

Changes in Political Culture

- ◆ Two arguments:
 - Political culture is subject to change
 - ◆ Global culture is “coming together”
 - Modernization
 - Globalization
 - Democratization
 - ◆ Post-modern, secular-rational values and self-expressionism will define values and cultures of the future

Political Culture And Political Change In Postcommunist Societies

Levent Gönenc

Political Culture And Political Change In Postcommunist Societies:

Political Culture and Political Change in Post-communist Societies V. A. Gutorov, A. I. Koriukhin, Gerd Meyer, 1997

Democracy and Political Culture in Eastern Europe Hans-Dieter Klingemann, Dieter Fuchs, Jan Zielonka, 2006-11-22

What is the relationship between democracy and political culture in countries undergoing major systemic change? Have subjective political orientations of citizens been important in shaping the development of democracy in central and eastern Europe after the fall of communism? These core questions are tackled by an impressive range of twenty political scientists, sixteen of which are based in the central and eastern European countries covered in this essential new book. Their analyses draw on a unique set of data collected and processed by the contributors to this volume within the framework of the World Values Survey project. This data enables these authors to establish similarities and differences in support of democracy between a large number of countries with different cultural and structural conditions as well as historical legacies. The macro level findings of the book tend to support the proposition that support of democracy declines the further east one goes. In contrast, micro level relationships have been found to be astonishingly similar. For example, support of democracy is always positively related to higher levels of education, no matter where an individual citizen happens to live. This new book builds a clear understanding of what makes democracies strong and resistant to autocratic temptation. **Values and Political**

Change in Postcommunist Europe W. Miller, S. White, P. Heywood, 1998-01-19 This is a book about political values: socialist, nationalist, liberal and democratic values in five former communist countries: Russia, Ukraine, Hungary, Slovakia and the Czech Republic. Based on eleven surveys involving extended interviews with 7350 members of the public and 504 Members of Parliament, it provides an authoritative account of the extent to which politicians and the public in East Central Europe and the Former Soviet Union have rejected communist ideals and adopted nationalist and/or liberal democratic values.

Political Culture and Post-Communism S. Whitefield, 2005-10-11 Our understanding of the dynamics of Communist systems was substantially improved by taking political culture into account. But how much does the concept of political culture add to our empirical understanding of post-Communist Russia? The book's contributors engage with theoretical debates between political culture and competing rational choice and institutionalist approaches to post-Soviet politics and provide illustrative empirical studies of civic participation, views of national identity, the Russian criminal justice system and political violence. Changing Values and Identities in the Post-Communist World Nadezhda Lebedeva, Radosveta

Dimitrova, John Berry, 2018-04-04 This book offers a comparative analysis of value and identity changes in several post-Soviet countries. In light of the tremendous economic, social and political changes in former communist states, the authors compare the values, attitudes and identities of different generations and cultural groups. Based on extensive empirical data using quantitative and qualitative methods to study complex social identities, this book examines how intergenerational value and identity changes are linked to socio-economic and political development. Topics include the rise of nationalist sentiments.

identity formation of ethnic and religious groups and minorities youth identity formation and intergenerational value conflicts

The Politics of the Postcommunist World Stephen White, Daniel Nelson, 2017-11-01 This title was first published in 2001 This series brings together the most significant journal articles to appear in the field of comparative politics since the 1970s The aim is to render accessible to teachers researchers and students an extensive range of essays as a basis for understanding established terrain and new ground Sociological Abstracts Leo P. Chall, 1999 CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences The database provides abstracts of journal articles and citations to book reviews drawn from over 1 800 serials publications and also provides abstracts of books book chapters dissertations and conference papers **The Handbook of Political, Social, and Economic Transformation** Wolfgang Merkel, Raj Kollmorgen, Hans-Jürgen Wagener, 2019-01-25 Political social and economic transformation is a complex historical phenomenon It can adequately be analysed only by a multidisciplinary approach The Handbook brings together an international team of scholars who are specialists in their respective research fields It introduces the most important areas theories and methods in transformation research with particular attention placed on the historical and comparative dimension Although focussing on post communist and other democratic transformations in our epoch the Handbook therefore presents and discusses not only their problems paths and developments but also deals with the antecedent waves beginning with the Meiji Restoration in Japan in 1868 and its aftermath The book is structured into six parts Starting with basic concepts as systems actors and institutions Section I it gives an overview over major theoretical approaches and research methods Sections II and III The connection of theory and method with their application is essential allowing special insights into the past and opens analytical avenues for transformation research in the future Section IV provides a historically oriented description or interpretation of particular waves or types of societal transformation With a clear focus on present transformations the contributions to Section V provide a description and discussion of the problems structures actors and courses of the transformations within different spheres of civil society politics law and economics Finally brief lexicographic entries in Section VI delineate research perspectives and facts about relevant issues of societal transformation Each of the 79 contributions contains a concise list of the most important research literature Social Justice and Political Change David Mason, 2018-04-17 Analysis and debate about economic and political justice rarely involves research on the views of the common person Scholars often make assumptions about what common people think is fair but for the most part they confine their thinking to a single country and argue on rational or moral grounds with little supporting empirical data Social Justice and Political Change involves the collaboration of thirty social scientists in twelve countries and represents broad ranging comparative research The book grows out of a collaborative study of public opinion about social justice Though conceived prior to the revolutions that swept Central and Eastern Europe in 1989 the ISJP did not put its survey into the field until the summer of 1991 in a new climate of

