

Political Questions In The Courts A Juridical Function In Democracies Israel

Gregory S. Mahler

Political Questions In The Courts A Juridical Function In Democracies Israel:

Political Questions in the Courts Yaacov S. Zemach, 1976 Judicial Power and National Politics, Second Edition Patricia J. Woods, 2017-02-21 In *Judicial Power and National Politics* Second Edition Patricia J Woods returns to an issue that has only grown in relevance since the first edition's publication in 2008 the religious secular conflict in Israel The first edition focused on the role that courts and justices play in deeply charged political battles In the last quarter of the twentieth century social groups turned to the judicial arm of the state in an effort to force the state to change its laws and policies on religious personal status law or family law Through an extensive case study of the interactions of the women's movement with the High Court of Justice Woods argues that the most important determining factor explaining when why and how national courts enter into the world of divisive politics is found in the intellectual or judicial communities with whom justices live work and think about the law The interaction among members of this community over time culminates in new legal norms This second edition takes into account what has happened in the past decade with public debate over religion and the state moving away from the court and into the realm of popular politics on the Knesset floor in the media in shopping malls and on the streets Included for the first time is the dataset for the author's national survey of women's movement volunteers

The Cambridge Companion to Judaism and Law Christine Hayes, 2017-02-17 The *Cambridge Companion to Judaism and Law* provides a conceptual and historical account of the Jewish understanding of law **The Occupation of Justice** David Kretzmer, Yaël Ronen, 2021-02-12 Judicial review by Israel's Supreme Court over actions of Israeli authorities in the territories occupied by Israel in 1967 is an important element in Israel's legal and political control of these territories The *Occupation of Justice* presents a comprehensive discussion of the Court's decisions in exercising this review This revised and expanded edition includes updated material and analysis as well as new chapters Inter alia it addresses the Court's approach to its jurisdiction to consider petitions from residents of the Occupied Territories justiciability of sensitive political issues application and interpretation of the international law of belligerent occupation in general and the Fourth Geneva Convention in particular the relevance of international human rights law and Israeli constitutional law the rights of Gaza residents after the withdrawal of Israeli forces and settlements from the area Israeli settlements and settlers construction of the separation barrier in the West Bank security measures including internment interrogation practices and punitive house demolitions and judicial review of hostilities The study examines the inherent tension involved in judicial review over the actions of authorities in a territory in which the inhabitants are not part of the political community the Court belongs to It argues that this tension is aggravated in the context of the West Bank by the glaring disparity between the norms of belligerent occupation and the Israeli government's policies The study shows that while the Court's review has enabled many individuals to receive a remedy it has largely served to legitimise government policies and practices in the Occupied Territories

Judicial Activism in Bangladesh Ridwanul Hoque, 2011-01-18 This book critically examines the evolving global trend of

judicial activism with particular reference to Bangladesh It constructs judicial activism as a golden mean adjudicative technology standing between excessive judicial assertion and unacceptable judicial passivity that may leave injustices unredressed It argues that judicial balancing between over activism and meek administration of justice should essentially be predicated upon domestic conditions and the needs and fundamental public values of the judges respective society Providing cross jurisdictional empirical evidence the study demonstrates that judicial activism steered towards improving justice and grounded in one s societal specificities can be exercised in a morally and legally legitimate form and without rupturing the balance of powers among the state organs This study has sought to displace the myth of judicial activism as constitutional transgression by unelected judges arguing that judicial activism is quite different from excessivism It is argued and shown that a particular judge or judiciary turns out to be activist when other public functionaries avoid or breach their constitutional responsibilities and thus generate injustice and inequality The study treats judicial activism as the conscientious exposition of constitutional norms and enforcement of public duties of those in positions of power The study assesses whether Bangladeshi judges have been striking the correct balance between over activism and injudicious passivity Broadly the present book reveals judicial under activism in Bangladesh and offers insights into causes for this It is argued that the existing milieu of socio political injustices and over balance of constitutional powers in Bangladesh calls for increased judicial intervention and guidance of course in a balanced and pragmatic manner which is critical for good governance and social justice Writing about judicial activism easily gets shackled by fussy and pedestrian debates about what judges may or may not do as unelected agents of governance The book goes much beyond such reductionist pedestrianisation of law for it courageously lifts the debate into the skies of global legal realism The analysis perceptively addresses bottlenecks of justice identifying shackles and mental blocks in our own minds against activating concerns for justice for the common citizen Prof Werner Menski Foreword *The Politics of Judicial Independence* Bruce Peabody, 2011 2011 Winner of the Selection for Professional Reading List of the U S Marine Corps The judiciary in the United States has been subject in recent years to increasingly vocal aggressive criticism by media members activists and public officials at the federal state and local level This collection probes whether these attacks as well as proposals for reform represent threats to judicial independence or the normal even healthy operation of our political system In addressing this central question the volume integrates new scholarship current events and the perennial concerns of political science and law The contributors policy experts established and emerging scholars and attorneys provide varied scholarly viewpoints and assess the issue of judicial independence from the diverging perspectives of Congress the presidency and public opinion Through a diverse range of methodologies the chapters explore the interactions and tensions among these three interests and the courts and discuss how these conflicts are expressed and competing interests accommodated In doing so they ponder whether the U S courts are indeed experiencing anything new and whether anti judicial rhetoric affords fresh insights Case studies from Israel the

