**Garrett Ward Sheldon**

## Political Thought Of William Ockham:

**The Political Thought of William Ockham** Arthur Stephen McGrade, 2002-08-08 The English Franciscan William of Ockham c 1285 1349 was one of the most important thinkers of the later middle ages This book provides a coherent account of Ockham's aims and the principles operating in all his political works The political thought of William of Ockham Arthur Stephen McGrade, 1974 The Political Thought of William of Ockham Arthur Stephen Macgrade, 1976 *Western Political Thought* Robert Eccleshall, Michael Kenny, 1995 This is a guide to the vast amount of literature on the history of political thought which has appeared in English since 1945 The editors provide an annotation of the content of many entries and where appropriate indicate their significance controversial nature and readability **The Political Thought of William of Ockham** John S. Chapin, 1940 **A History of Political Thought** Janet Coleman, 2000-06-22 This volume continues the story of European political theorising by focusing on medieval and Renaissance thinkers It includes extensive discussion of the practices that underpinned medieval political theories and which continued to play crucial roles in the eventual development of early modern political institutions and debates The author strikes a balance between trying to understand the philosophical cogency of medieval and Renaissance arguments on the one hand elucidating why historically suited medieval and Renaissance thinkers thought the ways they did about politics and why we often think otherwise **William of Ockham: 'A Letter to the Friars Minor' and Other Writings** William of Ockham, 1995-09-28 The key ideas on authority of a powerful and historically important thinker *Encyclopedia of Political Thought* Garrett Ward Sheldon, 2001 Presents articles on concepts issues and notable persons related to politics and political science throughout history **William of Ockham's Early Theory of Property Rights in Context** Jonathan William Robinson, 2012-11-23 William of Ockham's ca 1288 1347 *Opus nonaginta dierum* has long been of interest to historians for his theory of rights Yet the results of this interest has been uneven because most studies do not take sufficient account of the defences of Franciscan poverty already articulated by his fellow Franciscans Bonagratia of Bergamo Michael of Cesena and Francis of Marchia This book therefore presents and analyzes Ockham's account of property rights alongside those of his confreres This contextualization of Ockham's theory corrects many misconceptions about his theory of property natural law and natural rights and therefore also provides a new foundation for studies of his political oeuvre intellectual development and significance as a political theorist A World History of Political Thought James Babb, 2025-02-12 In this revised and improved second edition of *A World History of Political Thought* the comprehensive comparative analysis of political thought from 600 BC to the present day is given even more depth and context The result is an intriguing and accessible journey through world history and culture **William of Ockham's Early Theory of Property Rights in Context** Jonathan Robinson, 2012-11-23 This book analyzes William of Ockham's early theory of property rights alongside those of his fellow dissident Franciscans paying careful attention to each friar's use of Roman and civil law which provided the conceptual building blocks of the poverty controversy

**The Common Good in Late Medieval Political Thought** M. S. Kempshall, 1999-05-20 This study offers a major reinterpretation of medieval political thought by examining one of its most fundamental ideas If it was axiomatic that the goal of human society should be the common good then this notion presented at least two conceptual alternatives Did it embody the highest moral ideals of happiness and the life of virtue or did it represent the more pragmatic benefits of peace and material security Political thinkers from Thomas Aquinas to William of Ockham answered this question in various contexts In theoretical terms they were reacting to the rediscovery of Aristotle's Politics and Ethics an event often seen as pivotal in the history of political thought On a practical level they were faced with pressing concerns over the exercise of both temporal and ecclesiastical authority resistance to royal taxation and opposition to the jurisdiction of the pope In establishing the connections between these different contexts The Common Good questions the identification of Aristotle as the primary catalyst for the emergence of the individual and a secular theory of the state Through a detailed exposition of scholastic political theology it argues that the roots of any such developments should be traced instead to Augustine and the Bible

