

Political Change In Japan

Sheila A. Smith

Political Change In Japan:

Political Change in Japan Taketsugu Tsurutani, 1977

Japan Transformed Frances Rosenbluth, Michael F.

Thies, 2010-04-12 With little domestic fanfare and even less attention internationally Japan has been reinventing itself since the 1990s dramatically changing its political economy from one managed by regulations to one with a neoliberal orientation. Rebuilding from the economic misfortunes of its recent past the country retains a formidable economy and its political system is healthier than at any time in its history. Japan Transformed explores the historical political and economic forces that led to the country's recent evolution and looks at the consequences for Japan's citizens and global neighbors. The book examines Japanese history illustrating the country's multiple transformations over the centuries and then focuses on the critical and inexorable advance of economic globalization. It describes how global economic integration and urbanization destabilized Japan's postwar policy coalition, undercut the ruling Liberal Democratic Party's ability to buy votes and paved the way for new electoral rules that emphasized competing visions of the public good. In contrast to the previous system that pitted candidates from the same party against each other, the new rules tether policymaking to the vast swath of voters in the middle of the political spectrum. Regardless of ruling party, Japan's politics, economics and foreign policy are on a neoliberal path. Japan Transformed combines broad context and comparative analysis to provide an accurate understanding of Japan's past, present and future.

Changing Politics in Japan Ikuo Kabashima, Gill Steel, 2012-08-17 Changing Politics in Japan is a fresh and insightful account of the profound changes that have shaken up the Japanese political system and transformed it almost beyond recognition in the last couple of decades. Ikuo Kabashima, a former professor who is now Governor of Kumamoto Prefecture, and Gill Steel outline the basic features of politics in postwar Japan in an accessible and engaging manner. They focus on the dynamic relationship between voters and elected or unelected officials and describe the shifts that have occurred in how voters respond to or control political elites and how officials both respond to and attempt to influence voters. The authors return time and again to the theme of changes in representation and accountability. Kabashima and Steel set out to demolish the still prevalent myth that Japanese politics are a stagnant set of entrenched systems and interests that are fundamentally undemocratic. In its place they reveal a lively and dynamic democracy in which politicians and parties are increasingly listening to and responding to citizens' needs and interests and the media and other actors play a substantial role in keeping democratic accountability alive and healthy. Kabashima and Steel describe how all the political parties in Japan have adapted the ways in which they attempt to organize and channel votes and argue that contrary to many journalistic stereotypes, the government is increasingly acting in the interests of citizens, the median voter's preferences.

Changing Politics in Japan Ikuo Kabashima, Gill Steel, 2012-09-15 Changing Politics in Japan is a fresh and insightful account of the profound changes that have shaken up the Japanese political system and transformed it almost beyond recognition in the last couple of decades. Ikuo Kabashima, a former professor who is now Governor of Kumamoto Prefecture,

and Gill Steel outline the basic features of politics in postwar Japan in an accessible and engaging manner. They focus on the dynamic relationship between voters and elected or nonelected officials and describe the shifts that have occurred in how voters respond to or control political elites and how officials both respond to and attempt to influence voters. The authors return time and again to the theme of changes in representation and accountability. Kabashima and Steel set out to demolish the still prevalent myth that Japanese politics are a stagnant set of entrenched systems and interests that are fundamentally undemocratic. In its place they reveal a lively and dynamic democracy in which politicians and parties are increasingly listening to and responding to citizens' needs and interests and the media and other actors play a substantial role in keeping democratic accountability alive and healthy. Kabashima and Steel describe how all the political parties in Japan have adapted the ways in which they attempt to organize and channel votes and argue that contrary to many journalistic stereotypes the government is increasingly acting in the interests of citizens, the median voter's preferences. *Political Change in Japan* Steven R. Reed, Kenneth Mori McElwain, Kaoru Shimizu, Kay Shimizu, 2009. In the past twenty years Japan has undergone dramatic changes. Electoral reform has altered the relationship between politicians and voters and Japan is increasingly a two party system. The popularity of former prime minister Koizumi Junichiro highlighted the salience of telegenic party leaders. Amid so many shifts it remains unclear whether such changes will stand the test of time and where Japanese politics is heading. However it is not too early to assess the permanence and the direction of political change in Japan. Each chapter in this wide ranging volume addresses a key political development in Japan from stealing votes to the constraints that women candidates face. Intended for scholars and students who study Japan, this timely volume also provides valuable reading for comparative political scientists. With contributions from some of the most distinguished scholars working on Japan today, *Political Change in Japan* seeks to answer the question: Was political reform in Japan a revolution or a flash in the pan?

