Coalition Government, Subnational Style William M. Downs, 1998 Looks at parliamentary case studies of coalition governments in France Belgium and Germany raising concerns about individual and organizational behavior in changing institutional and electoral environments

**Terrorism, Risk and the Global City** Jon Coaffee, 2016-03-16 First published in 2003 this account of the anti terrorist measures of London s financial district and the changes in urban security after 9 11 has been revised to take into account developments in counter terrorist security and management particularly after the terrorist attack in London on July 7th 2005 It makes a valuable addition to the current debate on terrorism and the new security challenges facing Western nations Drawing on the post 9 11 academic and policy literature on how terrorism is reshaping the contemporary city this book explores the changing nature of the terrorist threat against global cities in terms of tactics and targeting and the challenge of developing city wide managerial measures and strategies Also addressed is the way in which London is leading the way in developing best practice in counter terrorist design and management and how such practice is being internationalized

**Terrorism, Risk and the City** Jon Coaffee, 2017-10-24 The development of defensive strategies encompassing the fortification and privatization of the city has attracted significant attention during recent years and has become particularly relevant in the aftermath of September 11th Dealing with issues of risk security and the spatial restructuring of contemporary western cities this book examines how the perceived risk of terrorist attack led to changes in the physical form and institutional infrastructure of the city of London during the 1990s when the city was a prime terrorist target The book analyses how the various formal and informal strategies adopted in the City attempted to reduce both the physical and financial risk of terrorism This was undertaken through a series of place specific security initiatives and risk management policies which led to increased fortification a substantial rise in terrorism insurance premiums and changing institutional relations at a variety of spatial scales It also argues that the security measures deployed were developed not in terms of an anti terrorist effort but in relation to the unintended by products of these approaches such as crime reduction and enhanced traffic management capabilities

**Political Parties and Coalitional Behaviour in Italy** Geoffrey Pridham, 2013-07-04 Coalitional behaviour is central to the Italian system of government but has been largely neglected by research As a result coalitions in post war Italy have been viewed as simply unstable short lived and incohesive In this book the author corrects this one sidedness by analysing Italian coalition politics as a continuous and dynamic process His comprehensive interpretative approach takes account of other new developments in coalition studies and relates his subject both to the literature on Italian politics and to the comparative study of party systems in liberal democracies An introductory section places Italian coalitional behaviour in a theoretical and comparative context This inductive framework is then used as a reference for examining the historical institutional motivational internal socio political and environmental dimensions of the

phenomenon      **Italy at the Polls 2022** Fabio Bordignon, Luigi Ceccarini, James L. Newell, 2023-06-17 Italian politics has changed course yet again Thanks to the outcome of the 2022 general election a coalition dominated for the first time by a party of the far right has taken office under Giorgia Meloni the first woman to serve as prime minister in Italy's republican history Italy has always been a kind of political laboratory for Western democracies one in which new political phenomena have developed with considerable potency Consequently the electoral analyses presented in this book make it possible for the reader to understand the challenges and related consequences that established democracies are currently facing beyond Italy      **Sociological Abstracts** Leo P. Chall, 2001 CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences The database provides abstracts of journal articles and citations to book reviews drawn from over 1 800 serials publications and also provides abstracts of books book chapters dissertations and conference papers      *Muhammad in the Digital Age* Ruqayya Yasmine Khan, 2015-11-15 The early twenty first century has experienced an unrivaled dissemination of information and misinformation about Islam its prophet Muhammad and its followers largely facilitated by the fact that the tragedy of 9 11 roughly coincided with the advent of the digital age In the first collection of its kind Ruqayya Khan has compiled essays that treat Muhammad and the core elements of Islam as focal points in an exploration of how the digital era including social media and other expressions have both had an effect on and been affected by Islam Scholars from a variety of fields deal with topics such as the 2005 cartoon controversy in Denmark and the infamous 2012 movie trailer *Innocence of Muslims* that some believe sparked the attacks on the US consulate in Benghazi as well as how the digitization of ancient texts have allowed the origins of Islam to be studied in new ways Other essays examine how Muhammad's wives have been represented in various online sources including a web comic the contrasting depictions of Muhammad as both a warrior and peacemaker and how the widespread distribution of the look of Islamic terrorists has led to attacks on Sikhs whose only point of resemblance to them may be a full beard These findings illuminate the role of the Internet in forms of representation advocacy and engagement concerning Islam and Muslims in our world today      *Political Science Abstracts*, 2013-03-07 The 1996 Supplement of Political Science Abstracts contains 10 000 carefully prepared abstracts of materials from public affairs magazines major newspapers professional journals and books devoted to politics and political analysis The organization of the proceeding volumes has been retained intact as has the recently added list of subdisciplinary descriptors Users of earlier volumes will be on familiar ground while those new to Political Science Abstracts will find the instructions on page ix easy to master CONTENTS Volume 1 This Volume How to Use This Supplement ix Political Science Subdisciplinary Descriptors xi Index of Terms xiii Abstracts of Documents in This Supplement Volume 2 Bibliographic Index to the Abstracts ABILITY MINNESOTA 821 Volume 3 Bibliographic Index to the Abstracts MINORITY ZULU 1565 Author Index 2119 List of Periodicals Abstracted in This Supplement 2121 HOW TO USE THIS SUPPLEMENT Three simple steps are all that are needed to introduce the user to this
