Political Elites In A Democracy

Samuel James Eldersveld

Political Elites In A Democracy:

Political Elites in a Democracy Peter Bachrach, 2017-07-05 One of the potentially explosive issues of the modern era is a vast and growing disparity between the overwhelming predominance of elites in the decision making process and the democratic ideal that people should participate in making decisions that vitally affect them In this book an impressive array of political theorists offer conflicting views on the form of democratic elitism practiced in the United States Defining the political elite as the power holders of the body politic Harold Lasswell explains that the division into elite and mass is universal while Robert Dahl confirms that key political economic and social decisions are indeed made by these tiny minorities Paul Goodman argues that we are now in a period of excessive centralization that he regards as economically inefficient technologically unnecessary and humanly damaging From another standpoint Herbert Marcuse calls for a struggle against the ideology of tolerance husbanded by the political elites in this country and Jack L Walker contends that elitist theory has provided an unconvincing explanation of the widespread political apathy in American society As the events of recent decades vividly demonstrate a growing number of people refuse to recognize elite rule This many sided work puts before the student a variety of strongly held opinions regarding the place and function of the political elite and its power The wide range of authoritative articles makes *Political Elites in a Democracy* a most useful addition to every course in political science that touches on the subject of elites and political power

Political Elites in a Democracy

Peter Bachrach, 2017-07-05 One of the potentially explosive issues of the modern era is a vast and growing disparity between the overwhelming predominance of elites in the decision making process and the democratic ideal that people should participate in making decisions that vitally affect them In this book an impressive array of political theorists offer conflicting views on the form of democratic elitism practiced in the United States Defining the political elite as the power holders of the body politic Harold Lasswell explains that the division into elite and mass is universal while Robert Dahl confirms that key political economic and social decisions are indeed made by these tiny minorities Paul Goodman argues that we are now in a period of excessive centralization that he regards as economically inefficient technologically unnecessary and humanly damaging From another standpoint Herbert Marcuse calls for a struggle against the ideology of tolerance husbanded by the political elites in this country and Jack L Walker contends that elitist theory has provided an unconvincing explanation of the widespread political apathy in American society As the events of recent decades vividly demonstrate a growing number of people refuse to recognize elite rule This many sided work puts before the student a variety of strongly held opinions regarding the place and function of the political elite and its power The wide range of authoritative articles makes *Political Elites in a Democracy* a most useful addition to every course in political science that touches on the subject of elites and political power

The Contested Status of Political Elites Lars Vogel, Ronald Gebauer, Axel Salheiser, 2018-07-17 Contemporary Western societies are witnessing ground breaking social economic and political changes at an accelerating pace These changes are challenging

the way democracy works and the role that political elites play in this system of government Using a theoretical and empirical approach this volume argues that political elites are urged to develop new strategies in order to achieve interest aggregation to safeguard collective action and to maintain elite autonomy and stability The adaptive capacities of political elites are assessed through case studies comparative and longitudinal analyses of their social structure their recruitment patterns and their attitudes The book includes contributions from reputable scholars in the field of elite research and specialists on individual political systems across Europe and the US It provides an analytical framework demonstrating that political elites are inevitable and potentially able to respond successfully to varying challenges The book will be of key interest to scholars and students of political elites democracy comparative politics political participation and European Politics

The Comparative Study of Political Elites Robert D. Putnam, 1976 **Elite Foundations of Liberal Democracy** John Higley, Michael G. Burton, 2006-08-02 This compelling and convincing study the capstone of decades of research argues that political regimes are created and sustained by elites Liberal democracies are no exception they depend above all on the formation and persistence of consensually united elites John Higley **The Palgrave Handbook of Political Elites** Heinrich Best, John Higley, 2017-11-08 This handbook presents a comprehensive view of the current theory and research surrounding political elites which is now a pivotal subject for academic study and public discourse In 40 chapters by leading scholars it displays the field's richness and diversity The handbook is organized in six sections each introduced by a co editor focusing on theories about political elites methods for studying them their main structural and behavioral patterns worldwide the differentiation and integration of political elite sectors elite attributes and resources and the dilemmas of political elites in this century Forty years since Robert Putnam's landmark *Comparative Study of Political Elites* this handbook is an indispensable resource for scholars and students engaged in the study of this vibrant field **Power, Islam, and Political Elite in Iran** Eva Rakel, 2008-11-30 The Iranian Islamic revolution brought about a political system based on a combination of state institutions that derive their legitimacy from Islamic law and republican institutions legitimized by the people As there are no legal political parties in the Islamic Republic of Iran political factions represent the varying ideological and material interests of members of the political elite and their supporters This book analyzes the rivalries between the political factions and their related state institutions and the impact of the dynamics of factionalism on domestic economic and socio cultural and foreign policy formulation It shows that tensions inherent to the structure of state institutions and factional rivalries slow down the process of democratization and economic reforms in the Islamic Republic of Iran **The Ruling Elites: Elite Theory, Power, and American Democracy** Kenneth Prewitt, Alan Stone, 1973 **Political Elites in Modern Societies** Samuel James Eldersveld, 1989 Reflections on the nature of political leadership Political Elites Geraint Parry, 1969 Political Elites and the New Russia Anton Steen, 2004-06-01 Political Elite and the New Russia convincingly argues that although reforms in Russia have been initiated by those close to the President in fact local and national elites

have been the crucial strategic actors in reshaping Russia's economy, democratising its political system and decentralising its administration. This book analyses the role of elites under Yeltsin and Putin, discussing the extent to which they form a coherent political culture and how far this culture has been in step with or at odds with the reform policies of the Kremlin leadership. The Political Elite in a Developing Society Anup Kumar Dash, 1994. Study with reference to Orissa, India.

