Political Economy Of Evaluatn Pr

Pierre Kopp

Political Economy Of Evaluatn Pr:

The Political Economy of Evaluation Jerker Carlsson, Gunnar Koehlin, Anders Ekbom, 2016-07-27 Examines the economic impact of aid but not in the sense that it questions the relevance of this objective or tries to measure whether aid works or not The focus of this book is on the evaluation process itself Can aid evaluation be improved in order to increase the effectiveness of aid **The Political Economy of Evaluation in Greece** Panagiotis E. Petrakis, Paraskevi V.

Boufounou, Pantelis C. Kostis, 2024-08-19 This contributed volume explores the relationships between politics economics and evaluation With a special focus on Greece it addresses how evaluations within different sectors impact policymaking and explains what this means for sustainable development Featuring interdisciplinary perspectives on economic policy evaluation for inclusive and future forward public policy the chapters rethink and reform evaluation to meet modern economic challenges The book outlines the concept and principles of resource allocation in evaluation offering a framework for economic transformation It highlights the role of evaluation in achieving sustainable development It provides a new way to measure the quality of public policy governance and economic policy **The political economy of the educational process** R.B. McKenzie, 2012-12-06 The purpose of The Political Economy of the Educational Process is to demonstrate in an elemental way what economics can contribute to our understanding of how education occurs Although in ways similar the book is significantly different from other studies in the economics of education Other works are primarily concerned with the effects which education or to use the economist s jargon human capital has on production market efficiency and the distribution of income The central concern of this book is how and why the student goes about acquiring whatever human capital he wishes and how the institutional setting of the university influences the amount of human capital that the student acquires This book deals with the learning process and therefore draws upon an earlier book written by Robert Staaf and myself 1 However the economic theory of learning which Staaf and I developed earlier in very precise mathematical terms is extended here through a fuller treatment of the political environment in which education occurs A major concern of this work is to make the economic analysis easily understood by professional educators and social scientists generally To accomplish this objective Chapter 2 develops for the non economists the tools of analysis which are used throughout the book Hopefully by shying away from esoteric theory and by trying to make the discussion provocative and informative the book 1 See Richard B McKenzie and Robert J **Political Economy of Illegal Drugs** Pierre Kopp, 2003-11-20 With debates surrounding the decriminalisation of certain illegal drugs raging in many countries around the world this new book is a timely and sober reflection on one of the biggest social problems facing the world at large Of interest not only to economists but also to criminologists and those involved in policy making The Economics of Illega **European Union Political Economy** Konstantinos Hazakis, 2018-09-15 The European political economy policy and theory provides students researchers and policy makers with a profound understanding of the theory and policy of the EU The book covers in a comprehensive way

the key issue areas of the European Union activity and it includes an analysis of all the important current developments in Europe such as the Brexit the European Union sovereign debt crisis the European economic governance problems and the macroeconomic adjustment challenges within Eurozone The book also includes critical resources for readers and students such as review questions appendixes references and further reading lists More specifically the textbook explains thoroughly the institutional economic and policy characteristics of the fundamental issue areas of European economy It outlines the institutions and mechanisms of European union Eurozone the common agricultural regional and trade policies the impact of the single market and the single currency on European economy the enlargement process and the key questions on the European macroeconomic adjustment process In each chapter the book explains not only what is taking place in European economy but also which the feasible options of the European policy agenda are The textbook enables readers to apply conceptual and theoretical knowledge to economic and political processes of European integration

From Oikonomia to Political Economy Germano Maifreda, 2016-04-22 Renaissance Europe witnessed a surge of interest in new scientific ideas and theories Whilst the study of this Scientific Revolution has dramatically shifted our appreciation of many facets of the early modern world remarkably little attention has been paid to its influence upon one key area that of economics Through an interrogation of the relationship between economic and scientific developments in early modern Western Europe this book demonstrates how a new economic epistemology appeared that was to have profound consequences both at the time and for subsequent generations Dr Maifreda argues that the new attention shown by astronomers physicians aristocrats men of letters travellers and merchants for the functioning of economic life and markets laid the ground for a radically new discourse that envisioned economics as an independent field of scientific knowledge By researching the historical context surrounding this new field of knowledge he identifies three key factors that contributed to the cultural construction of economics Firstly Italian Humanism and Renaissance which promoted new subjects methods and quantitative analysis Secondly European overseas expansion which revealed the existence of economic cultures previously unknown to Europeans Thirdly factor identified is the fifteenth and sixteenth century crisis of traditional epistemologies which increasingly valued empirical scientific knowledge over long held beliefs Based on a wide range of published and archival sources the book illuminates new economic sensibilities within a range of established and more novel scientific disciplines including astronomy physics ethnography geology and chemistry alchemy By tracing these developments within the wider social and cultural fields of everyday commercial life the study offers a fascinating insight into the relationship between economic knowledge and science during the early modern period

OECD Sustainable Development Studies Subsidy Reform and Sustainable Development Political Economy Aspects OECD, 2007-04-30 This volume uses sectoral case studies to illustrate that achieving change in structural policies such as subsidies depends largely on good governance practices