United Kingdom and Australia provide a comparative view of judicial controversy in other democratic nations A unique assessment of the rise of criticism aimed at the judiciary in the United States The Politics of Judicial Independence is a well organized and engagingly written text designed especially for students Instructors of judicial process and judicial policymaking will find the book along with the materials and resources on its accompanying website readily adaptable for classroom use *Courts, Politics, and Culture in Israel* Martin Edelman,1994 Moreover Israel lacks the organizing structure and directing force provided by a written constitution **Beyond the Death of God** Simone Raudino,Patricia Sohn,2022-05-26 This volume offers a nuanced picture with specific instances of religion and politics in Muslim Jewish Christian Buddhist and Hindu contexts broadly presenting the phenomenon of religion and politics via country and thematic case studies Qualitative quantitative material philosophical and theological analyses draw upon social theory to show how and why religion matters deeply in each time and place The authors and contributors demonstrate that religion is a significant force that drives societies and politics around the world and that a radical change in the Western understanding of value driven global politics is needed Beyond the Death of God offers new local voices to Western audiences through essays that suggest the need for an appreciation of Divinity as a quintessence holding a significant place in the hearts minds social orders and political organization of politics around the world **Israel's Higher Law** Steven V. Mazie,2006-01-01 In Israel s Higher Law Steven V Mazie sheds new light on the relationship between liberalism and religion through a detailed assessment of the Jewish state Drawing on in depth interviews with Israeli citizens this compelling work scrutinizes the ways in which Israelis conceptualize and debate their polity s religion state arrangement Judicial Review and Electoral Law in a Global Perspective Cristina Fasone,Edmondo Mostacci,Graziella Romeo,2024-03-21 This book fills a gap in constitutional law by examining the global trend towards the substantive constitutional adjudication of electoral legislation It explores the premises on which this judicial scrutiny is grounded seeks to explain the trend and examines its consequences for representative democracy The book offers a comparative analysis of the issue investigating how the exchange of models and arguments among judges has catalysed the progressive departure from a traditionally deferential approach to electoral norms an approach that still persists in a few jurisdictions To accomplish this the book delves into the democratic foundations of electoral systems and their evolution It also explores the methodological choices that constitutional judges face when dealing with electoral legislation This groundwork sets the stage for an in depth review of case law in more than fifteen legal systems spanning North and South America Africa Asia Oceania and Europe The objective is to identify the underlying concept of democracy that courts aim to promote The authors critically discuss the varying ideas of democracy evident in each jurisdiction including the use of constitutional borrowing and they analyse the effects of judgments on the relationship between courts representative institutions and voters Given its global scope the combination of theoretical and practical approaches and the comprehensive comparative assessment it provides this work is of interest to academics in the

fields of law political science and philosophy It is also relevant for policymakers and judges in constitutional democracies across continents

An Almanac of Contemporary Characterisation of Judicial Restatements -Annotated with Treaties, Statutes, Rules and Commentaries 'lai Oshitokunbo Oshisanya,2025-09-09 JuriScience is an approach through systematic study of the structure of legal phenomena in the law of nature from the perspective of philosophy of science to inform by exploration of formulas relations or order of phenomena as held in the world under stipulated set of conditions either universally or in a stated proportion of formalised categories in this jurisprudential version

The Judge in a Democracy Aharon Barak,2009-01-10 Whether examining election outcomes the legal status of terrorism suspects or if or how people can be sentenced to death a judge in a modern democracy assumes a role that raises some of the most contentious political issues of our day But do judges even have a role beyond deciding the disputes before them under law What are the criteria for judging the justices who write opinions for the United States Supreme Court or constitutional courts in other democracies These are the questions that one of the world s foremost judges and legal theorists Aharon Barak poses in this book In fluent prose Barak sets forth a powerful vision of the role of the judge He argues that this role comprises two central elements beyond dispute resolution bridging the gap between the law and society and protecting the constitution and democracy The former involves balancing the need to adapt the law to social change against the need for stability the latter judges ultimate accountability not to public opinion or to politicians but to the internal morality of democracy Barak s vigorous support of purposive interpretation interpreting legal texts for example statutes and constitutions in light of their purpose contrasts sharply with the influential originalism advocated by U S Supreme Court Justice Antonin Scalia As he explores these questions Barak also traces how supreme courts in major democracies have evolved since World War II and he guides us through many of his own decisions to show how he has tried to put these principles into action even under the burden of judging on terrorism