The Role of Local Political Elites in East Central Europe Roxana Marin, 2021-03-29. How does the elite continue to affect the evolution of local communities in the developing region of former Sovietized Europe? This book is concerned with the issue of local leadership in the countries of East Central Europe. It is an attempt to examine with a comparative method the profile and the role of the local political elites, members of the Municipal Councils in six towns in six transitional democracies of the region. Elites and People Fredrik Engelstad, Trygve Gulbrandsen, Marte Mangset, Mari Teigen, 2019-10-07. This

volume contains an Open Access chapter. The present volume of Comparative Social Research offers a broad set of comparative studies of elites stretching from the Arab Spring in Tunisia and Egypt to women's political leadership in Brazil and Germany via attainment of elite positions among minorities in France and the US. *Between Past and Future: Elites, Democracy and the State in Post-Communist Countries* Anton Steen, 2019-07-18. Published in 1997, this text presents a specific interest in analyzing the role of the elites as a key factor for democratic rule and policy changes. In order to put the elites in perspective, the author has also conducted opinion surveys asking some of the same questions among representative samples of the populations in the three countries. Comparing these three rather similar states gives possibilities for singling out conditions for specific national developments in elite structure and policies. *Democracy Without Shortcuts* Cristina Lafont, 2020. This book defends the value of democratic participation. It aims to improve citizens' democratic control and vindicate the value of citizens' participation against conceptions that threaten to undermine it. **Civil Society and**

Political Change in Asia Muthiah Alagappa, 2004. A systematic investigation of the connection between civil society and political change in Asia, change toward open participatory and accountable politics. Its findings suggest that the link between a vibrant civil society and democracy is indeterminate: certain civil society organizations support democracy; others could undermine it. **The Theory of Democratic Elitism** Peter Bachrach, 1980. To find out more information about Rowman

Littlefield titles, please visit us at www.rowmanlittlefield.com. **The Supreme Court and Benign Elite Democracy in Japan** Hiroshi Itoh, 2016-03-03. The Constitution of Japan has served the country for more than half a century, creating and maintaining a stable and functional democratic system. This book innovatively interprets Japanese politics as a benign elite democracy whilst demonstrating the Supreme Court's vital contribution to the political structure. In *The Supreme Court and Benign Elite Democracy in Japan*, Hiroshi Itoh presents the first empirical study of judicial decision making under Japan's Constitution. He examines the Supreme Court's records regarding the protection of civil rights and liberties, the preservation of the conformity of lower levels of laws and regulations to the Constitution, and the maintenance of the Court's relationships

to the political branches The analysis of these three aspects of constitutional litigation reveal how the Supreme Court contributes to the efficacy of constitutional democracy by keeping the system adaptable to the ever changing environment in and around Japan

The Political Economy of Elites in Latin America Jan Ickler,Rebeca Ramos Padrón,2024-12-31 Recent years have seen renewed interest in elites around the world and their interconnection with power privilege social stratification and social change The contributors to this edited volume explore the many facets of the role of elites in the political economy of Latin America their position within society their impact upon the economy and their influence within governing institutions The book demonstrates that in Latin America as in many other parts of the world structural change and movements toward more just inclusive and sustainable societies seem impossible without the involvement of elites at some level This raises important questions Under what conditions do elites push for reform How do elites react to societal and economic challenges and changes To what extent can popular classes successfully pressure elites Bringing together a selection of case studies covering different Latin American countries the book focuses on three key themes to address these questions first it explores how elites react to economic and societal challenges with some chapters looking at moments of change as well as measures taken by individual elites to alter the status quo Second it seeks to understand the interrelation between external and domestic factors that engender elite action including global markets geopolitics state institutions social forces and the internal structure of elite groups Third it reflects upon methodological questions of studying elites in Latin America laying bare the potential pitfalls and offering possible routes to further inquiry This book will be vital reading for researchers in political economy development economics economic sociology and Latin American studies more broadly

Political Elites In A Democracy Introduction

In today's digital age, the availability of Political Elites In A Democracy books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Political Elites In A Democracy books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Political Elites In A Democracy books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Political Elites In A Democracy versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Political Elites In A Democracy books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Political Elites In A Democracy books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Political Elites In A Democracy books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from

the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Political Elites In A Democracy books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Political Elites In A Democracy books and manuals for download and embark on your journey of knowledge?

FAQs About Political Elites In A Democracy Books

1. Where can I buy Political Elites In A Democracy books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
