S. Nagel, 2003-01-01 Policymaking and Democracy is the first volume of a three volume set that examines the multidimensional role of policy in the development and promotion of democracy prosperity and peace The democracy volume brings together international contributions on the policy challenges faced by national and multinational bodies to promote a democratic political culture and encourage the growth and development of civil society The work includes chapters on integration and representation within the European Union the expanding role of NGOs and IGOs international parliamentary organs the future of the nation state in a pluralistic world and the importance of global consensus building **Policymaking**

**and Peace** Stuart S. Nagel, 2003-01-01 Policymaking and Peace is the third volume of a three volume set that examines the multidimensional role of policy in the development and promotion of democracy prosperity and peace The Peace volume brings together international contributions on the policy challenges faced by national and multinational bodies to counter violent separatism and encourage the acceptance of an increasingly pluralistic world The chapters analyze the pivotal role of the United Nations arms control and international security mechanisms of internal and international dispute resolution the growth of international crime and the development of multinational bodies to promote law and order [Beyond Realism](#)

Rekha Datta, 2010-04-20 Focusing on India and Pakistan this book adopts an innovative combination of realist analysis with a human security approach It will be a valuable resource for a wide variety of scholars practitioners and analysts who focus on policy analysis in South Asia Graduate students and advanced undergraduates studying comparative politics and human security issues in South Asia will find useful perspectives in the volume s fresh focus on including human security as a policy priority *Politics, Institutions, and Fiscal Policy* Louis M. Imbeau, François Pétry, 2004-01-01 Why in the last decades of the

twentieth century did industrialized nations witness recurring vast public deficits even in times of peaceful international relations and economic growth The essays in *Politics Institutions and Fiscal Policy* chart answers sought by economists political scientists and government officials This groundbreaking book looks at states within five industrialized federations Canadian provinces Swiss cantons Belgian regions German Länder and American states as case studies of variation in budget balances since 1980 The work s conclusion compares deficit levels between the federations studied *Politics Institutions and Fiscal Policy* sheds new light on the role of such factors as spending and taxation levels and electoral and partisan cycles within the budget balancing process Neatly written and theoretically grounded this volume contributes greatly to our

understanding of public finance and public administration      *Routledge Handbook on the European Union and International Institutions* Knud Erik Jørgensen, Katie Verlin Laatikainen, 2012-12-12 While the EU has championed effective multilateralism and experienced a dramatic internal reform process to improve its performance in external relations broader multilateral processes have also undergone dramatic change This handbook addresses the increasingly contested issue of profound political importance Europe's presence in multilateral institutions It assesses both the evolving role of Europe in international institutions and the transformations in international institutions themselves Acknowledging that the category of international institutions comprises a highly diverse field of multilateral engagements this handbook presents a state of the art approach that analyzes both what we have learned about the EU and international institutions as well as identifying promising avenues for further research The handbook is divided into six parts Part I examines the EU's diplomatic and legal personality in international relations that constitutes the internal foundation for the EU's engagement with international institutions Part II assesses how EU multilateralism intersects with other international institutions and provides a means to assess the performance of international institutions as well as the EU itself in multilateral processes Part III focuses on the EU's participation with key institutions within the general UN system such as the UN Security Council and the Human Rights Council as well as specific policy domains such as human rights across UN institutions Part IV focuses on EU relations with wide range of international organizations in a variety of fields from organizations in economic and security realms to environmental institutions and specialized agencies Part V focuses on the EU's engagement in a broad spectrum of issue specific international agreements and international regimes addressing issues such as non proliferation of WMDs climate change information technology and the emerging Gx system G7 G8 G20 etc Part VI examines broader contextual factors that influence the relationship between the EU and international institutions including the evolution of multilateralism the trans Atlantic relationship global norms and the emergence of multipolarity This comprehensive volume brings together scholars and practitioners to summarize and synthesize existing knowledge in the field It will be of great interest to students and scholars of European politics the EU's external relations international relations international organizations and international political economy      The Struggle for Soviet Jewry in American Politics Fred A. Lazin, 2005-04-19 Until 1989 most Soviet Jews wanting to immigrate to the United States left on visas for Israel via Vienna In Vienna with the assistance of American aid organizations thousands of Soviet Jews transferred to Rome and applied for refugee entry into the United States The Struggle for Soviet Jewry in American Politics examines the conflict between the Israeli government and the organized American Jewish community over the final destination of Soviet Jewish migrants between 1967 and 1989 A generation after the Holocaust a battle surrounded the thousands of Soviet Jewish migrants fleeing persecution by choosing to resettle in the United States instead of Israel Exploring the changing ethnic identity and politics of the United States Fred A Lazin engages history ethical dilemma and diplomacy to uncover the events surrounding this conflict This book is essential reading for students and

