**Political Institutions in Contemporary France** Robert Elgie, 2003 *France's Political Institutions at 50* Emiliano Grossman, Nicolas Sauger, 2013-10-18 Fifty years after the creation of the Fifth Republic French politics is undergoing profound changes The election of Nicolas Sarkozy has announced a general review of the French political system A special committee the comit constitutionnel is currently drafting a catalogue of potential reforms Debates focus on issues like presidentialization parliamentary scrutiny of the executive or the creation of a popular initiative to trigger constitutional review of given legislative texts These discussions reflect long standing trends in the Fifth Republic This volume aims at analysing those trends and at outlining the major perspectives for future development In particular it puts the French political system in comparative perspectives and provides in depth analysis of the evolution of the major political institutions and their relations The volume argues that substantial reforms have helped to partially reshape French politics Yet it also shows that the fundamental characteristics of semi presidential government have stood firm The question is whether current debates and subsequent reforms are likely to alter the current pattern This book was published as a special issue of West European Politics

**Contemporary France** D. L. Hanley, A. P. Kerr, Miss A P Kerr, N. H. Waites, 2005-08-17 Many recent studies of French politics have tended to concentrate on the French political system in isolation Contemporary France aims to set the working of the French political system into its historical social and economic context The first section gives a succinct description of the main developments since 1944 in all major contexts economy society domestic politics and foreign relations The authors then analyse the economic social and cultural structures of present day France and discuss the institutional framework of decision making and the major political forces involved in it There are also chapters on French external and defence policy and on the education system all of which are set in the context of the political system as a whole Aimed primarily at students of European history and politics or of French society and culture the book assumes little knowledge in the social sciences and will be readily accessible to beginners in this field

**Contemporary France** Anne Sa'adah, 2003 Annotation Describing actors beliefs institutions and policies this introduction interprets contemporary democratic politics in France and explores why and with what political consequences so many people in France experience globalization as a harbinger of national decline Special attention is paid to the impact of historical legacies WWII and France's role in Europe The author teaches law and political science at Dartmouth College Annotation c 2003 Book News Inc Portland OR booknews com