Priorities And Pathways In Services Reform: Part II - Political Economy Studies Christopher Findlay, 2013-10-10 Services markets remain highly

regulated and international trade and investment is restricted Previous works have identified the scope for significant gains from trade yet those results are often debated and the progress on reform has been slow Parts I and II in Priorities and Pathways in Services Reform help fill the gap in the research around this debate Part I Quantitative Studies contains up to date assessment and evaluations of the impact of policy in a range of services markets in different countries through cross country modelling of the impacts of a reform program Part II Political Economy Studies builds on this to address the understanding of what makes a reform successful going beyond a quantification of the benefits of reform This book fills that gap by reporting and reviewing the experience of reform across different sectors and countries Ten key lessons are identified for successful reform Readers will find fresh insights into managing complex issues in services reform

The Political Economy of Development Kate Bayliss, Ben Fine, Elisa Van Waeyenberge, 2011-05-06 Any student academic or practitioner wanting to succeed in development studies radical or mainstream must understand the World Bank's role and the evolution of its thinking and activities The Political Economy of Development provides tools for gaining this understanding and applies them across a range of topics The research practice and scholarship of development are always set against the backdrop of the World Bank whose formidable presence shapes both development practice and thinking This book brings together academics that specialise in different subject areas of development and reviews their findings in the context of the World Bank as knowledge bank policy maker and financial institution The volume offers a compelling contribution to our understanding of development studies and of development itself The Political Economy of Development is an invaluable critical resource for students policy makers and activists in development studies

Law and Political Economy in China Tamar Groswald Ozery, 2023-08-24 Applying a novel theoretical approach Tamar Groswald Ozery combines law and political economy to deconstruct the role of law in China's market development since 1978 The book examines how economic and administrative powers within China's Party state system have been legally and politically configured throughout China's growth process Using a vast range of primary sources Ozery illuminates how the law acts as a mediating institution that translates and gives shape to the relations between politics and economics Using the evolution of public firms and corporate governance as a case study the book illustrates the complex relationships between law politics and economic development and sheds new light on the possible varieties of growth supporting governance institutions in firms By studying China's distinct market experience through the lens of law and political economy the book offers a significant contribution to development studies comparative corporate governance and interdisciplinary discussions about China as a growth model

The Digital Citizenship in the European Union framework. Political, Economic, Sociological, and Legal Issues Raffaele Torino, 2024-12-31 Fra i principali risultati del Modulo Jean Monnet La Cittadinanza Digitale per l'Unione Europea coordinato da Raffaele Torino il volume analizza il tema della cittadinanza digitale nel contesto del processo di integrazione europea non solo da una prospettiva giuridica ma anche nei suoi aspetti politici economici e sociologici La scelta

metodologica di ricercare e insegnare la Cittadinanza Digitale attraverso una pluralit di approcci epistemologici si rivela la naturale conseguenza dell'attitudine degli studenti di Scienze Politiche a costruire il proprio sapere in maniera multidisciplinare Il volume esplora molteplici sfaccettature della cittadinanza digitale e l'impatto della digitalizzazione sulle relazioni di cittadinanza intese in senso ampio in una realt in continua evoluzione sebbene ormai non pi del tutto nuova di relazioni giuridiche economiche e sociali in cui l'individuo europeo diventa cittadina e cittadino di un mondo digitale DOI 10.13134/9791259774033 *The Political Economy of Oil and Gas in Africa* Soala Ariweriokuma, 2008-10-22 The evolution of the Nigerian oil and gas industry spanned about a century during which several challenges were encountered and surmounted by major International Oil Companies IOCs This book provides a thoroughly researched guide to the Nigerian oil and gas industry The author examines the increasing role of Africa in the contributi **Controversies In Political Economy** Harold D Clarke, 2019-09-26 This book addresses a number of controversies in political economy of political support in three Anglo American polities Canada Great Britain and the United States It addresses a range of theoretical issues concerning which variables properly belong in political economy models **Contemporary Critiques of Political Economy** Ananta Kumar Giri, 2024-01-23 This book analyzes contemporary critiques of political economy and highlights the challenges to rethinking contemporary discourses and practices It carries out a multipronged critical and transformative dialogue involving political economy moral economy moral sociology moral anthropology and spiritual ecology The authors discuss diverse themes such as the relationship between consciousness and society the dialogue between Karl Marx and Carl Gustav Jung a critical sociology of morality and property relations moral and political economy of the Indigenous peoples and a critique of modern civilization economic evaluation as well as alternative traditions of thinking in Marx Thoreau Gandhi J C Kumarappa Rammanohar Lohia B R Ambedkar and Jayaprakash Narain A unique transdisciplinary text the book brings together authors and approaches from both the Global North and South It will be indispensable to students research scholars and teachers of humanities and social sciences in such fields as economics sociology philosophy cultural studies and development studies *A Political Economy of Behavioural Public Policy* Adam Oliver, 2023-02-23 An overarching liberal political economy of behavioural public policy offering a radical departure from existing paternalistic frameworks Risk and the Political Economy of Resource Development D. W. Pearce, 2016-01-03 **The Political Economy: Readings in the Politics and Economics of American Public Policy** Thomas Ferguson, Joel Rogers, 2021-02-14 The Political Economy is ideally suited as a supplementary text for courses in American government and politics policy studies business government relations and economic issues and policy making It integrates selections from the very finest new and classical works of political and economic analysis by distinguished scholars into a comprehensive overview of the American political system *Political, Economic and Legal Effects of Artificial Intelligence* Georgios I. Zekos, 2022-03-07 This book presents a comprehensive analysis of the alterations and problems caused by new technologies in all fields of politics It further

