Politburo Has Decided That You Are Unwell

Martin McCauley

Politburo Has Decided That You Are Unwell:

The Politburo Has Decided that You are Unwell John Waters, 2004 For nearly fifteen years John Waters has been a dissident voice writing in his weekly column for The Irish Times invariably confronting the conventional wisdom on issues ranging from fatherhood and the official denial of the rights of parents and children to the absurdity of Ireland's seemingly endless tribunals He is known for an elegant representation of common sense in the face of ideology received thinking and self-serving cant In these controversial and highly charged pieces he revisits his principal themes and concerns of a most turbulent decade in Ireland and the world providing an invigorating look at how Ireland and its place in the world have changed in that time

Jiving At The Crossroads (New Edition) John Waters, 2011-10-13 In 1991 Ireland was in the midst of a devastating recession thousands of young Irish men and women had emigrated over the previous decade and divisive social and moral debates on abortion and divorce had rocked Irish society The great pillars of society politics and religion were beginning to crumble a process that continued in subsequent years as both institutions were hit by scandal A questioning of the values on which Ireland had been built had begun with an apparently unbridgeable divide opening between traditionalists and modernizers At the start of the decade the modernizers appeared to have won with the election as President of the iconic Mary Robinson Irish Times columnist John Waters captured the zeitgeist of the time with the hugely successful Jiving at the Crossroads which sold over 50 000 copies A defining book of the era its success was partly due to its remarkable blending of social cultural commentary with personal memoir At the emotional core of the book was the relationship between John and his father and the story of Ireland was intricately woven into this powerful narrative It was the first in a long line of books to question the very notion of modern Irish identity and to examine the deep rooted tensions at the heart of the Irish psyche Twenty years later much has changed in Ireland and yet Jiving at the Crossroads remains a deeply resonant book particularly in the light of the remarkable rise and precipitous fall of the Celtic Tiger and the fresh questioning of how we got where we are now This twentieth anniversary reissue of a landmark book with a new Afterword will be welcomed by those who remember it and will be a fascinating insight for a new generation of Irish people

Was It For This? John Waters, 2012-05-24 Ireland today stands at a defining moment The prosperity of the Celtic Tiger years has given way to the sudden crash the turbulence of the euro crisis and the loss of our sovereignty to the faceless technocrats of Europe and the IMF Our leaders seem impotent and rage bewilderment and despair have swept through Irish society Was It For This delves into the Irish psyche to answer the questions What happened to our hopes and dreams What is at the heart of the sense of betrayal that we feel In the rush to modernity did we throw away everything of true value Have we lost the ideals of nationhood and patriotism set out by those who dreamt of the Irish Republic John Waters remarkable new book sweeps through the pages of our recent history to get to the heart our political social and existential identity crisis Ranging across a vast canvas Was It For This argues that the Celtic Tiger was built on a collective delusion and that the seeds of its

destruction were sown many years before it even began when we exchanged our colonial shackles for a no less destructive dependency for short term gain Ireland's sovereignty was given up long before the IMF came to town Along the way Waters ponders our love hate relationship with Fianna Fáil the undercurrents that ran through the 2011 presidential election why our political leaders and commentators have clung onto the remnants of 1960s revolutionary fervour long after the revolution was won how our denial of an authoritative father figure has led to a leaderless sibling society the emptiness of our youth culture and the suppression of real thought and discussion through cynicism and irony and why we have lost the very language that once enabled us to speak of Ireland with pride Feckers: 50 People Who Fecked Up Ireland John Waters, 2011-10-06 Which 50 People turned Ireland into the fecked up country she is today Bono Haughey Louis Walsh de Valera It's time to name and shame the great the good and the gobshites Conventional wisdom has it that Ireland after a violent and tragic history had began to get things right But when the ill wind of recession cruelly snatched that self satisfied achievement away it all seemed like exceedingly back luck In his 50 brilliantly acerbic portraits Waters reveals a consistent pattern of self delusion myopia inferiority complex bravado defeatism cynicism sentimentalism and conceit He traces Ireland's story from the paranoid insularism and cultural myopia that followed national Independence through the post Sixties obsession with a faux self confidence to the final salutary meltdown of the Celtic Tiger and strangely lacking either Celts or tigers Once among the oldest civilization in Europe Ireland has ended up as a second rate version of the England it tried to discard It threw out not merely the bathwater and the baby but also the bathtub the sponge and the rubber duck Cultural Politics and Irish Education Since the 1950s Denis O'Sullivan, 2005 *Inside Gorbachev's Kremlin* Yegor Ligachev, Stephen Cohen, 2018-02-23 This memoir by the second most powerful Communist Party leader during the early Gorbachev years provides an important alternative view of the USSR's transformation a view that is gaining ground in Russian politics today In a substantial new piece for this edition Mr Ligachev outlines the political agenda of today's communist coalition the establishment of a new Soviet Union with strong economic and political integration of its member states Yegor Ligachev a seasoned Party boss from Siberia made a solid career for himself in the capital during the Khrushchev era but following Khrushchev's ouster chose to retreat to the provinces In 1985 his political patrons brought him back to Moscow to help them build a dynamic new leadership team under Mikhail Gorbachev The two reform minded communists launched an effort to inject life and energy into the Party economy and society through a series of liberalizing measures But when Ligachev saw the reforms moving into a revolutionary phase that could result in the Party's loss of control over the helm of state he found himself increasingly siding with the opposition In this gripping book Ligachev describes the evolving confrontation between opposing forces at high level Party meetings and sessions of the Politburo as well as in less formal conversations Along the way he gives revealing glimpses not only of Gorbachev but also of Yuri Andropov Andrei Gromyko Alexander Yakovlev Eduard Shevardnadze Boris Yeltsin and other top leaders Notorious events such as the 1989 massacre in Tbilisi and the Gdlyan

