# Political Economy Of Reproduction In Japan

**Hiroko Takeda, Mark Williams**

## **Political Economy Of Reproduction In Japan:**

**The Political Economy of Reproduction in Japan** Takeda Hiroko, 2004-09-23 This book analyzes the political economy of reproduction and its role in the process of Japanese modernization Hiroko analyzes state attempts and policies to intervene into women's bodies and everyday lives to integrate them into the Japanese political economy Based on Foucault's concept of governmentality the author develops a model to assess reproduction in three forms economic biological and socio political from 1868 until the present day The Political Economy of Reproduction in Japan Hiroko Takeda, 2005 This new work analyzes the political economy of reproduction and its role in the process of Japanese modernization The Political Economy of Reproduction in Japan from the 1870s to 1970s Hiroko Takeda, 2001 The Political Economy of Japanese Globalisation Harukiyo Hasegawa, Glenn D. Hook, 2004-08-02 The Political Economy of Japanese Globalisation reveals the key dimensions of Japanese globalisation today by analysing both its inward and outward manifestations This is the first book to examine fully the issue of globalisation in relation to Japan Organised in three parts The Political Economy of Japanese Globalisation reveals the meanings and implications of the study of Japan's globalization in the context of on going debates about globalisation in general The book demonstrates how despite the passing of the Japanese model Japan can still provide significant insights into the meaning of this phenomenon The first part of the book examines globalization in politics and international relations Japan's particular position in globalization its recent role in the East Asian political economy and the relative identities of Japan and Europe Part two looks at the economy and business at the heart of Japanese globalization Japan's globalization in Asia as part of oriental capitalism its recent financial reforms the US globalization in Japan Japan's impact on Germany and the meaning of Japanization and globalization The third part of the book assesses the social issues in Japan in the context of globalization highlighting the positive political impact of globalization seen in the way externally generated pressures have brought into focus universal values such as citizenship human rights and democracy Providing a clear analysis of the political economy of Japanese globalization in one volume The Political Economy of Japanese Globalization is a major resource for postgraduates and researchers in Japanese studies Asian studies international relations international political economy as well as for all those dealing with Japan professionally The Great Transformation of Japanese Capitalism Sébastien Lechevalier, 2014-02-05 In the 1980s the performance of Japan's economy was an international success story and led many economists to suggest that the 1990s would be a Japanese decade Today however the dominant view is that Japan is inescapably on a downward slope Rather than focusing on the evolution of the performance of Japanese capitalism this book reflects on the changes that it has experienced over the past 30 years and presents a comprehensive analysis of the great transformation of Japanese capitalism from the heights of the 1980s through the lost decades of the 1990s and well into the 21st century This book posits an alternative analysis of the Japanese economic trajectory since the early 1980s and argues that whereas policies inspired by neo liberalism have been presented as a