open international exchange in social research Employing common methods of data collection and within the limits of translation identical survey instruments the ISJP investigated public opinion in seven newly emerging post Communist countries and five of the world's most influential capitalist democracies with special sensitivity to divergencies in the newly united Germany Among the themes addressed by the volume's distinguished contributors are the views and beliefs of citizens in the post Communist states on the transition to market economies and parliamentary democracy the role of ideology in legitimating inequality the structural determination of beliefs about justice the processes that shape individual level evaluations and the major implications of public opinion and mass participation in the democratic process

Prospects for Constitutionalism in Post-Communist Countries Levent Gönenç, 2002-06-18 The last decade of the 20th century saw radical changes in Eastern Europe and the former USSR Most of these countries made a transition from totalitarianism or authoritarianism to democracy and from central planning to a market economy Adding to the latter a number of national entities gained their independence after the disintegration of the federative states of the USSR Yugoslavia and Czechoslovakia Many recent studies have focused on these double in some cases triple transitions and scholars from different fields analyzed the so called 1989 Revolution from different perspectives Rather less scholarly attention has been paid to the future of post communist constitutions and prospects for constitutionalism in these countries The main questions dealt with throughout this study can be formulated as follows Will liberal democratic constitutionalism take root in these countries Will new constitutions in Eastern Europe and the former USSR perish or survive This study also aims at contributing to the construction of a general constitutional theory by studying the causes and dynamics of constitutional change in general Such constitutional change is not only on the East European but also on the West European agenda The purpose of this study is not to introduce a general theory about constitutional stability but studying post communist constitutions will help us to understand the causes and dynamics of constitutional change from a broader perspective

Local Communities and Post-Communist Transformation Simon Smith, 2004-03 This book based on extensive original research examines the changes resulting from transformation at the local level in the former Czechoslovakia

Democratic Consolidation in East-Central Europe Fritz Plasser, Peter Ulram, Harald Waldrauch, 2016-07-27 The postcommunist regimes in East Central Europe are confronted with the double challenge of establishing a democratic order and a market economy The book discusses the concepts of democratic consolidation and analyzes the development of attitudes towards the political and economic system in Poland Hungary the Czech Republic Slovakia and Slovenia The study compares the political values in East Central Europe with respective attitudes in the USA and Western Europe Special attention is given to experiences of the consolidation process in Germany Italy and Austria after 1945 as well as the more recent developments in Latin America and Southern Europe The final chapter discusses patterns and paths of democratic consolidation in the light of concepts of regime change

Party Development and Democratic Change in

Post-communist Europe Paul G. Lewis, 2024-02-02 This work surveys processes of party development in the context of the ten years of democratic change in post communist eastern Europe It examines the capacity of the former ruling parties to attract contemporary voters and their role in contributing to the consolidation of the new democratic regimes *Chinese Political Culture* Shiping Hua, Andrew J. Nathan, 2016-07-08 Until this book there has been no comprehensive methodologically aware study of all aspects of Chinese political culture The book is organized into three major areas Chinese identities and popular culture regional identities anti politics attitudes Hong Kong identity public opinion surveys the Beijing area Chinese workers the Shanghai area and ideological debates the new Confucianism masculinity and Confucianism why authoritarianism is popular in China the decline of Chinese official ideology Here is the first work that reveals just how much how rapidly and how dramatically China is changing and why our perceptions of China must keep pace **CSA Political Science & Government**, 2004 **The Political Economy of Human Rights in Armenia** Simon Payaslian, 2011-06-30 Since its independence from the Soviet Union in 1991 Armenia has experienced a reversal from democratization to a Soviet style authoritarian regime and has been accused of repressive approaches to human rights Here Simon Payaslian juxtaposes a masterful survey of the history of the Armenian people from the nineteenth century through the first republic 1918 21 and Sovietization to the present with the evolution of international human rights standards and argues that a statist and authoritarian political culture has impeded political liberalization and institutionalization of human rights principles Highlighting the clash between sovereignty on one side and human rights and democracy on the other this comprehensive and in depth analysis is essential for all those interested in human rights democratization political repression and the former Soviet republics Handbook on Political Trust Sonja Zmerli, Tom W.G. van der Meer, 2017-01-27 Political trust in government parliament or political parties has taken centre stage in political science for more than half a century reflecting ongoing concerns with the legitimacy and functioning of representative democracy To provide scholars students and policy makers with a tool to navigate through the complexity of causes and consequences of political trust this Handbook offers an excellent overview of the conceptual theoretical methodological and empirical state of the art complemented by accounts of regional particularities and authored by international experts in this field **The Handbook of Political Change in Eastern Europe** Sten Berglund, 2013-04-01 Lots has changed in Eastern Europe in the past quarter century and the new edition of this major study of the region sets out these changes in directions for the better and for the worse Richard Rose University of Strathclyde UK This Handbook offers a historically informed systematic account of the political development in Central and Eastern Europe Two chapters lay out a framework for comparison 26 specialists provide analyses for 19 countries In an appendix each of these country chapters documents election results government composition the electoral system and the constitutional framework The concluding chapter synthesizes the major results The Handbook is the most comprehensive source for an up to date analysis of all Central and Eastern European countries within the sphere of influence

