Policewoman One Gayleen Hays, Kathleen Moloney, 1993-10 Hays gives a gritty account of her career with the Los Angeles Police Department She saw action with almost every department in the force from Vice where her first assignment was struggling with a pimp over a shotgun to guard duty where alone and unarmed she confronted a knife wielding prisoner

Los Angeles Police Department Meltdown James Lasley, 2012-08-08 Once considered among the most respected police departments in the world the LAPD suffered a devastating fall from grace following the 1991 police officer beating of Rodney King and the Los Angeles riots stemming from the officers acquittal in 1992 Unique to the literature of policing management and policy studies Los Angeles Police Department Meltdown The Fall of the Professional Reform Model of Policing presents what can be considered the first and only existing research document truly explaining the reasons behind the LAPD s demise The book reveals a special inside study performed by the author under the exclusive authority of LAPD Chief of Police Daryl Gates to investigate why the department had begun to disintegrate following the Rodney King incident and how if possible it could be salvaged The findings presented are based on first hand written accounts of LAPD officer informants who describe their observations of the department s meltdown as it occurred These accounts explain why the crime fighting enforcement style of the once highly regarded Professional Reform Model of policing coined at the LAPD was abandoned in police departments across the nation in favor of the less aggressive community based policing model Lost for some 20 years under mysterious circumstances after collection and storage at the LAPD these officer informant materials were recently retrieved and made available for analysis They are presented in their entirety in this book In every respect this work is the final word on why and how the LAPD a police organization emulated throughout the world ultimately self destructed after 41 years of serving and protecting the City of Angels *American Book Publishing Record* ,1992 **LAPD '53** James Ellroy, Glynn Martin, 2015-05-19 A remarkable portrait of true L A noir with archival photos from the Los Angeles Police Museum and text by legendary crime writer James Ellroy Los Angeles Times James Ellroy the undisputed master of crime writing has teamed up with the Los Angeles Police Museum to present a stunning text on 1953 L A While combing the museum s photo archives Ellroy discovered that the year featured a wide array of stark and unusual imagery and to accompany the pictures he has written text to illuminate the crimes and law enforcement of the era Ellroy offers context along with wild detail and rich atmosphere this is the cauldron that was police work in the city of the tarnished angels seven decades ago revealed in more than 80 duotone photos throughout the book These crime images resemble the work of photographer Weegee but Ellroy argues they re superior because they resist artistry they were taken by police officers doing their jobs Chicago Tribune **Library Journal** ,1992 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately **Encyclopedia of Television Shows, 1925 through 2010, 2d ed.** Vincent Terrace, 2014-01-10 This fully updated and

protesting the use of deadly force by police and rioting all over the country On edge and questioning his judgment Malone s LAPD superiors speculate that he may be too quick to use deadly force Relieved from street duty Malone is sequestered in Robbery Homicide Division s Cold Case Homicide Section to keep him under wraps while he undergoes department mandated psychiatric evaluation But Malone and new partner Detective Jaime Reyes come across the files of a cold as ice 23 year old unsolved murder case The more they study the case the more certain they become that the theory pursued by the original investigators was completely wrong Since the decades old murder does not fit the unit s criteria for reopening a cold case for active investigation Malone and Reyes embark on an off the books investigation Predictably that creates some problems especially for Malone It quickly becomes clear that there are powerful forces at work both inside and outside the LAPD determined to keep the truth behind the murder buried along with the corpse The more resistance he encounters the more unwavering Malone becomes in his unwillingness to let sleeping dogs lie even when things start to get increasingly personal His persistence in digging up bones from the past begins to threaten his very career with the LAPD Even when the investigation sends him hurtling into more trouble than he ever dreamed possible Malone is unrelenting He is determined to solve the mystery and to uncover the truth behind the brutal 23 year old unsolved murder come what may Fair Is Foul and Foul Is Fair A gorgeous socialite A maverick investigator A deadly connection When a drop dead gorgeous socialite with a wad of cash walks into Ben Malone s office with a sordid tale to tell he does what any self respecting private investigator with rent to pay would do he takes the case But soon he realizes he may have bitten off more than he can chew As the body count rises and all signs point to the Ukrainian mob it becomes increasingly clear that there s far more at stake than his client s needs This mind boggling case just might hit too close to home for him and he has no intention of letting it get any worse The clock is ticking Lives are on the line Will Malone stop this runaway train of destruction and untangle the web of criminal wrongdoing in time or die trying
