Political Mobilization Social Change T:

Political Violence, Crises and Revolutions (Routledge Revivals) Ekkart Zimmermann, 2013-04-15 First published in 1983 this extraordinary study provides a comprehensive systematic evaluation of cross national theorizing and quantitative empirical evidence on four interrelated phenomena Political violence Crises Military Coups D tat Revolutions Findings from social psychological research on aggression are integrated in this outstanding study as well as results reported in social historical studies of revolution The focus of the book is always on analytical perspectives and corresponding empirical evidence The author continually highlights the sociostructural and political conditions of political violence crises and revolutions This exceptionally detailed and systematic inventory of theories and research on a classic triad of political science political violence crises and revolutions also includes a remarkable bibliography encompassing over 3000 items Theories of Political Protest and Social Movements Karl-Dieter Opp, 2009-04-08 Political protest and social movements are ubiquitous phenomena This book focuses on the current theoretical approaches that aim at explaining them the theory of collective action the resource mobilization perspective political opportunity structure theory the identity approach the framing perspective and the dynamics of contention approach The book has three objectives 1 Many basic concepts like political opportunities or identity are not clearly defined It is further often a matter of interpretation what factors are supposed to affect which phenomena The first aim is therefore to provide a detailed introduction to and a clear restatement of the theories Only then is it possible to assess and improve them 2 For each theory the major strengths and weaknesses are discussed and various modifications and extensions are suggested 3 Building on these analyses it is shown how the theories can be integrated into a single theoretical paradigm the structural cognitive model **The Oxford Handbook of Political Participation** Marco Giugni, Maria Grasso, 2022-06-16 The Oxford Handbook of Political Participation provides the first comprehensive up to date treatment of political participation in all its varied forms investigates a wide range of topics in the field from both a theoretical and methodological perspective and covers the most recent developments in the area It brings together research traditions from political science and sociology bridging the gap in particular between political sociology and social movement studies contributions also draw on crucial work in psychology economics anthropology and geography Following a detailed introduction from the editors the volume is divided into nine parts that explore political participation across disciplines core theoretical perspectives methodological approaches modes of participation contexts determinants processes outcomes and current trends and future directions The book will be a valuable reference work for anyone interested in understanding political participation and related themes **Political Power and Social Theory** Julian Go, 2012-09-06 As economic stagnation freezes the globe capitalism is increasingly questioned war revolution and political instability unsettles the Middle East and President Obama's campaign for the Presidency looms Volume 23 of Political Power and Social Theory reflects on these and related issues and whether the concept of capitalism should be problemat

“Israeli-Arab” Political Mobilization N. Shoughry, 2012-05-07 This book examines the political mobilization of Israeli Arabs Palestinian citizens of Israel By examining the events context and effects of Land Day 1976 and Habbat October 2000 and combining them with original research and interviews the author presents fresh insights into Palestinian political mobilization against Israeli injustices

The Structure of Political Competition in Western Europe Zsolt Enyedi, Kevin Deegan-Krause, 2013-09-13 Is European party politics hovering above society Why do voters pick one party over others Is it a question of class Of religion Of attitudes about taxes or immigration or global warming Or is it something else entirely The Structure of Political Competition in Western Europe takes a detailed look at the ways in which Western Europe s party systems are anchored in social and ideological structures The book s first section focuses on the role of social structures particularly education class and religion and analyzes the complex interplay among these factors The second section addresses the ways that the sociological structures such as class and religion interact with voters values The third section examines the way that these structures and values shape the space of political competition among parties The conclusion integrates the findings of the empirical articles putting them into broader comparative perspective discussing whether relatively predictable structures have been overwhelmed by media driven spectacles political personalities and focus on short term economic performance This volume will appeal to scholars and graduate students in Europe and those from North America Asia and other regions who study European politics political parties cleavages and political behaviour This book was published as a special issue of West European Politics

The Oxford Handbook of Political Psychology Leonie Huddy, David O. Sears, Jack S. Levy, 2013-09-19 A revised version of this essential interdisciplinary handbook

Political Process and the Development of Black Insurgency Doug McAdam, 2010-05-15 In this classic work of sociology Doug McAdam presents a political process model that explains the rise and decline of the black protest movement in the United States Moving from theoretical concerns to empirical analysis he focuses on the crucial role of three institutions that foster protest black churches black colleges and Southern chapters of the NAACP He concludes that political opportunities a heightened sense of political efficacy and the development of these three institutions played a central role in shaping the civil rights movement In his new introduction McAdam revisits the civil rights struggle in light of recent scholarship on social movement origins and collective action A first rate analytical demonstration that the civil rights movement was the culmination of a long process of building institutions in the black community Raymond Wolters Journal of American History A fresh rich and dynamic model to explain the rise and decline of the black insurgency movement in the United States James W Lamare Annals of the American Academy of Political and Social Science

