Polish Memories:

Polish Memories Witold Gombrowicz, 2008-10-01 Although Witold Gombrowicz's unique idiosyncratic writings include a three volume Diary this voluminous document offers few facts about his early life in Poland before his books were banned there and he went into voluntary exile Polish Memories a series of autobiographical sketches Gombrowicz composed for Radio Free Europe during his years in Argentina in the late 1950s fills the gap in our knowledge Written in a straightforward way without his famous linguistic inventions the book presents an engaging account of Gombrowicz's childhood youth literary beginnings and fellow writers in interwar Poland and reveals how these experiences and individuals shaped his seemingly outlandish concepts about the self culture art and society In addition the book helps readers understand the numerous autobiographical allusions in his fiction and brings a new level of understanding and appreciation to his life and work

Polish, Hybrid, and Otherwise George Z. Gasyna, 2011-05-05 Polish Hybrid and Otherwise examines the triple compact made by displaced authors with language their host country and the homeland left behind It considers the entwined phenomena of expatriation and homelessness and the artistic responses to these conditions including reconstructions of identity and the creation of idealized new homelands Conrad and Gombrowicz writers who lived with the condition of exile were in the vanguard of what today has become a thriving intellectual community of transnationals whose calling card is precisely their hybridity and fluency in multiple cultural traditions Conrad and Gombrowicz's Polish childhoods emerge as cultural touchstones against which they formulated their writing philosophies Gasyna claims that in both cases negotiating exile involved processes of working through a traumatic past through the construction of narrative personae that served as strategic doubles Both authors engaged in extensive manipulation of their public image Above all Conrad and Gombrowicz's narratives are united by a desire for a linguistic refuge a proposed home in language and a set of techniques deployed in the representation of their predicament as subjects caught in between

Memory in the Real World Gillian Cohen, Martin A. Conway, 2007-12-03 This fully revised and updated third edition of the highly acclaimed Memory in the Real World includes recent research in all areas of everyday memory Distinguished researchers have contributed new and updated material in their own areas of expertise The controversy about the value of naturalistic research as opposed to traditional laboratory methods is outlined and the two approaches are seen to

have converged and become complementary rather than antagonistic The editors bring together studies on many different topics such as memory for plans and actions for names and faces for routes and maps life experiences and flashbulb memory and eyewitness memory Emphasis is also given to the role of memory in consciousness and metacognition New topics covered in this edition include life span development of memory collaborative remembering déjà vu and memory dysfunction in the real world Memory in the Real World will be of continuing appeal to students and researchers in the area

The Ukrainian-Polish Defensive Alliance, 1919-1921 Michael Palij, 1995-03-15 Revolutionary upheavals engulfed Ukraine Poland and Russia after the First World War

Migration Doris Bachmann-Medick, Jens Kugele, 2018-07-23 Recent debates on migration have demonstrated the important role of concepts in academic and political discourse The contributions to this collection revisit established analytical categories in the study of migration such as border regimes orders of belonging coloniality translation trans national digital culture and memory Exploring notions images and realities of migration in their cultural framings this volume sheds light on the powerful work of these concepts Including perspectives on migration from history visual studies pedagogy literary and cultural studies cultural anthropology and sociology it explores the complex scholarly and popular notions of migration with particular focus on their often unspoken assumptions and political implications Revisiting established analytical tools in the study of migration the interdisciplinary contributions explore new approaches and point to the importance of conceptual nuance extending beyond academic discourse

Fascism in Italian Cinema since 1945 G. Lichtner, 2013-05-29 From neorealism's resolve to Berlusconi revisionist melodramas this book examines cinema's role in constructing memories of Fascist Italy Italian cinema has both reflected and shaped popular perceptions of Fascism reinforcing or challenging stereotypes remembering selectively and silently forgetting the most shameful pages of Italy's history

Gombrowicz in Transnational Context Silvia Dapia, 2019-06-12 Witold Gombrowicz 1904-1969 was born and lived in Poland for the first half of his life but spent twenty-four years as an immigrant in Argentina before returning to Europe to live in West Berlin and finally Vence France His works have always been of interest to those studying Polish or Argentinean or Latin American literature but in recent years the trend toward a transnational perspective in scholarship has brought his work to increasing prominence Indeed the complicated web of transnational contact zones where Polish Argentinean French and German cultures intersect to influence his work is now seen as the appropriate lens through which his creativity ought to be examined This volume contributes to the transnational interpretation of Gombrowicz by bringing together a distinguished group of North American Latin American and European scholars to offer new analyses in three distinct themes of study that have not as yet been greatly explored Translation Affect and Politics How does one translate not only Gombrowicz's words into various languages but the often cultural laden meaning and the particular style and tone of his writing What is it that passes between author and reader that causes an affect How did Gombrowicz's negotiation of the turbulent political worlds of Poland and Argentina shape his writing The three divisions of this collection

address these questions from multiple perspectives thereby adding significantly to little known aspects of his work