solution to the Japanese crisis these policies have in fact been one of the causes of the problems that Japan has faced over the past 30 years Crucially this book seeks to understand the institutional and organisational changes that have characterised Japanese capitalism since the 1980s and to highlight in comparative perspective with reference to the neo liberal moment the nature of the transformation of Japanese capitalism Indeed the arguments presented in this book go well beyond Japan itself and examine the diversity of capitalism notably in continental Europe which has experienced problems that in many ways are also comparable to those of Japan The Great Transformation of Japanese Capitalism will appeal to students and scholars of both Japanese politics and economics as well as those interested in comparative political economy The Making of Modern Japan Myles Carroll, 2021-10-18 In The Making of Modern Japan Myles Carroll offers a sweeping account of post war Japanese political economy exploring the transition from the post war boom to the crisis of today and the connections between these seemingly discrete periods Carroll explores the multifarious international and domestic political economic social and cultural conditions that fortified Japan's post war hegemonic order and enabled decades of prosperity and stability Yet since the 1990s a host of political economic social and cultural changes has left this same hegemonic order out of step with the realities of the contemporary world a contradiction that has led to three decades of crisis in Japanese society Can Japan make the bold changes required to reverse its decline **The Oxford Handbook of Japanese Politics** Robert Pekkanen, Saadia M. Pekkanen, 2021-10-25 Book Abstract and Keywords The study of Japanese politics has flourished over the past several decades This Handbook provides a state of the field overview for students and researchers of Japanese The volume also serves to introduce Japanese politics to readers less familiar with Japan In addition the volume has a theme of evaluating Japan's democracy Taken as a whole the volume provides a positive evaluation of the state of Japan's democracy The volume is divided into two parts roughly corresponding to domestic Japanese politics and Japan's international politics Within the domestic politics part there are four distinct sections Domestic Political Actors and Institutions covering the Japanese Constitution electoral systems prime minister Diet bureaucracy judiciary and local government Political Parties and Coalitions covering the Liberal Democratic Party coalition government Komeito and the political opposition Policymaking and the Public covering the policymaking process public opinion civil society and populism and Political Economy and Social Policy covering industrial energy social welfare agricultural monetary and immigration policies as well as social inequality In the international relations part there are four sections International Relations Frameworks covering grand strategy international organizations and international status International Political Economy covering trade finance foreign direct investment the environment economic regionalism and the linkage between security and economics International Security covering remilitarization global and regional security multilateralism nuclear nonproliferation naval power space security and cybersecurity and Foreign Relations covering Japan's relations with the United States China South Korea ASEAN India the European Union and Russia Keywords international relations comparative politics democracy international order

alliances space security elections Liberal Democratic Party multilateralism remilitarization international organizations populism civil society coalitions political parties trade finance monetary policy foreign direct investment cybersecurity

*Globalisation and Women in the Japanese Workforce* Beverley Bishop, 2004-12-15 This book contributes to the debate about the impact of globalisation upon women and examines the impact of restructuring upon women's employment in Japan

*The Making of Japanese Settler Colonialism* Sidney Xu Lu, 2019-07-25 Shows how Japanese anxiety about overpopulation was used to justify expansion blurring lines between migration and settler colonialism This title is also available as Open Access

*The Political Economy of Japanese Society: The state of the market?* Junji Banno, 1997 Until recently many Japanese believed that they lived in the richest country in the world and in the early 1990s they welcomed the end of one party dominance However by the middle of the 1990s many Japanese are no longer confident in their economy nor optimistic in their politics This authoritative study analyses various aspects of Japanese society and economy in order to provide a balanced view between the optimism of the 1980s and the pessimism characteristic of more recent years The Political Economy of Japanese Society is a revision and translation of a multidisciplinary research project carried out by the Institute of Social Science at the University of Tokyo Beginning with the late nineteenth century it examines the historical developments of Japan's contemporary political economy paying particular attention to the changes that have occurred from below Social actors who have often been given peripheral treatment such as opposition parties the aged female and foreign workers are brought to the forefront of the analysis alongside those considered more mainstream such as the governing party large corporations and labour unions The Japanese political economy of the 1980s and 90s has had a strong impact on the global economy and this book also analyses selective influences on the outside world in particular on other Asian nations and the USA Volume 1 analyses the structures of the Japanese political economy which encouraged continuous economic growth in the period from 1955 to 1990 focusing on such phenomena as Japanese political management the Japanese employment system and one party dominance in politics Volume 2 examines some of the problems inherited from this period of dramatic economic growth

**Routledge Handbook of Japanese Politics** Alisa Gaunter, 2011-02-25 The Routledge Handbook of Japanese Politics is an advanced level reference guide which surveys the current state of Japanese politics featuring both traditional topics and cutting edge research The volume is divided into five sections covering domestic politics civil society social policy political economy and international relations security The first four sections begin with an overview chapter that provides historical background information on the section's overarching topic The chapters that follow explore more specific topics in the sub area In the final section historical background information is contained in the individual chapters which cover the diverse areas of international political economy security and foreign policy Offering a complete overview of the full spectrum of Japanese politics the Handbook is an invaluable resource for academics researchers policy analysts graduate and undergraduate students studying this ever evolving field