Ivanov affair in which Ligachev argues he was unjustly implicated are also highlighted [Books Ireland](#) ,2005 *An Intellectual Biography of N.A. Rozhkov* John A. González,2016-09-19 An Intellectual Biography of N A Rozhkov is the first English language study to follow Russia s most gifted and important historian to emerge from the school of V O Kliuchevskii through the transformative decades that bridged the nineteenth and twentieth centuries Rozhkov s early philosophical influences are examined to explain his radicalisation from middle class intellectual academic to Leninist Bolshevik to Menshevik social democrat His Marxist socialist beliefs landed him in gaol several times and eventually he was exiled to Siberia for a decade where he was able to refine his political worldview and develop his theory of historical development Critical of Lenin and the 1917 revolution he spent the last decade of his life being persecuted by the Bolshevik regime

Bulletin ,1998 [The Soul of Ireland](#) Joe Mulholland,2006 Bringing together 37 leading public figures in Ireland this book addresses major issues facing the nation today *The Revival of China* MAO Min, The book is about the revival of China in the 20th century and the first decade of the 21st century It has eight parts 1 The civil revolution in China 2 The countryside bases 3 The Long March of the Red Army 4 The Anti Japanese War 5 Decisive civil battles before the establishment of the People s Republic of China 6 The Mao Era before the Great Cultural Revolution 7 The Great Cultural Revolution and 8 The Reform and opening up This version of the book is without pictures **The Cloth Elephant** David Fawkes,2014-05-28 It is 1927 and young German diplomat Peter von Saloman and his family are posted to Canton in China only to find themselves caught up in vicious political turmoil which soon leads to a violent encounter with rebel communists Cured of crippling injuries by ancient Chinese medicine their young son Adam soon emerges as a boy with unusual spirit and very special gifts On their return to their homeland the Von Salomans find themselves caught up in the rise of the Nazis in the prelude to World War II Peter his beautiful wife Kathe and young Adam will need all the courage and wisdom they learned in China to survive the iniquities of the Third Reich Long after the war when her professor boss and lover dies of cancer Katerina Lindemann discovers that he is not at all the man she thought he was and that the two of them share an unexpected link with the Von Salomans and their stand against the Nazis This thrilling and intriguing story will draw the reader into an ingenious and stirring tale of fascism and bravery love and loyalty [Stalin and the Soviet Communist Party](#) Абдурахман Авторханов,1959 **The Lumenots** Norbert Stewart,2014-08-29 In 1908 an enormous explosion occurs over Siberia leveling thousands of hectares of forest land Seventeen years later Dr Miroslav Oborski a politically unpopular Russian physicist has collected evidence that suggests there is far more to the explosion than commonly believed He unwittingly enlists the help of a criminal organization headed by the Barkov brothers to find a powerful and technically advanced object that survived the explosion Unknown to Dr Oborski the Barkovs have another agenda Financed by a group of paranoid and corrupt government officials they have been ordered to dispose of the troublesome Dr Oborski and secure the valuable object But the Barkovs no strangers to greed and corruption themselves have a different plan in mind Its up to the

National Science and Development Foundation and its chairman Viktor Treschev to save Dr Oborski and find the object before the Barkovs get to it The situation rapidly becomes complicated when a Russian farm family a reclusive hunter and Norman MacLeod a Canadian Merchant Marine seaman are reluctantly drawn into the deadly high stakes game that crisscrosses Russia and find its way into eastern Canada in a race to find a device that could change history forever The Cold War 1949-2016 Martin McCauley, 2017-05-18 Covering the development of the Cold War from the mid twentieth century to the present day The Cold War 1949 2016 explores the struggle for world domination that took place between the United States and the Soviet Union following the Second World War The conflict between these two superpowers shaped global history for decades and this book examines how this conflict developed into a nuclear arms race spurred much of the wider world towards war and eventually resulted in the collapse of the Soviet empire In this accessible yet comprehensive volume Martin McCauley examines not only the actions of the United States and the Soviet Union but also the effects upon and involvement of other regions such as Africa Central America Asia Europe and the Middle East Key themes include the Sino Soviet relationship and the global ambitions of the newly formed People s Republic of China the rise and fall of communism in countries such as Cuba Angola and Ethiopia the US defeat in Vietnam the gradual unravelling of the Soviet Union and the changing shape of the post Cold War world Providing a wide ranging overview of the main turning points of the conflict and illustrated throughout with photographs and maps this is essential reading for all students of the Cold War and its lasting global impact

