

Human Relations - What's in it for me?

- Getting to know yourself better
- Understanding others better
- Gaining better human relations skills
 - (a.k.a. People skills – soft skills)
- Learning how to apply the concepts and knowledge to your personal and professional life
- The better you know and work with people the more successful you will be
- This is all about relationships!
- What's “in it” is what **you** put in it!

A Study Guide for Basic Handbook of Police Supervision Gerald W. Garner,2025-06-24

This comprehensive study guide is intended to be a companion for the second edition of Basic Handbook of Police

Supervision It was developed to help readers and students test their knowledge of the contents of the sixteen chapter text It was also designed to help the promotional students prepare for an examination based on the book At the beginning of each chapter a summary of the contents is provided for each of this guide s sixteen chapters The summary is followed by a series of questions designed to test and reinforce the reader s knowledge and understanding of the chapter Each guide s question is in multiple choice format where the reader chooses the best answer for each question The answers for each section follow at the end of each chapter along with the corresponding page numbers from the text where the subject is discussed This is exceptionally useful as an additional learning tool If used along with the book the guide should increase the reader s comprehension and retention of the material found in the text In addition this study guide can also be an invaluable teaching instrument for instructors

Understanding and Supporting Law Enforcement Families Robert P. Delprino,2017-12-27
Understanding and Supporting Law Enforcement Families through a synthesis of the research literature presents and explores some of the challenges faced by police families as well as developments that have taken place to support them in balancing family and work life There are demands and requirements from the job over which family members have little control Shift work negative public perceptions of law enforcement changes in the officer s personality as well as living with the potential that their loved one may be injured or killed are among the unique challenges law enforcement families face These extraordinary life events are discussed as well as the potential physical and psychological reactions to these stressors In addition to an overview of support programs and services specific resources from national organizations are provided on support for family members of an officer killed in the line of duty and organizational policies for the funeral of an officer who commits suicide and officer domestic violence This book examines the existing research as a means to clarify issues faced by law enforcement families and discusses the availability of resources to provide the support these families need and deserve A great deal of realizing that potential will be dependent upon actively including the law enforcement family in all aspects of the support process It is not a conventional self help book but intended for researchers practitioners students and others with interest in the study and support of law enforcement families