**Contested Governance in Japan** Glenn

D. Hook, 2005-08-11 *Contested Governance in Japan* extends the analysis of governance in contemporary Japan by exploring both the sites and issues of governance above and below the state as well as within it. This volume discusses the contested nature of governance in Japan and the ways in which a range of actors are involved in different sites and issues of governance at home in the region and the globe. It includes chapters on global governance, local policy making, democracy, environmental governance, the Japanese financial system, corruption, the family and corporate governance. **The Political Economy of the Japanese Financial Big Bang** Tetsuro Toya, 2006-04-06 This book emphasizes change over continuity in Japanese policymaking. It argues that Japan's Big Bang financial reforms emerged out of a policymaking process that deviated radically from past patterns. Performance failures, scandals, and fluidity in party politics led the Ministry of Finance to promote reforms that otherwise would have been opposed. **Knowledge, Power, and Women's Reproductive Health in Japan, 1690-1945** Yuki Terazawa, 2018-04-13 This book analyzes how women's bodies became a subject and object of modern bio power by examining the history of women's reproductive health in Japan between the seventeenth century and the mid twentieth century. Yuki Terazawa combines Foucauldian theory and feminist ideas with in depth historical research. She argues that central to the rise of bio power and the colonization of people by this power was modern scientific taxonomies that classify people into categories of gender, race, nationality, class, age, disability, and disease. While discussions of the roles played by the modern state are of critical importance to this project, significant attention is also paid to the increasing influences of male obstetricians and the parts that trained midwives and public health nurses played in the dissemination of modern power after the 1868 Meiji Restoration. **Handbook on the International Political Economy of Gender** Juanita Elias, Adrienne Roberts, 2018-02-23 This Handbook brings together leading interdisciplinary scholarship on the gendered nature of the international political economy. Spanning a wide range of theoretical traditions and empirical foci, it explores the multifaceted ways in which gender relations constitute and are shaped by global politico economic processes. It further interrogates the gendered ideologies and discourses that underpin everyday practices from the local to the global. The chapters in this collection identify, analyse, critique, and challenge gender based inequalities whilst also highlighting the intersectional nature of gendered oppressions in the contemporary world order. **The Routledge Companion to Gender and Japanese Culture** Jennifer Coates, Lucy Fraser, Mark Pendleton, 2019-12-06 This Companion is a comprehensive examination of the varied ways in which gender issues manifest throughout culture in Japan using a range of international perspectives to examine private and public constructions of identity as well as gender and sexuality inflected cultural production. The Routledge Companion to Gender and Japanese Culture features both new work and updated accounts of classic scholarship providing a go to reference work for contemporary scholarship on gender in Japanese culture. The volume is interdisciplinary in scope with chapters drawing from a range of perspectives, fields, and disciplines including anthropology, art history, history, law, linguistics, literature, media, and cultural studies, politics, and sociology. This reflects the fundamentally