scholars of public policy immigration studies and Jewish history      Higher Education and Equality of Opportunity Fred A. Lazin, N. Jayaram, Matt Evans, 2012-07-10 The movement to broaden access to public universities the dominant strategy during the 1970s and 1980s has largely shifted to enable the marketplace rather than the government to shape the contours of higher education Government funding is being reduced affirmative action and other programs designed to insure broader access are in decline and personal fulfillment is replacing a public good designed to insure greater equality of opportunities This book explores the impact of diminishing government resources and expanding market forces in developing and developed countries to either foster or lessen equality of opportunities in higher education for different racial ethnic religious and gender groupings What are the consequences of a market driven higher education for student access teaching and scholarship Through case studies this book explores issues such as access of minority groups within the larger societies the place of foreign students in a national system and access for students with mental health difficulties and evaluates the success of funding schemes designed to expand opportunities and access The research provides an interesting contrast of the diversity and uniqueness of higher education in the United States France Australia India Israel South Korea The Netherlands Ghana and several other countries while at the same time revealing surprising commonalities These studies reveal world wide trends in higher education including a cutback in government financing a decline in access and a receding of affirmative action This book is an important addition to the literature on higher education during the age of globalization and the decline of government funding of higher education The studies provide important data about the current situation in higher education in countries around the world      **The Politics of Biotechnology in North America and Europe** Éric Montpetit, Frédéric Varone, Christine Rothmayr, 2006-12-19 Biotechnology is one of the most important new issues to emerge in the knowledge economy The Politics of Biotechnology in North America and Europe provides analysts with a perspective on policy making in scientifically advanced countries that integrate the insights of several approaches and that display a particular sensitivity to the complexity of policy making conjectures This perspective allows going beyond the simplistic understandings of biotechnology policy currently prevailing This volume provides a rigorous analysis and detailed information on biotechnology policy in nine countries The essays included here present the results of in depth empirical research in the area of biomedicine and agro food biotechnology The book is therefore not only of interest to policy makers and policy analysts but also to anyone with an interest in biotechnology      **Developmental Policy and the State** Nikolaos Karagiannis, 2002-01-01 Developmental Policy and the State studies the changing face of government support for endogenous development In the past two decades governments have assumed a more conscious economic role as a stabilizing force to maintain low fiscal deficits and low inflation growth paths This important reference work provides an integrated discussion of the development theory at the heart of interventionist government economic policy The opening chapters analyze the role of state intervention and its impact on development theory present the Developmental State model and discuss the regulatory

and development roles of a state in a market economy The book also critiques the European Union's regional and industrial policies and contrasts EU and Caribbean developmental policies with the Developmental State approach Karagiannis concludes his discussion with developmental theory based policy solutions for an increasingly globalized world economy

**The Global Environment** Regina S. Axelrod, Stacy D. VanDeveer, 2019-07-11 The new edition of *The Global Environment Institutions Law and Policy* by Regina S. Axelrod and Stacy D. VanDeveer reflects the latest events in the in global environmental politics and sustainable development while providing balanced coverage of the key institutions environmental issues treaties and policies This award winning book highlights global environmental institutions major state and non state actors and includes a wide range of cases such as climate change biodiversity hazardous chemicals ozone layer depletion nuclear energy and resource consumption Equity in the Workplace Heidi Gottfried, Laura Reese, 2008-01-01 This edited collection assembles cutting edge comparative policy research on contemporary policies relevant to gender Contributors analyze gender related employment policies including parental leave maternity programs sexual harassment work life balance and gender mainstreaming *Equity in the Workplace* thoroughly illustrates how the juxtaposition of a variety of research methodologies focused on a common theme can lead to a richer multilayered understanding of a complex issue

*Foreign Policy Toward Cuba* Michele Zebich-Knos, Heather Nora Nicol, 2005-01-01 *Foreign Policy Toward Cuba* is a timely exploration of the ways in which Cuba is understood in the Western Hemisphere The book examines the depth of disagreement between different foreign policy making communities and the potential impacts of diverse national approaches not just for Cuba but for the whole Caribbean region *Voluntary Environmental Programs* Peter DeLeon, Jorge E.

Rivera, 2010-01-01 *Voluntary Environmental Programs* pose a means by which industry government and other interested groups can cooperatively agree upon socially acceptable restraints Rather than relying on complete government control of environmental laws *Voluntary Environmental Programs* rely on a voluntary system for businesses They pose their unique problems predicated on the effectiveness of voluntary self constraint

**Local Government Reforms in Countries in Transition** Frederick A. Lazin, Matt Evans, Vincent Hoffmann-Martinot, 2008-05-01 *Local Government Reforms in Countries in Transition* explores the impacts that the end of the Cold War and increased globalization have had on government around the world The decentralization of national governments has led to a greater role for local governments public administration and democratic representation are the new arena of local governments the world over Focusing not only on countries from the former Soviet Union but also on Israel China South Africa and Egypt the contributors to this volume present a truly global investigation of countries experiencing governmental transformation Public Policy in Israel Dani Korn, 2005-01-01 In a nation that lacks consensus on the very nature of the state and where policy making is heavily controlled by partisan politics improved policy implementation capabilities are crucial for the very survival of Israeli society *Public Policy in Israel* presents a framework for understanding this country's fractured decision making process and a blueprint for the radical reform of its

policy making system      The Global Environment and World Politics Elizabeth R. DeSombre, 2007-06-01 Environmental issues are increasingly important factors in world politics just think of the intense speculation over the climate change discussions at the forthcoming G8 summit The study of global environmental politics draws on a variety of academic traditions It uses international relations theory to look at the concerns and actions of states but has also had to find a variety of new concepts and perspectives in order to explain issues unique to the study of the environment Here DeSombre examines four important aspects of the field international environmental cooperation the relationship between the environment and security the issues of science uncertainty and risk and the role of non state actors In the second half of the book she examines these issues through the use of case studies on specific problems facing the global environment including global change the politics of whaling the protection of Amazonian biodiversity and acid rain in Europe and North America

*Innovation and Entrepreneurship in State and Local Government* Michael Harris, Rhonda Kinney, 2004-01-01 Americans today recognize and celebrate leadership genius in the management of private companies At the same time the American public remains deeply skeptical of government's ability to address real economic and social challenges The contributors to this timely and important volume increase our understanding of the potential incentives for and barriers to creative problem solving in the public sector Drawing on case studies of state and local government as well as theoretical literature on private sector management these scholars reveal both the problems and the possibilities in governmental decision making

Analyzing National and International Policy Laure Paquette, 2003 Going beyond the traditional analysis of how states use policy Paquette examines through the use of four case studies the prevalence of national values at every stage of the policy decision making process      *The Review of Policy Research* , 2002 Some vols include special issues