Collective Action and the Civil Rights Movement Dennis Chong, 2014-12-10 *Collective Action and the Civil Rights Movement* is a theoretical study of the dynamics of public spirited collective action as well as a substantial study of the American civil rights movement and the local and national politics that surrounded it In this major historical application of rational choice theory to a social movement Dennis Chong reexamines the problem of

organizing collective action by focusing on the social psychological and moral incentives of political activism that are often neglected by rational choice theorists Using game theoretic concepts as well as dynamic models he explores how rational individuals decide to participate in social movements and how these individual decisions translate into collective outcomes In addition to applying formal modeling to the puzzling and important social phenomenon of collective action he offers persuasive insights into the political and psychological dynamics that provoke and sustain public activism This remarkably accessible study demonstrates how the civil rights movement succeeded against difficult odds by mobilizing community resources resisting powerful opposition and winning concessions from the government *Oxford Handbook of Political Behavior* Russell J. Dalton, Hans-Dieter Klingemann, 2007 Assembles the world's leading scholars on public opinion and political behaviour to describe the state of the art research on the beliefs values and behaviours of contemporary politics

Political Mobilisation and Democracy in India Vernon Hewitt, 2007-11-05 This book addresses the paradox of political mobilization and the failings of governance in India with reference to the conflict between secularism and Hindu nationalism authoritarianism and democracy It demonstrates how the Internal Emergency of 1975 led to increased support of groups such as the BJS and the RSS accounting for the rise of political movements advocating Hindu nationalism Hindutva as a response to rapid political mobilization triggered by the Emergency and an attempt by political elites to control this to their advantage Vernon Hewitt argues that the political disjuncture between democracy and mobilization in India is partly a function of the Indian state the nature of a caste class based society but also and significantly the contingencies of individual leaders and the styles of rule He shows how in the wake of the Emergency the BJP and the RSS gained popularity and power amid the on going decline and fragmentation of the Congress whilst at the same time Hindu nationalism appeared to be of such importance that Congress began aligning themselves with the Hindu right for electoral gains The volume suggests that in the light of these developments the rise of the BJP should not be considered as remarkable or as transformative as was at first imagined

American Political Thought Jonathan Keller, Alex Zamalin, 2017-04-21 The twenty first century presents unique political challenges like increasing concern over racially based police brutality and mass incarceration continuing economic and gender inequality the rise of conservative and libertarian politics and the appropriate role of religion in American politics Current scholarship in American political thought research neither adequately responds to the contemporary moment in American politics nor fully captures the depth and scope of this rich tradition This collection of essays offers an innovative expansion of the American political tradition By exposing the major ideas and thinkers of the four major yet still underappreciated alternative traditions of American political thought African American feminist radical and conservative this book challenges the boundaries of American political thinking about such values like freedom justice equality democracy economy rights identity and the role of the state in American life These traditions the various authors show in different ways not only present a much fuller and more accurate characterization of what counts as American

political thought They are also especially unique for the conceptual resources they provide for addressing contemporary developments in American politics Offering an original and substantive interpretation of thinkers and movements American Political Thought will help students understand how to put American political thought into conversation with contemporary debates in political theory

Political Process and the Development of Black Insurgency, 1930-1970 Doug McAdam, 1982 In this classic work of sociology Doug McAdam presents a political process model that explains the rise and decline of the black protest movement in the United States Moving from theoretical concerns to empirical analysis he focuses on the crucial role of three institutions that foster protest black churches black colleges and Southern chapters of the NAACP He concludes that political opportunities a heightened sense of political efficacy and the development of these three institutions played a central role in shaping the civil rights movement In his new introduction McAdam revisits the civil rights struggle in light of recent scholarship on social movement origins and collective action A first rate analytical demonstration that the civil rights movement was the culmination of a long process of building institutions in the black community Raymond Wolters Journal of American History A fresh rich and dynamic model to explain the rise and decline of the black insurgency movement in the United States James W Lamare Annals of the American Academy of Political and Social Science

Globalism, Localism, and Identity Timothy O'Riordan, 2001 Distinguished international contributors look at the rapidly changing relationship between globalism and localism through a range of European case studies Global economic and social forces are affecting everyone but their influence is shaped by local identity history governance community cohesion The different patterns of change and the explanations for them are displayed and explained in this volume It makes an original and important contribution to the study of contemporary societies