Civil Society and Political Change in Asia Muthiah Alagappa, 2004. A systematic investigation of the connection between civil society and political change in Asia, change toward open participatory and accountable politics. Its findings suggest that the link between a vibrant civil society and democracy is indeterminate; certain civil society organizations support democracy, others could undermine it. *The Logic of Japanese Politics* Gerald L. Curtis, 1999-08-27. Widely recognized both in America and Japan for his insider knowledge and penetrating analyses of Japanese politics, Gerald Curtis is the political analyst best positioned to explore the complexities of the Japanese political scene today. Curtis has personally known most of the key players in Japanese politics for more than thirty years and he draws on their candid comments to provide invaluable and graphic insights into the world of Japanese politics. By relating the behavior of Japanese political leaders to the institutions within which they must operate, Curtis makes sense out of what others have regarded as enigmatic or illogical. He utilizes his skills as a scholar and his knowledge of the inner workings of the Japanese political system to highlight the commonalities of Japanese and Western political practices while at the same time explaining what sets Japan

apart Curtis rejects the notion that cultural distinctiveness and consensus are the defining elements of Japan's political decision making emphasizing instead the competition among and the profound influence of individuals operating within particular institutional contexts on the development of Japan's politics. The discussions featured here as they survey both the detailed events and the broad structures shaping the mercurial Japanese political scene of the 1990s draw on extensive conversations with virtually all of the decade's political leaders and focus on the interactions among specific politicians as they struggle for political power. The Logic of Japanese Politics covers such important political developments as the Liberal Democratic Party's egress from power in 1993 after reigning for nearly four decades and their crushing defeat in the voters' revolt of the 1998 upper house election, the formation of the 1993 seven party coalition government led by prime minister Morihiro Hosokawa and its collapse eight months later, the historic electoral reform of 1994 which replaced the electoral system operative since the adoption of universal manhood suffrage in 1925 and the decline of machine politics and the rise of the mutohaso, the floating nonparty voter. Scrutinizing and interpreting a complex and changing political system, this multi-layered chronicle reveals the dynamics of democracy at work Japanese style. In the process, The Logic of Japanese Politics not only offers a fascinating picture of Japanese politics and politicians but also provides a framework for understanding Japan's attempts to surmount its present problems and helps readers gain insight into Japan's future.

The Changing Japanese Political System Harumi Hori, 2006-03-20 Japan's political stability was shattered after the general election of July 1993 when the conservative Liberal Democratic Party's thirty-eight year domination ended in defeat. This book examines the impact the 1993 general election had on Japanese politics. Although the LDP regained the position of a ruling party within a year, Hori questions whether the Japanese political system has managed to maintain the same efficacy as it had prior to 1993. Using institutional analysis, Hori argues that this fundamental change caused major institutional transformations: a decline in the importance of LDP organisations in the decision making process of the government and the Diet, weakened management of the LDP through factions and detached attitudes of LDP members to MOF bureaucrats. Hori analyzes three cases: one prior to and two after the 1993 election, illustrating just how ineffective the close cooperation between MOF bureaucrats, LDP executives and faction leaders became.