of the European Union It is a must have for students and scholars interested in how to evaluate the state of democracy in this region of the globe Hans Dieter Klingemann New York University Abu Dhabi UAE and Social Science Research Center Berlin Germany This third edition of The Handbook of Political Change in Eastern Europe provides an authoritative and thorough analysis of the political changes which have occurred in Central and Eastern Europe since the demise of communism It offers an historical comparative perspective of the region and focuses on the social consequences of the democratisation process The country specific chapters are written by scholars with well documented area expertise on their respective cases Estonia Latvia Lithuania Poland The Czech Republic Slovakia Hungary Slovenia Romania Bulgaria Croatia Bosnia Serbia Montenegro Macedonia Albania Ukraine Moldova and Georgia Each chapter includes detailed examinations of elections the formation of governments electoral systems and constitutional arrangements These in depth and up to date analyses are supplemented by conclusions on the party systems and emerging political structures in the region as a whole as well as the consolidation of democracy in a post communist setting The revised and expanded version of The Handbook of Political Change in Eastern Europe provides a state of the art companion which will be indispensable for students and scholars in the social sciences including political science comparative politics European studies and political history as well as for policy makers and practitioners

Learning Democracy Robert Rohrschneider, 1999-05-13 The fall of the Berlin wall raised many questions about Germany and post socialist countries Given East Germany's authoritarian history how democratic are its citizens now What kind of democracy do they want a liberal or socialist democracy What economic system do they prefer How have they reacted to democratic and market systems since 1989 The book shows how individual institutional learning may be offset by the diffusion of democratic values The author uses public opinion surveys to compare attitudes of MPs and the general public and in depth interviews with parliamentarians in east and west Berlin to show the persistence of socialist views in the east as well as lower levels of political tolerance Moreover the book argues these values have changed fairly little since unification The author presents evidence and develops implications for other post socialist nations arguing that while post socialist citizens do not yearn for the old socialist order their socialist values frequently lower enthusiasm for new democratic and market institutions The implications being that ideological values are primarily shaped by individual exposure to institutions and that democratic and market values are diffused only in specific conditions More than just an analysis of German political culture the book offers compelling conclusions about the future of democracy in all post socialist states Robert Rohrschneider won the Stein Rokkan Prize for best book in comparative politics by a young scholar awarded by the International Social Science Committee of UNESCO

Social Change And Political Transformation Howard Davis, 2003-09-01 An examination of European political transformation which aims to analyze social and political change within the European Community and to investigate the implications of a changing institutional framework within a disaggregated Eastern Europe This book is intended for undergraduate and postgraduate courses in political sociology and politics as well as relevant

libraries and academics It should have significant appeal to researchers and students in European studies and others with an interest in European integration

Political Culture And Political Change In Postcommunist Societies Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Political Culture And Political Change In Postcommunist Societies PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Political Culture And Political Change In Postcommunist Societies PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can

enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Political Culture And Political Change In Postcommunist Societies free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Political Culture And Political Change In Postcommunist Societies Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Political Culture And Political Change In Postcommunist Societies is one of the best book in our library for free trial. We provide copy of Political Culture And Political Change In Postcommunist Societies in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Political Culture And Political Change In Postcommunist Societies. Where to download Political Culture And Political Change In Postcommunist Societies online for free? Are you looking for Political Culture And Political Change In Postcommunist Societies PDF? This is definitely going to save you time and cash in something you should think about.