The War on Poverty Annelise Orleck, Lisa Gayle Hazirjian, 2011-11-01 Lyndon Johnson's War on Poverty has long been portrayed as the most potent symbol of all that is wrong with big government Conservatives deride the War on Poverty for corruption and the creation of poverty pimps and even liberals carefully distance themselves from it Examining the long War on Poverty from the 1960s onward this book makes a controversial argument that the programs were in many ways a success reducing poverty rates and weaving a social safety net that has proven as enduring as programs that came out of the New Deal The War on Poverty also transformed American politics from the grass roots up mobilizing poor people across the nation Blacks in crumbling cities rural whites in Appalachia Cherokees in Oklahoma Puerto Ricans in the Bronx migrant Mexican farmworkers and Chinese immigrants from New York to California built social programs based on Johnson's vision of a greater more just society Contributors to this volume chronicle these vibrant and largely unknown histories while not shying away from the flaws and failings of the movement including inadequate funding co-optation by local political elites and blindness to the reality that mothers and their children made up most of the poor In the twenty first century when one in seven Americans receives food stamps and community health centers are the largest primary care system in the nation the War on Poverty is as relevant as ever This

book helps us to understand the turbulent era out of which it emerged and why it remains so controversial to this day

Inside the Carnival Wayne Parent, 2006-09-01 With both an entertainer's eye and a social scientist's rigor Wayne Parent subjects Louisiana's politics to rational and empirical analysis seeking and finding coherent reasons for the state's well known unique history He resists resorting to vague hand waving about exoticism while at the same time he brings to life the juicy stories that illustrate his points Parent's main theme is that Louisiana's ethnic mix natural resources and geography define a culture that in turn produces its unique political theater He gives special attention to immigration patterns and Louisiana's abundant supply of oil and gas as well as to the fascinating variations in political temperaments in different parts of the state Most important he delivers thorough and concise explanations of Louisiana's unusual legal system odd election rules overwrought constitutional history convoluted voting patterns and unmatched record of political corruption In a new epilogue Parent discusses how the hurricanes of 2005 will affect state politics and politicians as Louisiana struggles to regain its footing in the New South

Crowdsourced Politics Ariadne Vromen, Darren Halpin, Michael Vaughan, 2022-08-18 This book focuses on online petitioning and crowdfunding platforms to demonstrate the everyday impact that digital communications have had on contemporary citizen participation In doing so the book argues that crowdsourced participation has become normalised and institutionalised into the everyday repertoires of citizens and their organisations Within the digitally enabled shift in individual acts of participation creating signing and sharing online petitions and micro donations have become a focal point because of the clear evolution from their offline and online counterparts To illustrate their arguments the authors use an original nationally representative survey on acts of political engagement undertaken with Australian citizens Additionally through detailed interviews and analysis of their web presence they show how advocacy organisations use online petitions within their repertoire of strategic actions Lastly they analyse the kinds of policy issues that mobilise citizens on crowdsourcing platforms based on a unique dataset of 17 000 petitions from the popular non government platform Change.org They contrast these mass public concerns with the policy agenda of the government of the day to show there is a disjuncture and general lack of responsiveness to this form of citizen expression

1974 Annual Supplement Joan Schmitz Bergholt, 2013-12-21 **Religion and Political Culture in Kano** John N. Paden, 2023-11-15

This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1973

To Fulfill These Rights Amaka Okechukwu, 2019-09-03 In 2014 and 2015 students at dozens of colleges and universities held protests demanding increased representation of Black and Latino students and calling for a campus climate that was less hostile to students of color Their activism recalled an earlier era in the 1960s and 1970s widespread campus protest by Black and Latino students contributed to the development of affirmative action and open

admissions policies Yet in the decades since affirmative action has become a magnet for conservative backlash and in many cases has been completely dismantled In *To Fulfill These Rights* Amaka Okechukwu offers a historically informed sociological account of the struggles over affirmative action and open admissions in higher education Through case studies of policy retrenchment at public universities she documents the protracted but not always successful rollback of inclusive policies in the context of shifting race and class politics Okechukwu explores how conservative political actors liberal administrators and legislators and radical students have defined challenged and transformed the racial logics of colorblindness and diversity through political struggle She highlights the voices and actions of the students fighting policy shifts in on the ground accounts of mobilization and activism alongside incisive scrutiny of conservative tactics and messaging *To Fulfill These Rights* provides a new analysis of the politics of higher education centering the changing understandings and practices of race and class in the United States It is timely and important reading at a moment when a right wing Department of Justice and Supreme Court threaten the end of affirmative action

Political Mobilization Social Change T Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Political Mobilization Social Change T free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Political Mobilization Social Change T free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Political Mobilization Social Change T free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Political Mobilization Social Change T. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether

its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Political Mobilization Social Change T any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Political Mobilization Social Change T Books

1. Where can I buy Political Mobilization Social Change T books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
