensive response for dealing with ethnic diversity This book engages with these debates examining the tangible outcomes of multiculturalism as a policy and philosophy in a range of traditional and newer multi ethnic nations Exploring the questions of whether multiculturalism can promote ethnic harmony employment equity and trust between various minority and non minority groups Managing Ethnic Diversity also adopts a comparative perspective on the experiences of multiculturalism in various international contexts in order to examine whether lessons learned from some jurisdictions can be applied to others With an international team of experts presenting the latest research from the UK North America Europe China and Australasia a truly global dialogue is fostered with regard to the utility and limits of multiculturalism in local and comparative contexts As such Managing Ethnic Diversity will appeal to social scientists interested in race and ethnicity multiculturalism and migration

Muslim Diaspora in the West Haideh Moghissi, Halleh Ghorashi, 2016-04-29 In view of the growing influence of religion in public life on the national and international scenes Muslim Diaspora in the West constitutes a timely contribution to scholarly debates and a response to concerns raised in the

West about Islam and Muslims within diaspora It begins with the premise that diasporic communities of Islamic cultures while originating in countries dominated by Islamic laws and religious practices far from being uniform are in fact shaped in their existence and experiences by a complex web of class ethnic gender religious and regional factors as well as the cultural and social influences of their adopted homes Within this context this volume brings together work from experts within Europe and North America to explore the processes that shape the experiences and challenges faced by migrants and refugees who originate in countries of Islamic cultures Presenting the latest research from a variety of locations on both sides of The Atlantic Muslim Diaspora in the West addresses the realities of diasporic life for self identified Muslims addressing questions of integration rights and equality before the law and challenging stereotypical views of Muslims As such it will appeal to scholars with interests in race and ethnicity cultural media and gender studies and migration **Being and Becoming European in Poland** Marysia H. Galbraith, 2015-03-15 Overthrowing communism in 1989 and joining the European Union in 2004 the Polish people hold loyalties to region country and now continent even as the definition of what it means to be European remains unclear Paying particular attention to those who came of age in the earliest years of the neoliberal and democratic transformations this book uses the life story narratives of rural and urban southern Poles to reveal how being European is considered a fundamental component of being Polish while participants are simultaneously becoming European Ultimately this study demonstrates how the EU is regarded as both an idea and an instrument and how ordinary citizens make choices that influence the shape of European identity and the legitimacy of its institutions **Residential Change and Demographic Challenge** Annett Steinführer, Sigrun Kabisch, Katrin Grossmann, 2016-04-08 Going beyond the assumption that East Central European cities are still in transition this book draws on the postsocialism paradigm to ask new questions about the impact of demographic change on residential developments in this region Focussing on four second order cities in this region it examines Gdansk and Łódź in Poland and Brno and Ostrava in the Czech Republic as examples and deals with the nexus between urban development and demographic change for the context of East Central European cities It provides a framework for linking urban and demographic research It discusses how residential areas and urban developments cope with changes in population development household types and different forms of in and out migration and goes on to explore parallels and differences in comparison with broader European patterns This book will be useful to academics of urban planning and development especially in transition areas Central and Eastern European studies demographics and population studies and sociology social exclusion **Immigration and Exile Foreign-Language Press in the UK and in the US** Stéphanie Prévost, Bénédicte Deschamps, 2023-12-14 Both Britain and the United States have had a long history of harbouring foreign political exiles who often set up periodicals which significantly contributed to community building and political debates However this varied and complex journalism has received little attention to date particularly regarding the languages in which it was produced This wide ranging edited volume brings together for the first time

interdisciplinary case studies of the exile foreign language press in French German Italian Spanish Russian Flemish Polish among other languages across Britain and the US establishing a useful comparative framework to explore how periodicals tackled key political linguistic and literary issues from the 19th century to the present day Building on the existing literature on the exile foreign language press in the United States and developing the study of this phenomenon in the British context Immigration and Exile Foreign Language Press in the UK and in the US offers fresh perspectives into how these marginalised periodicals influenced the political economic and social contexts that brought them into existence This is a major contribution to the burgeoning field of transnational periodicals and will be of interest to anyone studying the history of the Anglo American press the history of immigration and cultural history

#### **Poland in the Geographical Centre of Europe**

Mirosława Czerny, 2006 Poland lies at the very centre of the European continent From the early 1990s on it was possible to discern certain phenomena that were an outcome of either earlier decisions taken by the communist authorities or else part of what the communists had inherited from earlier times This book looks into these areas

#### **Chinese in Eastern Europe and Russia** Pál Nyiri, 2007-10-18

Since the late nineteenth century hundreds of thousands of Chinese have moved to Russia and Eastern Europe However until now very little research has been done about the initial migrants in the nineteenth century the presence of the Chinese in Europe and Russia in the twentieth century before the collapse of the socialist regimes or about the great wave of Chinese migration to Eastern Europe and Russia which occurred after 1989 This book provides a comprehensive overview of the Chinese in Russia and Eastern Europe from the nineteenth century to the present day Particularly important is the movement of entrepreneurs in the early 1990s who took advantage of unmet demand inadequate retail networks and largely unregulated markets to become suppliers of cheap consumer goods to low income Eastern Europeans In some villages Chinese merchants now occupy a position not unlike that of Jewish shopkeepers before the Second World War Although their interactions with local society are numerous the degree of social integration and acceptance is often low At the same time they maintain close economic social and political ties to China Empirical in focus and full of rich ethnographic data Pál Nyiri has produced a book that will be of great interest to students and scholars of Chinese studies international migration diaspora and transnationalism

#### **Inclusion and Exclusion of Young Adult**

**Migrants in Europe** Kirsten Fossan, 2016-05-23 Inclusion and Exclusion of Young Adult Migrants in Europe presents analyses of research carried out during the course of the EUMARGINS research project exploring the inclusion and exclusion of young adult immigrants across a range national contexts including the Nordic welfare states old colonial countries Southern European nations and the Eastern European region Scrutinising legal policy and historical sources as well as participation in labour market and education systems this volume engages with multiple social arenas and spheres to integrate research and provide a cohesive investigation of the dynamics of each national setting In addition to the chapters focused on individual national contexts Estonia France Italy Norway Spain Sweden and the UK the book also provides a

comprehensive transnational analysis developing a comparative perspective and explaining the overarching research framework A carefully organized and comprehensive exploration of the exclusion and inclusion of young adult migrants in Europe Inclusion and Exclusion of Young Adult Migrants in Europe will appeal to social scientists with interests in migration population change integration and exclusion