interdisciplinary nature of the dual focal points of this volume gender and culture and the ways in which these themes infuse a range of disciplines and subfields In this volume Jennifer Coates Lucy Fraser and Mark Pendleton have brought together an essential guide to experiences of gender in Japanese culture today perfect for students scholars and anyone else interested in Japan culture gender studies and beyond The Rejuvenation of Political Economy Nobuharu Yokokawa, Kiichiro Yagi, Hiroyasu Uemura, Richard Westra, 2016-04-14 This book provides the basic knowledge of Japanese contributions in political economy and the ongoing research agenda such as the pursuit of theoretical consistency in Marxian economics by Uno School the concept of civil society as a criterion of existing socio economic structure a mathematical reconstruction of Marxian theory and an analysis of environmental pollution The new generation of Japanese political economists in collaboration with their overseas counterparts has produced new insights into political economy and into the newly emerging structure of the world economy The book provides useful insights into international capitalism and how past patterns of uneven development are now changing the role of international finance in affecting both national and international growth and employment patterns an analysis of recent growth patterns in Asia and the specific issue emerging within the Asian region and the implications for economics social change and geopolitics **Governing Insecurity in Japan** Wilhelm Vosse, Reinhard Drifte, Verena Blechinger-Talcott, 2014-06-27 Since the end of the Cold War Japan's security environment has changed significantly While on the global level the United States is still Japan's most important security partner the nature of the partnership has changed as a result of shifting demands from the United States new international challenges such as the North Korean nuclear programme and the rapid rise of China At the same time Japan has been confronted with new non traditional security threats such as international terrorism the spread of infectious diseases and global environmental problems On the domestic level demographic change labour migration economic decline workplace insecurity and a weakening impact of policy initiatives challenge the sustainability of the lifestyle of many Japanese and have led to a heightened sense of insecurity among the Japanese public This book focuses on the domestic discourse on insecurity in Japan and goes beyond military security The chapters cover issues such as Japan's growing perception of regional and global insecurity the changing role of military forces the perceived risk of Chinese foreign investment societal cultural and labour insecurity and how it is affected by demographic changes and migration as well as food insecurity and its challenges to health and public policy Each chapter asks how the Japanese public perceives these insecurities how these perceptions influence the public discourse the main stakeholders of this discourse and how this affects state society relations and government policies Governing Insecurity in Japan provides new insights into Japanese and international discourses on security and insecurity and the ways in which security is conceptualized in Japan As such it will be of interest to students and scholars working on Japanese politics security studies and international relations Gender and Sexuality in Modern Japan Sabine Frühstück, 2022-03-31 Gender and Sexuality in Modern Japan describes the ever changing manifestations of sexes

genders and sexualities in Japanese society from the 1860s to the present day Analysing a wide range of texts images and data Sabine Fr hst ck considers the experiences of females males and the evolving spectrum of boundary crossing individuals and identities in Japan These include the intersexed conscript in the 1880s the first out lesbian war reporter in the 1930s and pregnancy vest wearing male governors in the present day She interweaves macro views of history with stories about individual actors highlighting how sexual and gender expression has been negotiated in both the private and the public spheres and continues to wield the power to critique and change society This lively and accessible survey introduces Japanese ideas about modern manhood modern womanhood reproduction violence and sex during war the sex trade LGBTQ identities and activism women s liberation feminisms and visual culture     [Routledge Handbook of Contemporary Japan](#)

Hiroko Takeda,Mark Williams,2020-09-21 The Routledge Handbook of Contemporary Japan presents a synthesized interdisciplinary study of contemporary Japan based on up to date theoretical models designed to provide readers with a comprehensive and full understanding of the dynamics of contemporary Japan In order to achieve this the Handbook is organized into two parts Part I Foundations clarifies the state of contemporary Japan topic by topic by referring to the latest theoretical developments in the relevant disciplinary fields of politics international relations economy society culture and the personal Part II Issues then offers a series of concrete analyses building upon the theoretical discussions introduced in Part I to help undergraduate and postgraduate students learn how to conduct independent analysis Locating Japan in a comparative and interdisciplinary perspective this Handbook is an essential resource for students and scholars interested in Japanese studies Asian studies and global studies

### **Political Economy Of Reproduction In Japan Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Political Economy Of Reproduction In Japan PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture

of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Political Economy Of Reproduction In Japan PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Political Economy Of Reproduction In Japan free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Political Economy Of Reproduction In Japan Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Political Economy Of Reproduction In Japan is one of the best book in our library for free trial. We provide copy of Political Economy Of Reproduction In Japan in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Political Economy Of Reproduction In Japan. Where to download Political Economy Of Reproduction In Japan online for free? Are you looking for Political Economy Of Reproduction In Japan PDF? This is definitely going to save you time and cash in something you should think about.