examines the impact of artificial intelligence AI on the nexus between politics economics and law The book raises and answers several important questions What is the role of AI in politics Are people prepared for the challenges presented by technical developments How will AI affect future politics and human society How can politics and law deal with AI s disruptive technologies What impact will AI and technology have on law How can efficient cooperation between human beings and AI be shaped Can artificial intelligence automate public decision making Topics discussed in the book include but are not limited to digital governance public administration digital economy corruption democracy and voting legal singularity separation of power constitutional rights GDPR in politics AI personhood digital politics cyberspace sovereignty cyberspace transactions and human rights This book is a must read for scholars and students of political science law and economics as well as policy makers and practitioners interested in a better understanding of political legal and economic aspects and issues of AI

The Political Economy of Covid-19 Jonathan Michie,Maura Sheehan,2022-08-18 This comprehensive book brings together research published during 2021 analysing the impact of the Covid 19 pandemic on the economy on output and employment on inequality and on public policy responses The Covid 19 pandemic has been the greatest public health crisis for a century since the Spanish Flu pandemic of 1919 The economic impact has been equally seismic While it is too early to measure the full economic cost since much of this will continue to accumulate for some time to come it will certainly be one of the greatest global economic shocks of the past century Some chapters in this edited volume report on specific countries while some take a comparative look between countries and others analyse the impact upon the global economy Even before the Covid 19 pandemic there had been calls for a great reset in face of the climate crisis the increased income and wealth inequality and the need to avoid further global financial crisis With the devastating Covid 19 pandemic a harbinger for further such pandemics there is an even greater need for a reset and for the reset to be that much greater The chapters in this book were originally published as special issues in the journal International Review of Applied Economics

Political Economy and Public Finance Stanley L. Winer,Hirofumi Shibata,2002-01-01 There is a long standing difference amongst public economists between those who think that collective choice must be formally acknowledged and those who derive their policy recommendations from a social planning framework in which politics plays no role The purpose of this book is to contribute to a meaningful dialogue between these two groups in the belief that the future of both political economy and of normative public finance lies somewhere between the two approaches Some of the specific questions addressed in the book include does public finance need political economy Should collective choice play a role in the standard of reference used in normative public finance What is a failure in a non market or policy process And what have we learned about the theory and practice of public finance from three decades of empirical research on public choice The book also provides a practitioner s view of the political economy of redistribution

The book delves into Political Economy Of Evaluatn Pr. Political Economy Of Evaluatn Pr is a crucial topic that needs to be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Political Economy Of Evaluatn Pr, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:

- Chapter 1: Introduction to Political Economy Of Evaluatn Pr
- Chapter 2: Essential Elements of Political Economy Of Evaluatn Pr
- Chapter 3: Political Economy Of Evaluatn Pr in Everyday Life
- Chapter 4: Political Economy Of Evaluatn Pr in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, the author will provide an overview of Political Economy Of Evaluatn Pr. This chapter will explore what Political Economy Of Evaluatn Pr is, why Political Economy Of Evaluatn Pr is vital, and how to effectively learn about Political Economy Of Evaluatn Pr.
3. In chapter 2, this book will delve into the foundational concepts of Political Economy Of Evaluatn Pr. This chapter will elucidate the essential principles that must be understood to grasp Political Economy Of Evaluatn Pr in its entirety.
4. In chapter 3, the author will examine the practical applications of Political Economy Of Evaluatn Pr in daily life. The third chapter will showcase real-world examples of how Political Economy Of Evaluatn Pr can be effectively utilized in everyday scenarios.
5. In chapter 4, this book will scrutinize the relevance of Political Economy Of Evaluatn Pr in specific contexts. This chapter will explore how Political Economy Of Evaluatn Pr is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, the author will draw a conclusion about Political Economy Of Evaluatn Pr. The final chapter will summarize the key points that have been discussed throughout the book.

The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Political Economy Of Evaluatn Pr.

Political Economy Of Evaluatn Pr Introduction

In today's digital age, the availability of Political Economy Of Evaluatn Pr books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Political Economy Of Evaluatn Pr books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Political Economy Of Evaluatn Pr books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you

need to purchase several of them for educational or professional purposes. By accessing Political Economy Of Evaluatn Pr versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Political Economy Of Evaluatn Pr books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Political Economy Of Evaluatn Pr books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Political Economy Of Evaluatn Pr books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Political Economy Of Evaluatn Pr books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Political Economy Of Evaluatn Pr books and manuals for download and embark on your journey of knowledge?

FAQs About Political Economy Of Evaluatn Pr Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility.
