Williams, 1998-01-01 A qualitative non experimental research design with focus group interviewing is used to collect explore and examine the perceptions and attitudes of East Athens residents and community policing officers The focus group technique enables the researchers to gather in depth data on the expectations of these inner city residents and the implications for public administrations serving this community Analytical Perspectives, Budget of the United States Government, 2013 *Problem-Oriented Drug Enforcement: A Community-Based Approach for Effective Policing* DIANE Publishing Company, 1993 **Evidence-Based Policing and Community Crime Prevention** James McGuire, Emily Evans, Eddie Kane, 2021-09-01 This book addresses and reviews progress in a major innovative development within police work known as evidence based policing It involves a significant extension and strengthening of links between research and practice and is directed to the task of increasing police effectiveness in the field of community crime prevention This volume provides an international perspective that synthesizes recent research results from the United States and other countries including systematic reviews of large bodies of evidence to illuminate several of the most challenging issues currently confronting police departments It examines recent advances in research based models of policing and the expanding base in outcome evaluation Key areas of coverage include Managing the nighttime economy Supervising sex offenders Tackling domestic intimate partner violence Addressing school violence and the formation of gangs Reducing victim and witness retraction and disengagement Responding to mental disorders safeguarding vulnerable adults and providing victim support Leveraging public awareness campaigns In addition each chapter presents an overview of key issues within a designated area synthesizes existing reviews and examines the most recent research The book clearly and concisely presents major concepts theories and research findings thereby providing both conceptual and analytic tools alongside an integrated presentation of principal findings and messages The volume concludes with a discussion of current directions in research key developments in policing strategies and identification of effective operational structures for facilitating and sustaining research practice links Evidence Based Policing and Community Crime Prevention is a must have resource for researchers clinicians and other professionals and graduate students in forensic psychology criminology and criminal justice public health developmental psychology psychotherapy and counseling psychiatry social work educational policy and politics health psychology nursing and behavioral therapy rehabilitation **Community Policing - A European Perspective** P. Saskia Bayerl, Ruža Karlović, Babak Akhgar, Garik Markarian, 2017-05-24 This book provides a view into the multi dimensional and multi contextual nature of community policing It brings together important conceptual discussions as well as numerous case studies and real life examples of European community policing practices It further offers insights into how the primarily locally focused concept of community policing fits into an increasingly interconnected world Our book is intended for

professionals working in community policing academics and policymakers developing community policing procedures In addition the book aims to provide information for readers who are new to the subject of community policing The wide range of examples and case studies make it also an excellent resource for teaching materials *Police and Community in Chicago* Wesley G. Skogan, 2009-12-01 Highly popular with both the public and political leaders community policing is the most important development in law enforcement in the last twenty five years But does community policing really work Can police departments fundamentally change their organization Can neighborhood problems be solved In the early 1990s Chicago the nation's third largest city instituted the nation's largest community policing initiative Wesley G Skogan here provides the first comprehensive evaluation of that citywide program examining its impact on crime neighborhood residents and the police Based on the results of a thirteen year study including interviews citywide surveys and sophisticated statistical analyses *Police and Community in Chicago* reveals a city divided among African Americans Whites and Latinos By looking at the varying effects community policing had on each of these groups Skogan provides a valuable analysis of what works and why As the use of community policing increases and issues related to race and immigration become more pressing *Police and Community in Chicago* will serve the needs of an increasing amount of students scholars and professionals interested in the most effective and harmonious means of keeping communities safe **Perspectives on Policing**, 1988 **Law**

Enforcement, Communication, and Community Howard Giles, 2002-01-01 Given widespread media attention to issues of crime and its prevention police heroism and new modes of police community involvements this international collection is timely It is unique in examining ways in which police and citizens communicate across a range of contexts and problem areas While much attention is afforded the critical roles of communication by police agencies there has been little recourse to communication science and its theories Likewise the latter has not until recently concerned itself with analyzing police citizen interactions This volume examines the character of such encounters forging new theoretical frameworks having implications for practice in many instances Topics include media portrayals of law enforcement communication and new technologies within police culture domestic violence hate crimes stalking sexual abuse and hostage negotiations This book should be relevant not only to a range of social sciences besides Communication scholars and students but also to

practitioners working in the field **Document Retrieval Index**, 1974 *Community Policing in America* Jeremy M. Wilson, 2013-10-31 Although law enforcement officials have long recognized the need to cooperate with the communities they serve recent efforts to enhance performance and maximize resources have resulted in a more strategic approach to collaboration among police local governments and community members The goal of these so called community policing initiatives is to prevent neighborhood crime reduce the fear of crime and enhance the quality of life in communities Despite the growing national interest in and support for community policing the factors that influence an effective implementation have been largely unexplored Drawing on data from nearly every major U S municipal police force *Community Policing in*

America is the first comprehensive study to examine how the organizational context and structure of police organizations impact the implementation of community policing Jeremy Wilson's book offers a unique theoretical framework within which to consider community policing and identifies key internal and external factors that can facilitate or impede this process including community characteristics geographical region police chief turnover and structural complexity and control It also provides a simple tool that practitioners policymakers and researchers can use to measure community policing in specific police organizations

Beyond Community Policing James J. Chriss, 2015-12-03 Beyond Community Policing uses history and general sociological theory to examine the trajectory of municipal policing from Britain in the 1830s to its adoption and evolution in the America By analysing the uncertain and uneven historical development of policing this book illustrates in great detail the functional connections between cities or communities and police departments Chriss also considers the development of municipal policing in the American West between 1850 and 1890 which helps to situate the current discussion of policing in the post 9 11 United States
