**The Politics of Defense Contracting** Gordon Adams, 2020-02-18 This is the first systematic study of the relationship between government and defense contractors examining in detail the political impact of the eight most powerful defense contractors. It details ways in which Boeing General Dynamics Grumman McDonnell Douglas Northrop Rockwell International and United Technologies influence government from their basic contract activity corporate structure and research efforts to their Washington offices Political Action Committee campaign contributions hiring of government personnel and membership on federal advisory committees. Adams concludes with specific recommendations for changes in disclosure requirements that would curb some of the political power corporations can wield. It also suggests specific ways in which the Iron Triangle can be made subject to wider congressional and public scrutiny. Democracy with Justice/La juste democratie Alain-G.

Gagnon, Brian Tanguay, 1992-05-15 The essays in this volume 22 in English 5 in French examine themes important to the late Professor Paltiel including individual vs collective rights constitutional change lobbying and modern Quebec politics.
