Political Parties In South Asia:

Parties and Political Change in South Asia James Chiriyankandath, 2016-04-14 Over the past seven decades and more political parties have become an essential feature of the political landscape of the South Asian subcontinent serving both as a conduit and product of the tumultuous change the region has experienced Yet they have not been the focus of sustained scholarly attention This collection focuses on different aspects of how major parties have been agents of and subject to change in three South Asian states India Pakistan and Sri Lanka examining some of the apparent paradoxes of politics in the subcontinent and covering issues such as gender religion patronage clientelism political recruitment and democratic regression Recurring themes are the importance of personalities and the corresponding neglect of institutionalisation and the lack of pluralism in intraparty affairs factors that render parties and political systems vulnerable to degeneration This book was published as a special issue of *Commonwealth and Comparative Politics* *Political Parties in South Asia* Subrata Mitra, 2004-08-30 Political parties are recognized as a highly important instrument for the functioning of democratic politics They are essential for state formation and the intermediation between the state and society This book is a pioneering attempt to discuss and analyze the complex variations of the party landscape in South Asia It pays special attention to the evaluation of the role of political parties in the creation of multicultural pluralist and democratic societies The contributions to this volume come from indigenous authors who bear the necessary contextual knowledge needed to analyze the political parties in South Asia This work helps explain why analytical concepts can provide explanations in some areas of this subject but fail in others It also argues that the political parties in South Asia should not be assessed only through criteria taken from western experience The material in this volume is sure to inform academic debate **Political Parties and the State in the Global South** Albertus Schoeman, 2024-10-14 This book introduces a new framework for understanding how the relationship between political parties and the state shapes the development of political parties party systems and democratic consolidation Drawing on comparative case studies spanning the Indian subcontinent Africa and East and Southeast Asia the book shows how the sequencing of state building and the development of political institutions can blur distinctions between political parties and the state with long term consequences for their respective development This includes understanding the effects of authoritarian and colonial legacies on shaping this relationship and the nature of interparty competition with significant consequences for public sector corruption political stability and the formation and institutionalisation of party systems This book will be of key interest to scholars and students of democratic development comparative politics party politics and institutional development in the Global South Religion and Politics in South Asia Ali Riaz, 2020-12-29 This revised edition of *Religion and Politics in South Asia* presents a comprehensive analysis of the interaction of religion and politics in Afghanistan Bangladesh India the Maldives Nepal Pakistan and Sri Lanka The book highlights that in recent decades religion religio political parties and religious rhetoric have become dominant features of the political scenes in all

seven countries By presenting each country s political system and the socio economic environment within which the interactions of religion and politics are taking place chapters explore various factors that affect both the lives of people in the region and global politics Designed in an easy to follow structure the book includes sections on the history and politics major religions and religious composition of the population legal and constitutional provisions regarding religion religious freedom and the treatment of minorities the political landscape and religio political parties and groups within the countries In doing so the book addresses concerns including the effects of religio political interactions on political stability human rights and the implications for internal and external security situations A timely contribution written by experts in their field this book is a useful guide to religion and politics and will be of interest to undergraduate and graduate students in South Asian politics Asian politics religion and politics history and international studies **Party Politics in Southeast Asia** Dirk

Tomsa,Andreas Ufen,2013 Contributing to the growing discourse on political parties in Asia this book looks at parties in Southeast Asia s most competitive electoral democracies of Indonesia Thailand and the Philippines It highlights the diverse dynamics of party politics in the region and provides new insights into organizational structures mobilizational strategies and the multiple dimensions of linkages between political parties and their voters The book focuses on the prominence of clientelistic practices and strategies both within parties as well as between parties and their voters It demonstrates that clientelism is extremely versatile and can take many forms ranging from traditional personalized relationships between a patron and a client to the modern reincarnations of broker driven network clientelism that is often based on more anonymous relations The book also discusses how contemporary political parties often combine clientelistic practices with more formal patterns of organization and communication thus raising questions about neat analytical dichotomies Straddling the intersection between political science and area studies this book is of interest to students and scholars of contemporary Southeast Asian politics and political scientists and Asian Studies specialists with a broader research interest in comparative democratization studies **Political Party Systems and Democratic Development in East and Southeast Asia**

Wolfgang Sachsenröder,Ulrike E. Frings,2018-08-16 First published in 1998 this is the second of two volumes which will be of great value to scholars and students of politics in East and Southeast Asia A rich readable reference tool they offer extensive surveys of the history structure culture legal context and financing as well as the progress travails and prospects of political parties and electoral systems in 13 countries The excellent introduction and the detailed country case studies demonstrate the wide range of political experiences in Asia Rather than affirm the thesis of a common set of Asian values hostile to democracy they show that in much of East and Southeast Asia people want the political choice and accountability that come from free and fair electoral competition with open effective political parties **Democratization in South Asia** Mahfuzul H. Chowdhury,2017-11-01 Title first published in 2003 Chowdhury looks at the problems of democratization and development as it relates to building democratic institutions in the newly democratizing countries such as Bangladesh India

and Pakistan **Pakistan's Political Parties** Mariam Mufti, Sahar Shafqat, Niloufer Siddiqui, 2020-05-01 Pakistan's 2018 general elections marked the second successful transfer of power from one elected civilian government to another a remarkable achievement considering the country's history of dictatorial rule Pakistan's Political Parties examines how the civilian side of the state's current regime has survived the transition to democracy providing critical insight into the evolution of political parties in Pakistan and their role in developing democracies in general Pakistan's numerous political parties span the ideological spectrum as well as represent diverse regional ethnic and religious constituencies The essays in this volume explore the way in which these parties both contend and work with Pakistan's military bureaucratic establishment to assert and expand their power Researchers use interviews surveys data and ethnography to illuminate the internal dynamics and motivations of these groups and the mechanisms through which they create policy and influence state and society Pakistan's Political Parties is a one of a kind resource for diplomats policymakers journalists and scholars searching for a comprehensive overview of Pakistan's party system and its unlikely survival against an interventionist military with insights that extend far beyond the region **Political Parties in South Asia: the Challenge of Change** K.C. Suri, 2007