**Comprehensive History of Political Thought** N. Jayapalan, 2001 The Study Covers Different Phases Of The History Of Political Thought In A Detailed Manner It Examines Skillfully The Views And Achievements Of Various Political Thinkers From Plato To Russell Of 20Th Century The First Chapter Deals With Ideas And Accomplishments Of Plato In The Second Chapter The Political Thoughts Of Aristotle Have Been Given In An Exhaustive And Elaborate Way The Following Chapters Throw Light In Detail On The Thinking Of Many Political Thinkers Like Polybius Cicero St Aquinas Dante Marsiglio Ockham Machiavelli Bodin Grotius Hoppes Spinoza Locke Vico Montesquieu Voltaire Hume Rousseau Kant Burke Paine Bentham Fichte Hegel Mill Austin J S Mill Lenin Stalin Engels Spencer Green Bradley Bosanquet Wallas Mcdougall Bagehot H J Laski And Other Philosophers The Book Gives Special Importance To The Political Thoughts Of Karl Marx Gandhiji And Mao It Is Designed To Meet The Requirements Of The Students The Common Readers Will Also Find The Book Quite Interesting And Comprehensible

**Medieval Political Theory: A Reader** Kate Langdon Forhan, Cary Joseph Nederman, 2013-07-23 A textbook anthology of important works of political thought revealing the development of ideas from the 12th to the 15th centuries Includes new translations of both well known and ignored writers and an introductory overview

**The Birth of Territory** Stuart Elden, 2013-09-09 Political theory professor Stuart Elden explores the history of land ownership and control from the ancient to the modern world in The Birth of Territory Territory is one of the central political concepts of the modern world and indeed functions as the primary way the world is divided and controlled politically Yet territory has not received the critical attention afforded to other crucial concepts such as sovereignty rights and justice While territory continues to matter politically and territorial disputes and arrangements are studied in detail the concept of territory itself is often neglected today Where did the idea of exclusive ownership of a portion of the earth's surface come from and what kinds of complexities are hidden behind that seemingly straightforward definition The Birth of Territory provides a detailed account

of the emergence of territory within Western political thought Looking at ancient medieval Renaissance and early modern thought Stuart Elden examines the evolution of the concept of territory from ancient Greece to the seventeenth century to determine how we arrived at our contemporary understanding Elden addresses a range of historical political and literary texts and practices as well as a number of key players historians poets philosophers theologians and secular political theorists and in doing so sheds new light on the way the world came to be ordered and how the earth's surface is divided controlled and administered *The Birth of Territory* is an outstanding scholarly achievement a book that already promises to become a classic in geography together with very few others published in the past decades Political Geography An impressive feat of erudition American Historical Review *Tax Law, Religion, and Justice* Allen Calhoun, 2021-03-08 This book asks why tax policy is both attracted to and repelled by the idea of justice Accepting the invitation of economist Henry Simons to acknowledge that tax justice is a theological concept the work explores theological doctrines of taxation to answer the presenting question The overall message of the book is that taxation is an instrument of justice but only when taxes take into account multiple goods in society the requirements of the government the property rights of society's members and the material needs of the poor It is argued that this answer to the presenting question is a theological and ethical answer in that it derives from the insistence of Christian thinkers that tax policy take into account material human need *necessitas* Without the *necessitas* component of the tax balance tax systems end up honoring only one of the three components of the tax equation and cease to reflect a coherent idea of justice The book will be of interest to academics and researchers working in the areas of tax law economics theology and history *Rethinking Medieval and Renaissance Political Thought* Chris Jones, Takashi Shogimen, 2023-06-16 This collection of essays written by leading experts showcases historiographical problems fresh interpretations and new debates in medieval and Renaissance history and political thought Recent scholarship on medieval and Renaissance political thought is witness to tectonic movements These involve quiet yet considerable re-evaluations of key thinkers such as Thomas Aquinas and Machiavelli as well as the string of lesser known political thinkers who wrote in western Europe between Late Antiquity and the Reformation Taking stock of thirty years of developments this volume demonstrates the contemporary vibrancy of the history of medieval and Renaissance political thought By both celebrating and challenging the perspectives of a generation of scholars notably Cary J Nederman it offers refreshing new assessments The book re-introduces the history of western political thought in the Middle Ages and the Renaissance to the wider disciplines of History and Political Science Recent historiographical debates have revolutionized discussion of whether or not there was an Aristotelian revolution in the thirteenth century Thinkers such as Machiavelli and Marsilius of Padua are read in new ways less well known texts such as the Irish *On the Twelve Abuses of the Age* offer new perspectives Further the collection argues that medieval political ideas contain important lessons for the study of concepts of contemporary interest such as toleration The volume is an ideal resource for both students and scholars interested in