Bilingual Minds Aneta Pavlenko, 2006-01-01 Do bi and multilinguals perceive themselves differently in their respective languages Do they experience different emotions How do they express emotions and do they have a favorite language for emotional expressions How are emotion words and concepts represented in the bi and multilingual lexicons This groundbreaking book opens up a new field of study bilingualism and emotions and provides intriguing answers to these and many related questions

The K-Effect Christopher GoGwilt, 2023-12-05 The K Effect shows how the roman alphabet has functioned as a standardizing global model for modern print culture Investigating the history and ongoing effects of romanization Christopher GoGwilt reads modernism in a global and comparative perspective through the works of Joseph Conrad and others The book explores the ambiguous effect of romanized transliteration both in the service of colonization and as an instrument of decolonization This simultaneously standardizing and destabilizing effect is abbreviated in the way the letter K indexes changing hierarchies in the relation between languages and scripts The book traces this K effect through the linguistic work of transliteration and its aesthetic organization in transnational modernism The book examines a variety of different cases of romanization the historical shift from Arabic script to romanized print form in writing Malay the politicization of language and script reforms across Russia and Central Europe the role of Chinese debates about romanization in shaping global transformations in print media and the place of romanization between ancient Sanskrit models of language and script and contemporary digital forms of coding Each case study develops an analysis of Conrad's fiction read in comparison with such other writers as James Joyce Lu Xun Franz Kafka and Pramoedya Ananta Toer The first sustained cultural study of romanization The K Effect proposes an important new way to assess the multi lingual and multi script coordinates of modern print culture

Jews and Germans in Eastern Europe Tobias Grill, 2018-09-24 For many centuries Jews and Germans were economically and culturally of significant importance in East Central and Eastern Europe Since both groups had a very similar background of origin Central Europe and spoke languages which are related to each other German Yiddish the question arises to what extent Jews and Germans in Eastern Europe share common historical developments and experiences This volume aims to explore not only entanglements and interdependences of Jews and Germans in Eastern Europe from the late middle ages to the 20th century but also comparative aspects of these two communities Moreover the perception of Jews as Germans in this region is also discussed in detail

The Political Economy of Interwar Foreign Investment Jerzy Łazor, 2024-04-30 France was interwar Poland's main ally and the biggest source of the country's foreign investment The two roles were closely connected Paris used its position in Warsaw to win preferential treatment for its firms while Polish authorities depended on France to finance their modernization policies and military spending The relationship's

asymmetric character bred conflict and in the 1930s dissenting voices compared French actions in Poland to imperialism and colonial expansion This book untangles the complex mix of economics policy and politics in Franco Polish relations Based on government and company level sources it evaluates the part played by French capital in Poland and discovers the mechanisms ruling French FDI and public loans Exploring case studies of specific sectors and themes it asks questions about the modernizing potential of FDI interwar economic imperialism the workings of asymmetric investment and the interactions between investments and politics Understanding the unequal footing of Warsaw and Paris it goes beyond imperialistic interpretations and examines the leeway available to the weaker partner of the relationship The book contributes to economic history of Central and Eastern Europe and more generally to our understanding of the position of peripheral countries in the interwar global system

Together and Apart in Brzezany Shimon Redlich, 2002-05-03 Based on interviews with Poles Jews and Ukrainians who lived in the small eastern Polish town of Brzezany before during and after World War II together with extensive research into the historical record and his own childhood memories historian Shimon Redlich reconstructs the changing relationships among Brzezany's three ethnic groups The book details the history of Brzezany from the pre war decades when members of the three communities remember living relatively amicably together and apart when Brzezany was part of independent Poland through the tensions of Soviet rule from 1939 to 1941 and the trauma of the Nazi occupation from 1941 to 1944 to the recapture of the town by the Red Army in 1945 Each chronological chapter is introduced by Redlich's recollections continues with an examination of the events as documented in local sources and concludes with the observations of his interviewees Historical and contemporary photographs of Brzezany and its inhabitants add immediacy to this fascinating excursion into history brought to life by those who lived through it showing how events are remembered and interpreted often in very different ways

