

The Political Economy of Japan

Volume 3: Cultural and Social Dynamics

Edited by Shunpei Kurogi and Mary Kurogi

Political Economy Of Japan By Shumpei

Kozo Yamamura

Political Economy Of Japan By Shumpei:

The Political Economy of the Japanese Financial Big Bang Tetsuro Toya, 2006-04-06 In 1996 the Japanese government introduced a policy package initiating massive deregulation and liberalization in the nation's financial sector referred to as Japan's financial Big Bang. This book argues that the emergence of the Big Bang Initiative poses numerous challenges to conventional interpretations of Japanese politics and represents a clear case of institutional change in Japanese finance. Whereas many observers stress continuity in Japanese politics, this book argues that the emergence in the 1990s of performance failures and scandals attributed to the bureaucracy as well as the increase in the likelihood of a change in government in this period led policymaking patterns surrounding the Big Bang to differ radically from those dominating public policymaking in the past. These developments led to change in the nature of the alliance between the ruling Liberal Democratic Party (LDP) and the Ministry of Finance (MOF) to a shift in priorities within the MOF and to a heightened role for the public in policymaking. The result was that the MOF, long perceived as entrenched and seeking to maximize tangible tokens of organizational power, became more than willing to launch the Big Bang despite the fact that these reforms would strip the ministry of many of its regulatory tools and sever the ministry's close ties with the financial sector. The book also argues that these new developments prevented financial industry actors from forestalling these reforms as they had done in the past with other reforms similarly threatening the viability of weaker firms. The findings reveal that not only politicians but also bureaucrats and interest groups have reasons to pursue public support to enhance their respective political influence. Consequently, well-organized groups do not always prevail over the unorganized public. *The Political Economy of Japan*

Shunpei Kumon, Henry Rosovsky, 1992 **The Illicit Global Economy and State Power** H. Richard Friman, Peter Andreas, 1999-02-18 Illicit cross-border flows such as the smuggling of drugs are proliferating on a global scale. This volume explores the selective nature of the state's retreat, persistence, and reassertion in relation to the illicit global economy.

Japanese Political Economy in the IT Revolution Era Hyeonjung Choi, 2005 **The Logic of Japanese Politics** Gerald L. Curtis, 1999-08-27 Widely recognized both in America and Japan for his insider knowledge and penetrating analyses of Japanese politics, Gerald Curtis is the political analyst best positioned to explore the complexities of the Japanese political scene today. Curtis has personally known most of the key players in Japanese politics for more than thirty years, and he draws on their candid comments to provide invaluable and graphic insights into the world of Japanese politics. By relating the behavior of Japanese political leaders to the institutions within which they must operate, Curtis makes sense out of what others have regarded as enigmatic or illogical. He utilizes his skills as a scholar and his knowledge of the inner workings of the Japanese political system to highlight the commonalities of Japanese and Western political practices while at the same time explaining what sets Japan apart. Curtis rejects the notion that cultural distinctiveness and consensus are the defining elements of Japan's political decision-making, emphasizing instead the competition among and the profound influence of

individuals operating within particular institutional contexts on the development of Japan's politics. The discussions featured here as they survey both the detailed events and the broad structures shaping the mercurial Japanese political scene of the 1990s draw on extensive conversations with virtually all of the decade's political leaders and focus on the interactions among specific politicians as they struggle for political power. The Logic of Japanese Politics covers such important political developments as the Liberal Democratic Party's egress from power in 1993 after reigning for nearly four decades and their crushing defeat in the voters' revolt of the 1998 upper house election, the formation of the 1993 seven party coalition government led by prime minister Morihiro Hosokawa and its collapse eight months later, the historic electoral reform of 1994 which replaced the electoral system operative since the adoption of universal manhood suffrage in 1925 and the decline of machine politics and the rise of the mutohaso, the floating nonparty voter. Scrutinizing and interpreting a complex and changing political system, this multi-layered chronicle reveals the dynamics of democracy at work, Japanese style. In the process, The Logic of Japanese Politics not only offers a fascinating picture of Japanese politics and politicians but also provides a framework for understanding Japan's attempts to surmount its present problems and helps readers gain insight into Japan's future.

The Political Economy of Japan: Cultural and social dynamics Yasusuke Murakami, Shumpei Kumon, Henry Rosovsky, 1987. This is the third and final volume of a series that constitutes a state of the art analysis of Japan's phenomenal economic rise, its society and its place in contemporary world affairs. The papers in these volumes are future orientated; they raise questions about where Japan is going as it approaches the twenty first century and offer insights about future trends, prospects and problems. The present volume adds another dimension to the study of Japan's political economy, the introduction of some deeper, very slowly changing traits, more abstract and general propensities frequently described as group orientatedness, diligence, vertical hierarchies and so forth. These 12 essays by leading Japanese and American social scientists analyze certain neglected features of Japan's economic performance such as the influence of cultural factors, the role of the legal system, political power, the educational system and most of all, the characteristic behaviour of Japanese firms, the so-called J Firm, with special emphasis on types of networks.

