The Political Dimension In Teacher Education Beverly Lindsay, Mark B. Ginsburg, 2013-10-23 First Published in 1995 Routledge is an imprint of Taylor Francis an informa company **The Political Dimension in Teacher Education** Mark B. Ginsburg, Beverly Lindsay, 1995 What does politics have to do with it anyway Why can't we just focus on the academic professional and technical issues in teacher education how best to prepare future teachers so that they can help children and youth learn and develop For Ginsburg and Lindsay these questions reveal an incomplete understanding both of politics and teacher education The general purpose of their book is to develop more fully our understanding so that we can ask more fruitful questions To aid this process the volume combines in a coherent and compelling way the work of scholars with a range of disciplinary approaches theoretical perspectives and societal experiences The range of countries covered in this volume in Africa Asia Europe Latin America North America and the Pacific offers insights on the topic that might not otherwise be recognized in case studies of countries that tend to be reported in the literature *The Political Dimension In Teacher Education* Beverly Lindsay, Mark B. Ginsburg, 2013-10-23 First Published in 1995 This collection of papers was shaped by a variety of colleagues who attended the panel sessions on this topic organized at the annual meetings of the American Educational Studies Association 1992 the Comparative and International Education Society 1993 and the American Educational Research Association 1994 The inspiration for this volume are the many policy makers teacher educators and teacher education students around the world who have struggled and continue to struggle about and in programs to prepare teachers formally Reading this volume will benefit the individual in that they will not only understand better the challenges they face but also be encouraged and empowered to pursue their political goals particularly those aimed at creating a world in which power and resources are distributed in a just and equitable manner Teacher Preparation in Papua New Guinea John Mortimer, 2024-03-20 The authors present a comprehensive examination of the historical origins and development of schooling and teacher preparation in Papua New Guinea from indigenous education in villages the influence of European colonization and the role of missionaries in providing education and the implications for education policies and practices

Third International Handbook of Globalisation, Education and Policy Research Joseph Zajda, 2021-09-17 This handbook presents a global overview of current research in education and education policy reforms during the last decade It provides an accessible practical and comparative source of current research that examines the intersecting and diverse discourses of this important issue It first examines globalisation education and policy research and reforms in higher education including coverage of main trends in education and policy reforms globally as well as specific policy issues such as gender equity minorities and human rights Next the handbook offers a comparative perspective that evaluates the ambivalent and problematic relationship between globalisation the state and education reforms globally It features coverage on curricula

issues and education reforms in schools around the world the curriculum in the global culture as well as globalisation and education futures with respect to social justice and human rights The handbook contributes to a better and a more holistic understanding of the education reforms and research nexus offering possible strategies for the effective and pragmatic policy planning and implementation at the local regional and national levels It will serve as a vital sourcebook of ideas for researchers practitioners and policy makers in education

Dynamics and Policy Implications of the Global Reforms at the End of the Second Millennium Tukumbi Lumumba-Kasongo, 2021-12-28 Most people and indeed governments hold the conviction that reforms rather than revolutions are likely to produce more appropriate and acceptable results This is especially true for developing countries That is because reforms are gradual in their implementation and respectful to past policy fabrics of a society On the other hand the simultaneous spread of communication technology global liberalization of the market and peripheral homogenization of cultures have caused extreme tensions in just these developing countries In this book scholars from different countries around the world highlight the reforms and the tensions in the light of the questions what has been achieved what has failed and what is still needed Experiences from such diverse locations as Nigeria Ghana Guatemala South Korea Taiwan Zimbabwe and Tanzania are combined with more general observations from other countries Contributors are Don Adams N d r i Th r se Assi Lumumba Amiya Kumar Bagchi Thomas Clayton Mark Ginsburg Julius O Ihonvbere Kent Klitgaard Tukumbi Lumumba Kasongo Martha Mantilla Arild Schou Judy Sylvester and Yidan Wang

curriculum development textbooks and teaching materials and teacher training which should take into account societal developments and the cultural needs of coming generations This pilot study is the first comparative study on the structures of initial training for history teachers to be carried out in several European countries Its aim is to provide information that will raise the level of professionalism not only of history teaching but also of teacher training Publisher's description

Popular Culture and Critical Pedagogy Toby Dasplet, John A. Weaver, 1999 This collection attempts to incorporate cultural studies into the understanding of schooling not simply addressing how students read themselves as members of a distinct culture but how they along with teachers and administrators read popular texts in general The purpose of this book is to suggest some alternative directions critical pedagogy can take in its critique of popular culture by inviting multiple reading of popular texts into its analysis of schooling and seeing many forms of popular culture as critical pedagogical texts

Quality Education for All Dean H. Nielson, William K. Cummings, 2014-04-08 Modern education conceived in the late 18th century and expanded in the early 19th century to promote enlightenment and social equality may finally be nearing its institutional limit Over the past decade following nearly a century of steady gains there has been little further advancement in modern education The modern system has proved effective in serving the interests of the established core of contemporary society but ineffective in reaching for the periphery The contributors to this volume offer various corrective approaches to correct this state of affairs

The Performing School Dennis Gleeson, Chris Husbands, 2004-11-23 This specially commissioned collection of perspectives offers an analysis of the new organisation of the teaching profession reconstructed around the notion of performance and the implications of a performance culture The Performing School examines the roots directions and implications of the new structure by drawing together insights from policy research and practice at this time of rapid change and debate This unique volume addresses three interconnected issues of modernisation and education what is the background to and significance of performance management in modernising schools and teachers at the present time what are the likely future effects of a performance culture on teaching learning and schooling what will it take to ensure that performance management improves pedagogy and professionalism beyond the narrow confines of performativity managerialism and market reform in education
