Political Atlas of Illinois Paul Kleppner, 1988-01-01 **Political Map US States Illinois**, 1999 **Illinois Politics & Government** Samuel Kimball Gove, 1996-01-01 Since the end of World War II the primary political regions of Illinois Chicago and downstate have lost population wealth and political power to a third region the suburban collar which has relentlessly expanded outward from Chicago At the same time legislative service has changed from a largely part time citizen activity into a professional career oriented pursuit Parochial perspectives of elected officials have intensified as reflected in candidates promises to deliver their districts fair share of government spending The state legislature has become an arena in which each region battles for its own fair share rather than an instrument for comprehensively addressing the state s problems The authors foresee the emergence of political coalitions linking downstate and Chicago historically at odds in efforts to protect their shares and contend with the suburban collar Illinois s political leaders face the challenge of looking beyond district interests to the broader concerns of work force quality and statewide economic prosperity Samuel K Gove is Director Emeritus at the Institute of Government and Public Affairs and Professor Emeritus of Political Science at the University of Illinois He is coeditor with Louis H Masotti of *After Daley Chicago Politics in Transition* James D Nowlan is an adjunct professor of public policy at Knox College and a Senior Fellow with the University of Illinois Institute of Government and Public Affairs He is the author of *A New Game Plan for Illinois* **Almanac of Illinois Politics, 1990** Jack R.