Political Parties in the Pacific Islands Roland Rich, Luke Hambly, Michael G. Morgan, 2008-04-01 ANU E Press edition of work originally published by Pandanus Books While political parties remain an indispensable institutional framework for representation and governance in a democracy the democracies of many Pacific Islands nations are undermined by the weakness and inefficacy of their local political parties Addressing the implications of the lack of established party systems across the Pacific this collection seeks to illuminate the underlying assumptions and suppositions behind the importance of coherent and effective parties to overall democratic functioning Focusing on the political systems of East Timor Papua New Guinea Solomon Islands Vanuatu New Caledonia Fiji and Samoa the coherent structure of the volume makes it consistently useful as both an articulate analytical text and as a reference tool concerning the political composition history and direction of Pacific states Featuring contributions from scholars who are familiar names to even the most casual of Pacificists Political Parties in the Pacific is the benchmark reference work on the political parties of the Pacific an invaluable resource for students scholars and researchers of the Pacific and international politics Provided by publisher **Funding of Political Parties and Election Campaigns**, 2014-04-01 All political parties need funding to play their part in the political process yet the role of money in politics is arguably the biggest threat to democracy today This global threat knows no boundaries and is evident across all continents from huge corporate campaign donations in the United States and drug money seeping into politics in Latin America to corruption scandals throughout Asia and Europe Attempts to tackle these challenges through political finance laws and regulations are often undermined by a lack of political will or capacity as well as poorly designed and enforced measures This Handbook addresses the problems of money in politics by analysing political finance regulations around the world and providing guidance for reform The chapters are divided by region each assesses the current state of

regulations in relation to its challenges and offers a series of recommendations to tackle the identified shortcomings This contextual approach has the benefit of revealing regional trends and patterns An additional chapter focuses on gender reflecting the reality that women remain grossly under represented in politics and how the increasing influence of money in politics perpetuates this inequality Political Parties Gholamali Haddad Adel, Mohammad Jafar Elmi, Hassan Taromi-Rad, 2012-08-31 Over the past two centuries a wide array of political parties have emerged in Muslim nations to exert their influence on the political process The present book discusses the most influential of these political parties in Iran the Arab world Turkey and the former Ottoman Empire the Caucasus Afghanistan and the Indian subcontinent While this book primarily focuses on political parties which integrated Islamic thought into their ideologies it also discusses secular political movements such as Communism which wielded influence in the Islamic world This book is part of a series of translations from the Encyclopaedia of the World of Islam EWI which was originally compiled in Persian Other entries from this encyclopaedia which are available in English include Hadith Hawza yi Ilmiyya History and Historiography Muslim Organisations Qur'anic Exegeses Sufism and Education in the Islamic Civilisation The Institutionalisation of Political Parties in Postauthoritarian Indonesia From the Grass-roots Up Ulla Fionna, **Political Parties, Party Systems and Democratisation in East Asia** Liang Fook Lye, Wilhelm Hofmeister, 2011 Some fledgling democracies in the world have encountered setbacks due to political parties trying to grapple with the expectations of sophisticated electorates and introducing gradual political reforms over the years This book describes how democracy is evolving in East Asia and how it assumes different forms in different countries with political parties adapting and evolving alongside It has a two fold intent First it contends that the existing variety of party systems in East Asia will endure and may even flourish rather than converge as liberal democracies Second it highlights the seeming political durability of one party systems unlike two part or multi party systems in the US and Europe and their enduring predominance in countries such as Cambodia China Singapore and Vietnam Vietnam Electoral, Political Parties Laws and Regulations Handbook - Strategic Information, Regulations, Procedures IBP, Inc., 2015-06 Vietnam Electoral Political Parties Laws and Regulations Handbook Strategic Information Regulations Procedures **Routledge Handbook of Islam in Southeast Asia** Syed Muhammad Khairudin Aljunied, 2022-03-03 This handbook explores the ways in which Islam as one of the fastest growing religions has become a global faith for both Muslims and non Muslims in Southeast Asia with its universality inclusivity and shared features with other Islamic expressions and manifestations It offers an up to date wide ranging comprehensive concise and readable introduction to the field of Islam in Southeast Asia With specific themes of pertinent contemporary relevance the contributions by experts in the field provide fresh insights into the roles of states societies scholars social movements political parties economic institutions sacred sites and other forces that structured the faith over many centuries The handbook is structured in three parts Muslim Global Circulations Marginal Narratives Refashioning Pieties This handbook

stands out as a single and synergistic reference work that explores the ebb and flow of Islam seeking to decenter many existing assumptions about it in Southeast Asia It will be an indispensable resource for scholars students and policymakers working on Islam Muslims and their interactions with other communities in a plural setting Oswaal CBSE & NCERT One for All Class 10 Social Science | With Topic Wise Notes For 2025 Board Exam Oswaal Editorial Board,2024-05-21 Description of the product 1 NCERT Textbook Exemplar for Concepts Recall 2 Previous Years Questions for Exam Trends Insights 3 Competency Based Questions for Holistic Skill Development 4 NEP Compliance with Artificial Intelligence Art Integration