The Changing Japanese Political System Harumi Hori, 2006-03-20 Japan's political stability was shattered after the general election of July 1993 when the conservative Liberal Democratic Party's thirty-eight year domination ended in defeat. Political Corruption and Scandals in Japan Matthew M. Carlson, Steven R. Reed, 2018-03-15 Combining history with comparative politics Matthew M Carlson and Steven R Reed take on political corruption and scandals and the reforms designed to counter them in post World War II Japan Political Corruption and Scandals in Japan makes sense of the scandals that have plagued Japanese politics for more than half a century and attempts to show how reforms have evolved to counter the problems What causes political corruption to become more or less serious over time they ask The authors examine major political corruption scandals beginning with the early postwar period until the present day as one way to make sense of how the nature of corruption changes over time They also consider bureaucratic corruption and scandals violations of electoral law sex scandals and campaign finance regulations and scandals In the end Carlson and Reed write though Japanese politics still experiences periodic scandals the political reforms of 1994 have significantly reduced the levels of political corruption The basic message is that reform can reduce corruption The causes and consequences of political corruption in Japan they suggest are much like those in other consolidated democracies

Japan's Politics and Economy Marie Söderberg, Patricia Nelson, 2009-12-16 For some time Japan has been under fire for adjusting too slowly to new realities While this criticism may be valid on some levels Japan has been transforming in tandem with both regional and global forces However these changes have been largely overshadowed by the immense changes in Asia including the rise of China the 1997 Southeast Asian financial crisis and North Korea's development of nuclear weapons Has Japan the world's second largest economy only been muddling through In this volume the contributors show that although the challenges faced are great Japan is changing in areas ranging from political leadership education policy official development assistance peace building and security to defence production business associations and innovation policy The book analyses processes of change focusing on the dynamics of change rather than structural change or institutional change per se from four levels the individual domestic regional and global Forces from outside Japan such as a changing world order and changes in power relationships in Asia have driven change along with pressures emerging within Japan such as the increasing power of public opinion and competitiveness within markets This book will be of interest to scholars and students of Japanese and Asian Studies Politics International Relations Globalization Business and Economics

The Politics of Economic Change in Postwar Japan and West Germany Haruhiro Fukui, Peter H. Merkl, Hubertus Muller-Groeling, Akio Watanabe, 1993-02-12 The book begins with an editors introduction that provides a conceptual setting for a comparative

study of the role of policy in the development of the postwar Japanese and West German economies It then offers detailed comparative analyses of developments in the two countries on seven substantive topics an overview of macroeconomic change economic advisory and planning monetary control inflation control labour markets and wage determination agriculture and social security and welfare It ends with an editor's summary and conclusion **Dynamic and Immobilist Politics in Japan** Martin Collick, Aurelia George, James Horne, Daiichi It, Alan Rix, J.A.A. Stockwin, 1988-05-17 Over the past thirty years Japan has shown that it is a highly dynamic society and its economic policy making has often astonished the world Japanese politics however though sometimes showing dynamism are very stable and frequently strangely immobilist In this book six specialists on Japanese politics seek to find out why **Ozawa Ichirō and Japanese Politics** Aurelia George Mulgan, 2014-11-27 Ozawa Ichir was the axis on which Japanese politics turned for more than two decades He helped to reshape the electoral system political funding rules the evolution of the party system the nature of executive government the roles and powers of bureaucrats and the conduct of parliamentary and policymaking processes Admired and reviled in almost equal measure Ozawa has been the most debated and yet least understood politician in Japan with little agreement to be found amongst the many who have debated his patent political assets and palpable political flaws This book examines the political goals behaviour methods and practices of Ozawa Ichir and in doing so provides fascinating insights into the inner workings of Japanese politics It explores Ozawa's paradoxical and conflicting contributions in terms of two contrasting models of old and new politics Indeed therein lies the problem of understanding the real Ozawa he remained a practitioner of old politics despite his rhetorical agenda of change to bring about new politics In seeking to unravel the Ozawa enigma Aurelia George Mulgan reveals his primary motivations to establish whether he sought power primarily to enact reforms or whether his reform goals simply disguised power seeking objectives This volume seeks to illuminate Ozawa's true character as a politician and untangle the complex elements of old and new politics that he represents Through an in depth study of Ozawa and his political activities this book shows how the Japanese political system works at the micro level of individual politicians political relationships and systems As such it will be of huge interest to students and scholars of Japanese politics Asian politics and political systems **Japan's New Politics and the U.S.-Japan Alliance** Sheila A. Smith, 2014-07-01 Japan's new politics challenge some basic assumptions about U S Japan alliance management CFR Senior Fellow Sheila A Smith explores this new era of alternating parties in power and reveals the growing importance of Japan's domestic politics in shaping alliance cooperation *The Politics of Electoral Reform* Alan Renwick, 2010-02-04 Elections lie at the heart of democracy and this book seeks to understand how the rules governing those elections are chosen Drawing on both broad comparisons and detailed case studies it focuses upon the electoral rules that govern what sorts of preferences voters can express and how votes translate into seats in a legislature Through detailed examination of electoral reform politics in four countries France Italy Japan and New Zealand Alan Renwick shows how major electoral system changes in established