Creating Modern Capitalism Thomas K.

McCraw, 1998-01-02. What explains the economic success of the U.S., Britain, Germany and Japan? What can be learned from the performances of leading business firms? How important were specific innovations by individual entrepreneurs? What is the nature of capitalist development? McCraw and his coauthors present penetrating answers to these questions.

Institutions, Industrial Upgrading, and Economic Performance in Japan Terutomo Ozawa, 2007-01-01. The book reviewed here will trigger a further interest in this area of research and will invite more researchers to seek empirical evidence in the study of post-war industrial growth in Japan. Hiroshi Ohashi, Journal of the Japanese and International Economies. This book provides a theoretically informed and empirically illustrative account of modern Japanese industrialization. Ozawa's translation of classical political economy to the Japanese context is both original and accessible and is a welcome addition to the literature.

on the Japanese variety of capitalism Tim Reiffenstein Pacific Affairs Ozawa succeeds in extending building up and joining the Akamatsu Kojima lineage of this unique Japan born theory of economic development from a fresh unconventional and discerning perspective From the foreword by Kiyoshi Kojima Terutomo Ozawa examines Japan's once celebrated post war economic success from a new perspective He applies a flying geese model of industrial upgrading in a country that is still catching up to explore the rise fall and rebound of Japanese industry with its evolving institutions and policies The book brings together and expands upon theories developed in the author's work over many years using them as building blocks for his flying geese model Concepts explored include economics of hierarchical concatenation increasing factor incongruity comparative advantage or market recycling the Ricardo Hicksian trap of industrial production Smithian growth elan triumvirate pro trade structural transformation knowledge creation versus knowledge diversion the price knowledge industry flow mechanism a la David Hume the syndrome of institutional incongruity and socially justifiable moral hazard versus degenerative moral hazard The dynamic process of industrial upgrading is analysed in detail and important lessons for both developing and transition economies are highlighted This fascinating book will attract a wide ranging readership encompassing practitioners and academics interested in international business economic development trade and political science In addition sociologists focussing on business and industry and researchers on and policymakers in developing and transition economies will also find this book of immense interest

The Rise and Fall of the East Asian Growth System, 1951-2000 Huang Xiaoming, 2004-11-10 Huang gives important and high quality research on the economic growth in East Asia from 1945 to the present assessing the various theories put forward to explain the phenomenon and appraising the various factors which have contributed to economic growth in East Asia

Japanese Saints John Patrick Hoffmann, 2007-01-01 Based on research in a small congregation in northern Japan and in depth interviews with foreign missionaries Japanese Saints is the first book to provide an in depth qualitative examination of what it is like to be a Japanese Mormon

The Nature of the Japanese State Brian J. McVeigh, 2013-09-13 Brian J McVeigh uses a unique anthropological approach to step outside flawed stereotypes of Japanese society and really engage in the current debate over the role of bureaucracy in Japanese politics To many in the West Japan appears as a paradox a rational high tech economic superpower and yet at the same time a deeply ritualistic and ceremonial society This adventurous new study demonstrates how these nominally conflicting impressions of Japan can be reconciled and a greater understanding of the state achieved

Arbitraging Japan Hirokazu Miyazaki, 2013-01-01 For many financial market professionals worldwide the era of high finance is over The times in which bankers and financiers were the primary movers and shakers of both economy and society have come to an abrupt halt What has this shift meant for the future of capitalism What has it meant for the future of the financial industry What about the lives and careers of financial operators who were once driven by utopian visions of economic social and personal transformation And what does it mean for critics of capitalism who have long predicted the end

of financial institutions Hirokazu Miyazaki answers these questions through a close examination of the careers and intellectual trajectories of a group of pioneering derivatives traders in Japan during the 1990s and 2000s **Japan's Budget Politics** Takaaki Suzuki,2000 What is the source of the increasing politicization of Japan's budgetary policy In this text Takaaki Suzuki explores this question finding answers in the interplay of domestic and international politics from the early 1970s through the 1990s **Japan's Financial Crisis** Jennifer Amyx,2013-10-31 At the beginning of the 1990s a massive speculative asset bubble burst in Japan leaving the nation's banks with an enormous burden of nonperforming loans Banking crises have become increasingly common across the globe but what was distinctive about the Japanese case was the unusually long delay before the government intervened to aggressively address the bad debt problem The postponed response by Japanese authorities to the nation's banking crisis has had enormous political and economic consequences for Japan as well as for the rest of the world This book helps us understand the nature of the Japanese government's response while also providing important insights into why Japan seems unable to get its financial system back on track 13 years later The book focuses on the role of policy networks in Japanese finance showing with nuance and detail how Japan's Finance Ministry was embedded within the political and financial worlds how that structure was similar to and different from that of its counterparts in other countries and how the distinctive nature of Japan's institutional arrangements affected the capacity of the government to manage change The book focuses in particular on two intervening variables that bring about a functional shift in the Finance Ministry's policy networks domestic political change under coalition government and a dramatic rise in information requirements for effective regulation As a result of change in these variables networks that once enhanced policymaking capacity in Japanese finance became paralyzing networks with disastrous results *Modern Japanese society / edited by Josef Kreiner, Ulrich Hohwald and Hans Dieter Olschleger.* Josef Kreiner,Ulrich Mèohwald,Hans Dieter Ölschleger,2004 Is Japanese society essentially different from other modern industrialized societies or not This survey work with contributions from the leading scholars in this complicated field presents a full overview of the most important aspects of Japanese society which may lead the reader to find an answer to these two often asked questions Japanese society defined as those institutions shaping the life of individuals and groups as well as being responsible for the dynamics of social development is shown to be as modern as any other industrialized society definitely distinct though are the ways in which institutions are defined and organised as a result of different social and historical roots of the process of modernization