Brezhnev Susanne Schattenberg, 2021-11-04 Schattenberg has done a service in rescuing the Brezhnev period from obscurity The Morning Star Offers an unparalleled examination of the Brezhnev papers Literary Review Leonid Brezhnev was leader of the Soviet Union for eighteen years a term of leadership second only in length to that of Stalin He presided over the Brezhnev Doctrine which accelerated the Cold War and led the Soviet Union through catastrophic foreign policy decisions such as the invasion of Afghanistan To many in the West he is responsible for the stagnation and to some even collapse of the Soviet Union But much of this history has been based on the only two English language biographies both published before Brezhnev s death and without access to archival sources and Brezhnev s own astonishingly untrue memoirs written for propaganda purposes Newly translated from German Schattenberg s magisterial book systematically dismantles the stereotypical and one dimensional view of Brezhnev as the stagnating Stalinist by drawing on a wealth of archival research and documents not previously studied in English The Brezhnev that emerges is a complex one from his early apolitical years when he dreamed of becoming an actor through his swift and surprising rise through the Party ranks From his hitherto misunderstood role in Khrushchev s ousting and appointment as his successor to his somewhat pro Western foreign policy aims deft consolidation and management of power and ultimate descent into addiction and untimely death For Schattenberg this is the story of a flawed and ineffectual idealist for the West this biography makes a convincing case that Brezhnev should be reappraised as one of the most interesting and important political figures of the twentieth century

Mao Alexander V. Pantsov, Steven I. Levine, 2013-10-29 Originally published in a different version in 2007 in Russian by Molodaia Gvardiia as Mao Tzedun Title page verso **Red closet** Rustam Alexander, 2023-05-23 In 1934 Joseph Stalin enacted sodomy laws unleashing a wave of brutal detentions of homosexual men in large Soviet cities Rustam Alexander recounts the compelling stories of people whose lives were directly affected by those laws including a naive Scottish journalist based in Moscow who dared to write to Stalin in an attempt to save his lover from prosecution and a homosexual theatre student who came to Moscow in pursuit of a career amid Stalin's harsh repressions and mass arrests We also meet a fearless doctor in Siberia who provided medical treatment for gay men at his own peril and a much loved Soviet singer who hid his homosexuality from the secret police Each vignette helps paint the hitherto unknown picture of how Soviet oppression of gay people originated and was perpetuated from Stalin's rule until the demise of the USSR This book comes at a time when homophobia is again rearing its ugly head under Putin's rule Challenge to Apollo Asif A. Siddiqi, 2000

Turbulent Decade Jiaqi Yan, Gao Gao, 1996-02-01 Yan Jiaqi one of the principal leaders of China's pro democracy movement and his wife Gao Gao a noted sociologist set out to write a comprehensive narrative account of the Great Proletariat Cultural Revolution which occurred in the second decade after Mao Zedong and his comrades came to power It appeared in Hong Kong in 1986 and was quickly banned by the Communist government Not surprisingly censorship and restricted circulation in China resulted in underground reproduction and serialization The work was thus widely read coveted and appreciated by a populace who had just freed itself from the cultural drought and political dread of the event Yan and Gao later spent two years revising and expanding their work The present volume Turbulent Decade A History of the Cultural Revolution is based on the revised edition and has been masterfully edited and translated by D W Y Kwok in consultation with the authors It makes available for the first time in English Yan and Gao's remarkable record of the traumatic Cultural Revolution decade and remains the only single volume narrative history of the revolution written from an independent and personal perspective It is a sweeping historical account notable for its moral courage for its empathy for the significance of the questions it addresses and for its sobering ultimately tragic view of human behavior

Unveiling the Energy of Verbal Artistry: An Emotional Sojourn through **Politburo Has Decided That You Are Unwell**

In a global inundated with monitors and the cacophony of immediate interaction, the profound energy and psychological resonance of verbal art frequently fade into obscurity, eclipsed by the continuous onslaught of sound and distractions. Yet, situated within the lyrical pages of **Politburo Has Decided That You Are Unwell**, a fascinating work of fictional brilliance that impulses with raw emotions, lies an memorable trip waiting to be embarked upon. Penned with a virtuoso wordsmith, this magical opus guides viewers on a mental odyssey, lightly exposing the latent potential and profound affect stuck within the complicated web of language. Within the heart-wrenching expanse of the evocative evaluation, we will embark upon an introspective exploration of the book is central styles, dissect their captivating publishing fashion, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.