Constitutional Democracy in Crisis? Mark A. Graber,Sanford Levinson,Mark Tushnet,2018-08-23 Is the world facing a serious threat to the protection of constitutional democracy There is a genuine debate about the meaning of the various political events that have for many scholars and observers generated a feeling of deep foreboding about our collective futures all over the world Do these events represent simply the normal ebb and flow of political possibilities or do they instead portend a more permanent move away from constitutional democracy that had been thought triumphant after the demise of the Soviet Union in 1989 Constitutional Democracy in Crisis addresses these questions head on Are the forces weakening constitutional democracy around the world general or nation specific Why have some major democracies seemingly not experienced these problems How can we as scholars and citizens think clearly about the ideas of constitutional crisis or constitutional degeneration What are the impacts of forces such as globalization immigration income inequality populism nationalism religious sectarianism Bringing together leading scholars to engage critically with the crises facing constitutional democracies in the 21st century these essays diagnose the causes of the

present afflictions in regimes regions and across the globe believing at this stage that diagnosis is of central importance as Abraham Lincoln said in his House Divided speech If we could first know where we are and whither we are tending we could then better judge what to do and how to do it

The Handbook of Israel's Political System Itzhak Galnoor,Dana Blander,2018-04-30 There is growing interest in Israel s political system from all parts of the world This Handbook provides a unique comprehensive presentation of political life in Israel from the formative pre state period to the present The themes covered include political heritage and the unresolved issues that have been left to fester the institutional framework the Knesset government judiciary presidency the state comptroller and commissions of inquiry citizens political participation elections political parties civil society and the media the four issues that have bedevilled Israeli democracy since its establishment security state and religion the status of Israel s Arab citizens and economic inequities with concomitant social gaps and the contours of the political culture and its impact on Israel s democracy The authors skilfully integrate detailed basic data with an analysis of structures and processes making the Handbook accessible to both experts and those with a general interest in Israel

Judicial Independence: Cornerstone of Democracy Shimon Shetreet,Hiram Chodosh,2024-04-22 This book is an academic continuation of the previous five volumes on judicial independence edited by Shimon Shetreet with others Jules Deschenes Christopher Forsyth Wayne McCormack Hiram E Chodosh and Eric Helland all books were published by Brill Nijhoff Judicial Independence The Contemporary Debate 1985 The Culture of Judicial Independence Conceptual Foundations and Practical Challenges 2012 The Culture of Judicial Independence Rule of Law and World Peace 2014 The Culture of Judicial Independence in a Globalised World 2016 Challenged Justice In Pursuit of Judicial Independence 2021 This volume offers studies by distinguished scholars and judges from different jurisdictions on numerous dimensions regarding the essential role of judicial independence in democracy It includes analyses of basic constitutional principles and contemporary issues of judicial independence and judicial process in many jurisdictions and analyses of international standards of judicial independence and judicial ethics You can find a podcast of this book here Brill Nijhoff Lawcast

The Justiciability of International Disputes Solon Solomon,2009

Politics and Government in Israel Gregory S. Mahler,2016-03-03 This balanced and comprehensive text explores Israeli government and politics from both institutional

and behavioral perspectives After briefly discussing Israel's history and the early development of the state Gregory Mahler then examines the social religious economic cultural and military contexts within which Israeli politics takes place He makes special note of Israel's geopolitical situation of sharing borders with and being proximate to several hostile Arab nations The book explains the operation of political institutions and behavior in Israeli domestic politics including the constitutional system and ideology parliamentary government the prime minister and the Knesset political parties and interest groups the electoral process and voting behavior and the machinery of government Mahler also considers Israel's foreign policy setting and apparatus the Palestinians and the Israeli Palestinian conflict the particularly sensitive questions of Jerusalem and the Israeli settlement movement and the Middle East peace process overall This clear and concise text provides an invaluable starting point for all readers needing a cogent introduction to Israel today

The Global Expansion of Judicial Power C Neal Tate, Torbjorn Vallinder, 1997-06-01 Essays examining the trend of expanding judicial powers in government around the world In Russia as the confrontation over the constitutional distribution of authority raged Boris Yeltsin's economic program regularly wended its way in and out of the Constitutional Court until Yeltsin finally suspended that court in the aftermath of his clash with the hardline parliament In Europe French and German legislators and executives now routinely alter desired policies in response to or in anticipation of the pronouncements of constitutional courts In Latin America and Africa courts are or will be important participants in ongoing efforts to establish constitutional rules and policies protect new or fragile democracies from the threats of military intervention ethnic conflict and revolution This global expansion of judicial power or judicialization of politics is accompanied by an increasing domination of negotiating or decision making arenas by quasi judicial procedures For better or for worse the judicialization of politics has become one of the most significant trends of the end of the millennium In this book political scientists legal scholars and judges around the world trace the intellectual origins of this trend describe its occurrence or lack of occurrence in specific nations analyze the circumstances and conditions that promote or retard judicialization and evaluate the phenomenon from a variety of intellectual and ideological perspectives

Political Questions In The Courts A Juridical Function In Democracies Israel Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Political Questions In The Courts A Juridical Function In Democracies Israel free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Political Questions In The

Courts A Juridical Function In Democracies Israel free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Political Questions In The Courts A Juridical Function In Democracies Israel free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Political Questions In The Courts A Juridical Function In Democracies Israel. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Political Questions In The Courts A Juridical Function In Democracies Israel any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Political Questions In The Courts A Juridical Function In Democracies Israel Books

1. Where can I buy Political Questions In The Courts A Juridical Function In Democracies Israel books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