democracies occur through two contrasting types of reform process Renwick rejects the simple view that electoral systems always straightforwardly reflect the interests of the politicians in power Politicians motivations are complex politicians are sometimes unable to pursue reforms they want occasionally they are forced to accept reforms they oppose The Politics of Electoral Reform shows how voters and reform activists can have real power over electoral reform

Growth, Distribution and Political Change Malcolm Falkus, Kwan S. Kim, Ryoshin Minami, 1999-09-17 Continuing the inequality and development debate originally ushered in by Kuznets this book extends to the possible sociopolitical disruptions of growing inequality and its ramifications for growth and development Comparing a range of countries in Asia and beyond the book examines the relationships between growth distribution and politics Theoretical and empirical studies are backed up by discussion of historical developments in this interdisciplinary study which will interest political scientists sociologists historians and economists

Japan's Postwar Party Politics Masaru Kohno, 2020-11-10 In this sophisticated theoretical work Masaru Kohno presents a systematic reexamination of the evolution of party politics in Japan since the end of the second World War Because of the long one party dominance by the Liberal Democratic Party Japan's parliamentary democracy has often been viewed as unique in the developed world and most of the existing studies of Japanese party politics have addressed such determinants as its political culture historical background and socio ideological cleavages According to the author these explanations do not adequately account for some of the most important changes that took place in Japanese party politics during the postwar period This study advances an alternative set of interpretations based on a microanalytic approach that highlights the incentive and bargaining power of individual political actors and their competitive and strategic behavior under existing institutional constraints According to Kohno the evolution of political life in postwar Japan depends on the same factors that are acknowledged to be at work in other industrialized nations He reveals through detailed case studies of government formation processes and statistical examinations of candidate nomination patterns that the microanalytic approach can establish forward looking and internally consistent interpretations of the postwar development of Japanese party politics Because Japan has usually been treated as a country of unique cultural historical and societal characteristics the analyses of this study point to the broader applicability of the microanalytic approach in the field of comparative politics especially for the exploration of party competition in advanced industrial democracies

Political Change In Japan Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the ability of words has are more evident than ever. They have the capability to inspire, provoke, and ignite change. Such is the essence of the book **Political Change In Japan**, a literary masterpiece that delves deep in to the significance of words and their affect our lives. Political Change In Japan Introduction

In the digital age, access to information has become easier than ever before. The ability to download Political Change In Japan has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Political Change In Japan has opened up a world of possibilities. Downloading Political Change In Japan provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Political Change In Japan has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Political Change In Japan. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Political Change In Japan. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Political Change In Japan, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Political Change In Japan has transformed the way we

access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Political Change In Japan Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Political Change In Japan is one of the best book in our library for free trial. We provide copy of Political Change In Japan in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Political Change In Japan. Where to download Political Change In Japan online for free? Are you looking for Political Change In Japan PDF? This is definitely going to save you time and cash in something you should think about.