medieval and Renaissance history as well as the history of political thought      **Political Theology the “Modern Way”**  
 Shaun Retallick, 2023-12-18 In *Political Theology the Modern Way* The Case of Jacques Almain d 1515 Shaun Retallick provides the first monograph on this late medieval philosopher theologian and conciliarist and his thought He demonstrates that Almain s political theology of which ecclesiology is a sub discipline is strongly impacted by the *Via moderna* At the heart of his political theology is the individual and his or her will Yet the individual is rarely viewed in isolation from others there is a strong emphasis on community and on the religious and secular bodies through which it is realized But these bodies including the Church are understood in collectivist rather than corporatist terms which tends to a quite radical form of conciliarism      *Political Theology of International Order* William Bain, 2020-04-09 Is contemporary international order truly a secular arrangement Theorists of international relations typically adhere to a narrative that portrays the modern states system as the product of a gradual process of secularization that transcended the religiosity of medieval Christendom William Bain challenges this narrative by arguing that modern theories of international order reflect ideas that originate in medieval theology They are in other words worldly applications of a theological pattern This ground breaking book makes two key contributions to scholarship on international order First it provides a thorough intellectual history of medieval and early modern traditions of thought and the way in which they shape modern thinking about international order It explores the ideas of Augustine Thomas Aquinas William of Ockham Martin Luther and other theologians to rise above the sharp differentiation of medieval and modern that underpins most international thought Uncovering this theological inheritance invites a fundamental reassessment of canonical figures such as Hugo Grotius and Thomas Hobbes and their contribution to theorizing international order Second this book shows how theological ideas continue to shape modern theories of international order by structuring the questions theorists ask as well as the answer they provide It argues that the dominant vocabulary of international order system and society anarchy balance of power and constitutionalism is mediated by the intellectual commitments of nominalist theology It concludes by exploring the implications of thinking in terms of this theological inheritance albeit in a world where God is only one of several possibilities that can called upon to secure the regularity of order      **The English Province of the Franciscans (1224-c.1350)** ,2017-04-03 This volume explores the rich diversity of the Franciscan contribution to the life of the order and its ministry throughout England between 1224 and c 1350 The 21 contributions examine the friars impact across the different strata of English society from the parish churches the missions the royal courts and the universities Friars were ubiquitous in England throughout this period and they participated in various programmes of renewal Contributors are in order of appearance Amanda Power Philippa M Hoskin Jens R hrkasten Michael F Custato OFM Michael W Blastic OFM Jean Fran ois Godet Calogeras Peter V Loewen Lesley Smith Eleonora Lombardo Nigel Morgan Cecilia Panti Hubert Philipp Weber Timothy J Johnson Mary Beth Ingham CSJ Takashi Shogimen Susan J Ridyard Michael J Haren Christian Steer Anna Campbell and Michael J P Robson

This is likewise one of the factors by obtaining the soft documents of this **Political Thought Of William Ockham** by online. You might not require more get older to spend to go to the books creation as with ease as search for them. In some cases, you likewise accomplish not discover the message Political Thought Of William Ockham that you are looking for. It will unquestionably squander the time.

However below, next you visit this web page, it will be for that reason definitely simple to get as competently as download guide Political Thought Of William Ockham

It will not endure many get older as we run by before. You can complete it even though perform something else at home and even in your workplace. appropriately easy! So, are you question? Just exercise just what we present below as well as evaluation **Political Thought Of William Ockham** what you like to read!

## Political Thought Of William Ockham Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Political Thought Of William Ockham PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze.

This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Political Thought Of William Ockham PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Political Thought Of William Ockham free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
