A Critical Political Economy of the Middle East and North Africa Joel Beinin,Bassam Haddad,Sherene Seikaly,2020-12-22 This book offers the first critical engagement with the political economy of the Middle East and North Africa Challenging conventional wisdom on the origins and contemporary dynamics of capitalism in the region these cutting edge essays demonstrate how critical political economy can illuminate both historical and contemporary dynamics of the region and contribute to wider political economy debates from the vantage point of the Middle East Leading scholars representing several disciplines contribute both thematic and country specific analyses Their writings critically examine major issues in political economy notably the mutual constitution of states markets and classes the co constitution of class race gender and other forms of identity varying modes of capital accumulation and the legal political and cultural forms of their regulation relations among local national and global forms of capital class and culture technopolitics the role of war in the constitution of states and classes and practices and cultures of domination and resistance Visit politicaconomyproject.org for additional media and learning resources

The Political Economy of the Middle East, 1973-78 ,1980 *The Political Economy of Regional Cooperation in the Middle East* Ali Carkoglu,Mine Eder,Kemal Kirisci,2005-07-08 This book explores the current anatomy of regional cooperation and why it has often failed to take hold It offers an alternative view of politics and international relations in the Middle East The findings show that co operation between many of the more open regimes such as Israel Jordan Egypt Palestine and Turkey can pave the way to increased stability in the region The authors argue that focusing on international and regional factors alone is insufficient in explaining the prevailing instability in the region Instead they highlight domestic factors as crucial to understanding conflict and co operation in the Middle East Using many examples and looking particularly at Turkey s experiences this study shows why it is essential to mobilize domestic support for co operation amongst countries and regions of the Middle East Without such support from economic and social groups inter governmental co operation is less likely to last

The Political Economy of Middle East Peace Jerry W. Wright,1999 This book examines the political economy of the Middle Eastern peace process with a focus on the politics of trade and provides a valuable insight into the economics of the structures of peace

A Political Economy Of The Middle East 2E Alan Richards,John Waterbury,1996-09-12 This integrated analytic text presents a comprehensive analysis of the transformation of

the political economy of the entire contemporary Middle East region over the past several decades As did the first edition this new edition extensively rewritten and revised stresses how different development strategies have contributed to the creation of powerful interests that now often block needed change The book also retains its focus on the interaction of economic development processes state systems and social actors The revisions not only include much new data and evidence but also take into account emerging issues such as youth unemployment impending water shortages the experience with structural adjustment pressures for democratization and the rise of political Islam The authors also give special attention to the impact of such recent international events as the collapse of the oil boom the end of the Cold War and Operation Desert Storm

A Political Economy of the Middle East Alan Richards, John Waterbury, 2007-07-31 This integrated analytic text presents a comprehensive analysis of the transformation of the political economy of development in the contemporary Middle East over the past several decades Extensively rewritten and revised the third edition of A Political Economy of the Middle East retains a focus on the interaction of economic development processes state systems and social actors even as it also Documents the many changes in demography education labor markets urbanization water and agriculture and international labor migration in the Middle East in recent years Considers the effect of rising oil prices on reinforcement of authoritarian governance in the region Refines its assessment of the Washington Consensus to provide a more nuanced approach to the issue of the shifting balance of state and market in economic growth and reform in an entirely rewritten Chapter 9 Presents Islamism as a vital force in the region that is nonetheless a vast diverse social movement with many conflicting participants in a wholly revised Chapter 14

The Political Economy of Middle East Peace J.W. Wright, 2013 The Political Economy of Middle East Peace looks at the political economy of the Middle Eastern peace process with a focus on the politics of trade Contributors investigate the ways new commercial alliances develop as a result of economic agencies established via the Arab Israeli peace process and look at institutions which contribute to redirection of Arab intra and inter regional trade such as the Palestine Monetary Authority the Middle East Development Bank and free trade zone agencies in Aquaba and Dubai

The Middle East Oil Decade and Beyond Gad G. Gilbar, 1997 The sudden huge price hikes in Middle Eastern oil in late 1973 yielded almost overnight an enormous flow of resources to states and societies that could not have anticipated such instant affluence With this came unprecedented political power because of the control the oil states were able to maintain over oil production and prices until the second half of 1982 Thus though covering barely nine years the period may appropriately be dubbed the Oil Decade In this study of fundamental aspects of the oil decade Gad G Gilbar first examines the influence the production export and revenues of oil exerted on domestic regional and international relations This is followed by an in depth analysis of the expansion of higher education no doubt the single most significant social change the oil decade engendered Throughout the Arab world many new universities began opening their doors to an ever increasing number of students especially in the sciences and civil engineering Significant also was the proportion of women students

enrolling Finally the author traces how as of the early 1970s the official Arab boycott on goods manufactured in Israel was increasingly being circumvented and a wide range of agricultural and industrial products were beginning to find their way to customers in Arab states