The Japanese Economy and Economic Issues since 1945 Edward R. Beauchamp,2021-10-14 First Published in 1999 The best scholarship on the development of contemporary Japan This collection presents well over 100 scholarly articles on modern Japanese society written by leading scholars in the field These selections have been drawn from the most distinguished scholarly journals as well as from journals that are less well known among specialists and the articles represent the best and most important scholarship on their particular topic An understanding of the present through the lens of the

past The field of modern Japan studies has grown steadily as Westerners have recognized the importance of Japan as a leading world economic force and an emerging regional power The post 1945 economic success of the Japanese has however been achieved in the context of that nation's history social structure educational enterprise and political environment It is impossible to understand the postwar economic miracle without an appreciation of these elements Japan's economic emergence has brought about and in some cases exacerbated already existing tensions and these tensions have in turn had a significant impact on Japanese economic life The series is designed to give readers a basic understanding of modern Japan its institutions and its people as we stand on the threshold of a new century often referred to as the Pacific Century *Japan's Political Marketplace* J. Mark Ramseyer, Frances McCall Rosenbluth, 2009-06-01 Mark Ramseyer and Frances McCall Rosenbluth show how rational choice theory can be applied to Japanese politics Using the concept of principal and agent Ramseyer *The Economic Emergence of Modern Japan* Kozo Yamamura, 1997-06-13 *The Economic Emergence of Modern Japan* is a useful book for those interested in how Japan succeeded in transforming an agricultural economy into an advanced industrial economy This volume brings together chapters from *The Cambridge History of Japan* Volumes 5 and 6 and *The Cambridge Economic History of Europe* Volume 7 part 2 Each of the seven chapters written by leading specialists in Japanese economic history explains in an authoritative detailed analysis how institutions the behaviour of individuals and firms and official policies changed in order to enable Japan to accumulate capital adopt new technology ensure a skilled labour force and increase exports of manufactured goods The authors pay special attention to distinctive Japanese institutions and policies the effect of the Tokugawa legacy and the impact of various wars and the global economy

Comparative Economic Systems Richard L. Carson, 1997-12-30 This updated examination of transitional economies such as Russia and China draws on the experiences of other East European transforming economies It profiles the Japanese and Swedish economies as examples of capitalist systems and draws on the experiences of other Asian economies **Order By Accident** Alan Miller, 2018-02-19 While the consequences of low social order are well understood the consequences of high social order are not Yet perhaps nowhere in the world is social order so well developed as in Japan which is highly organized economically successful and enjoys a safe society However Japan pays a price the loss of personal freedom and the inability to exploit its citizens talents

Political Economy Of Japan By Shumpei Introduction

In today's digital age, the availability of Political Economy Of Japan By Shumpei books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Political Economy Of Japan By Shumpei books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Political Economy Of Japan By Shumpei books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Political Economy Of Japan By Shumpei versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Political Economy Of Japan By Shumpei books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Political Economy Of Japan By Shumpei books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Political Economy Of Japan By Shumpei books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Political Economy Of

Japan By Shumpei books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Political Economy Of Japan By Shumpei books and manuals for download and embark on your journey of knowledge?

FAQs About Political Economy Of Japan By Shumpei Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Political Economy Of Japan By Shumpei is one of the best book in our library for free trial. We provide copy of Political Economy Of Japan By Shumpei in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Political Economy Of Japan By Shumpei. Where to download Political Economy Of Japan By Shumpei online for free? Are you looking for Political Economy Of Japan By Shumpei PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Political Economy Of Japan By Shumpei. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Political Economy Of Japan By Shumpei are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library

for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Political Economy Of Japan By Shumpei. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Political Economy Of Japan By Shumpei To get started finding Political Economy Of Japan By Shumpei, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Political Economy Of Japan By Shumpei So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Political Economy Of Japan By Shumpei. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Political Economy Of Japan By Shumpei, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Political Economy Of Japan By Shumpei is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Political Economy Of Japan By Shumpei is universally compatible with any devices to read.