The Memorialization of Genocide Simone Gigliotti, 2017-10-02 Divided societies tormented pasts and unrepentant perpetrators Why are some countries more intent on vanquishing uncomfortable pasts than others How do public and often unsightly attempts at memorialisation both fail the victims and valorize their oppressors This book offers fresh and original perspectives on dictatorship fascism and victimization from the bloodiest decades in Europe's Australia's and Central America's colonial and modern history Chapters include analyses of Francoist memorials in Spain assessments of the El Mozote massacre in El Salvador the forgetting of frontier colonial violence in Tasmania Romania's treatment of its Roma populations in the midst of Holocaust memorialisation in Bucharest's urban development and whether or not the Holocaust continues to serve as an instructional model or impossible aspiration for cross cultural genocide memorialisation strategies In an era of ongoing political ethnic and religious conflict and unrepentant insurgent activity around the world this collection reminds readers that genocidal actions wherever and whenever they occurred must be held to account by more than rhetoric and concrete memory This book was originally published as a special issue of the *Journal of Genocide Research*

The EU's New Borderland Andrzej Jakubowski, Andrzej

Miszcuk, Bogdan Kawałko, Tomasz Komornicki, Roman Szul, 2016-10-04 The strengthening of relations between Poland and Ukraine over the last 25 years is one of the most positive examples of transformations in bilateral relations in Central and Eastern Europe In spite of the complex and difficult historical heritage dominated by the events of the World War II and the first few years that followed after the fall of Communism in Poland and Ukraine bilateral institutional cooperation was successfully undertaken and mutual social contacts were recreated The issue of Polish Ukrainian relations at the international and trans border level gained particular importance at the moment of expansion of the European Union to the east and announcement of the assumptions of the European Neighbourhood Policy in 2004 Since then relations have continued to thrive and provide a blueprint for cross border relations in other parts of the EU In this book the authors examine the issue of cooperation and cross border relations on the new external border of the EU The book's primary objective is to present the way in which the Polish and Ukrainian parties develop the bilateral cooperation adapting to the changing geopolitical conditions and responding to the related challenges The chapters offer a comprehensive diagnosis of the conditions determining the current and future state of Polish Ukrainian cross border cooperation and describe the area as a social economic and political space The EU's New Borderland will be of interest to university students of international relations geography economy or history as well as those willing to expand their knowledge in the scope of regional geography European integration cross border cooperation and international relations Memory and Theory in Eastern Europe Uilleam Blacker, Alexander Etkind, 2013-09-11 It is the aim of this volume to investigate how academic practices of Memory Studies are being applied adapted and transformed in the countries of East Central Europe and the former Soviet Union It affords a new startlingly different perspective for scholars of both Eastern European history and Memory Studies

Gombrowicz Aleksandra Konarzewska, 2024-06-12 This book is a short introduction to Witold Gombrowicz's life and work as one of the most prominent figures in twentieth century literature and theater providing intertextual perspectives that allow readers to analyze his short stories plays and novels in broad contexts Gombrowicz 1904 1969 was a writer and philosopher whose experimental literary works belong to the stream of European existentialism and simultaneously mark the birth of postmodernism In Gombrowicz's grotesque universe there is no separation between literature biography sexuality and philosophy His novels including *Ferdydurke* *Trans Atlantyk* and *Pornography* contain autobiographical elements whereas in his renowned *Diary* daily life becomes an object of sophisticated philosophical reflection that links introspection with humor and a gift for observation Gombrowicz An Introduction is an approachable guide for students and instructors of Slavic literature and culture comparative literature philosophy and theater studies **Shades of Blue** Félix Krawatzek, Friedemann Pestel, Rieke Trimcev, Gregor Feindt, 2025-02-15 In *Shades of Blue* Félix Krawatzek Friedemann Pestel Rieke Trimcev and Gregor Feindt investigate the political project of Europe as it oscillates between the extremes of expectations of an ever wider integration and fear of disintegration The authors interrogate and chart the space between

these polarities by tracking the many competing conceptions of Europe in European public discourse and relate these meanings to national regional and ideological divisions Based on qualitative discourse analyses of newspaper articles from six European Union member states between 2004 and 2023 *Shades of Blue* shifts how we think about Europe s integration and disintegration and offers a new perspective on Europeanization With twelve debates chronicling Europe s past and discussing the implications for Europe s future these authors uncover how politicians intellectuals and journalists negotiate European senses of belonging *Shades of Blue* moves beyond the binaries of hope and despair to uncover a more nuanced picture of Europe
