**Christie Farnham**

## **Political Integration Of Women Roles Socialization And Politics:**

**The Political Integration of Women** Virginia Sapiro,1983      *Feminism and Politics* Anne Phillips,1998 The essays in this volume attempt to answer questions about gender in a variety of ways but all see feminism as transforming the way we think about and act in politics

**Introduction to Gender** Jennifer Marchbank, Gayle Letherby,2014-06-30 Thoroughly updated in this second edition Introduction to Gender offers an interdisciplinary approach to the main themes and debates in gender studies This comprehensive and contemporary text explores the idea of gender from the perspectives of history sociology social policy anthropology psychology politics pedagogy and geography and considers issues such as health and illness work family crime and violence and culture and media Throughout the text studies on masculinity are highlighted alongside essential feminist work producing an integrated investigation of the field Key features A thematic structure provides a clear exploration of each debate without losing sight of the interconnections between disciplines World in focus boxes and international case studies offer a broad global perspective on gender studies In text features and student exercises including Controversy A critical look and Stop and think boxes allow the reader to engage in the debates and revise the material covered Hotlinks throughout the text make connections between chapters allowing the reader to follow the path of particular issues and debates between topics and disciplines New to the second edition A new chapter explores gender through the discipline of philosophy A new section on international relations brings this relevant topic into focus Current discussion on the language of gender across Europe is brought in to Chapter 1 A focus on Europe and Scandinavia as well as the UK gives the text a broader scope Examples are updated throughout to ensure the text is cutting edge and relevant Introduction to Gender second edition is highly relevant to today s students across the social sciences and is an essential introduction for students of sociology women s studies and men s studies

**Minority Voting in the United States** Kyle L. Kreider, Thomas J. Baldino,2015-12-07 What are the voting behaviors of the various minority groups in the United States and how will they shape the elections of tomorrow This book explores the history of minority voting blocs and their influence on future American elections According to current scholarship the Caucasian population of the United States is expected to be a minority by 2042 As the white majority disappears and politics shift with the changing tide it is important to understand the voting behaviors of the significant minority voting blocs in the United States In this book a variety of voting blocs are examined African Americans women Native Americans Latinos Mexicans Cubans Puerto Ricans South Asians Indians Pakistanis Bangladeshis East Asians Chinese Japanese Koreans Filipinos Pacific Islanders Arab Americans Muslim Americans Jewish Americans and the LGBT community In addition to factual and historical information about the minority voting blocs chapters also explore how Section 5 of the Voting Rights Act of 1965 felon disenfranchisement laws and voter ID laws impact a minority group s voting rights Finally the authors and contributors anticipate which issues are likely to influence each group s voters and affect future elections

Barbershops, Bibles, and BET Melissa Harris-Perry,2010-06-14 What is the best

way to understand black political ideology Just listen to the everyday talk that emerges in public spaces suggests Melissa Harris Lacewell And listen this author has to black college students talking about the Million Man March and welfare to Southern black Baptists discussing homosexuality in the church to black men in a barbershop early on a Saturday morning to the voices of hip hop music and Black Entertainment Television Using statistical experimental and ethnographic methods Barbershops Bibles and B E T offers a new perspective on the way public opinion and ideologies are formed at the grassroots level The book makes an important contribution to our understanding of black politics by shifting the focus from the influence of national elites in opinion formation to the influence of local elites and people in daily interaction with each other Arguing that African Americans use community dialogue to jointly develop understandings of their collective political interests Harris Lacewell identifies four political ideologies that constitute the framework of contemporary black political thought Black Nationalism Black Feminism Black Conservatism and Liberal Integrationism These ideologies the book posits help African Americans to understand persistent social and economic inequality to identify the significance of race in that inequality and to devise strategies for overcoming it

**Governing Women** Anne Marie Goetz, 2009-01-13 Using case studies from around the world this volume argues that good governance from a gender perspective requires more than just additional women in politics it requires fundamental incentive changes to orient public action and policy to support gender equality

*Why Women are Oppressed* Anna G. Jónasdóttir, 1994 A feminist of international standing strives toward a theory about the web of relations between the sexes

**Sex as a Political Variable** Richard A. Seltzer, Jody Newman, Melissa Voorhees Leighton, 1997 Though women constitute 52 percent of US voters only 10 percent of the members of Congress and one of the 50 state governors are women This book presents research and analysis on women as both candidates and voters in US politics using numerous empirical sources of data

**Democratic Reform in New Brunswick** William Paul Cross, 2007 Democratic Reform in New Brunswick is a comprehensive collection of research papers written initially for the New Brunswick Commission on Electoral Democracy The essays provide detailed consideration of the many issues relating to democratic and electoral reform currently on the public policy agenda in Canada Topics covered include electoral system change gender and representational issues questions relating to party democracy the role of legislators concerns around drawing electoral boundaries fixed election dates direct democracy and political disengagement among young voters All of the essays examine the implications of various reform proposals in these areas and most draw upon the experiences of other jurisdictions in addressing how they might play out in the Canadian context Many chapters also draw specifically upon the New Brunswick experience in considering how democratic reform might impact upon the province s politics New Brunswick is Canada s only bilingual province with two vibrant linguistic communities and is in many ways a microcosm of the Canadian state These readings provide insight into how issues related to democratic and electoral reform may play out on the national stage

**Women and Leadership** Karin Klenke, 2004-01-01 This book examines women s access to leadership roles and

how these roles are perceived in society It represents one of the first scholarly examinations of the burgeoning field of leadership Using real life examples and case studies of prominent women Dr Klenke explores the complex interactions between gender leadership and culture Topics include the changing conceptions of leadership women leaders in history contemporary leadership theories barriers to women s leadership and women leaders worldwide This volume is of primary interest to educators and students involved in women s studies programs as well as in courses in gender and leadership

**The Impact of Feminist Research in the Academy** Christie Farnham,1987-12-22 comprehensive well written and useful A must Choice interdisciplinary with exciting contributions from the humanities and the social and natural sciences Quest a treasure of rich and challenging scholarship that covers many fields Religious Education The helpful insights from a wide range of disciplines Economics to Literature accumulated here in a focused manner should be useful to all scholars interested in Women s Studies Kathryn Allen Rabuzzi Syracuse University Religious Studies Review exciting state of the art essays across a wide variety of fields Gender Society Nationally recognized scholars assess the impact of over a decade of research on women Originally intended merely as a corrective filling in a missing part of the story the cumulative effect of this body of scholarship is to pose paradigm shifts for the traditional disciplines *Take a Number* Elisabeth Gidengil,2020-12-30 Inspired by American studies of the impact of government programs on clients political activity *Take a Number* breaks new ground by investigating the lessons that people draw from their experiences with government bureaucracies reaching very different conclusions about the effects of program participation in Canada People s experiences with service providers matter Far from being de politicizing negative experiences can be empowering stimulating greater political interest and more political activity In contrast to the findings of some American studies there is no evidence that these encounters leave claimants in Canada with the sense that they are neither legitimate nor effective actors in the public sphere Rather than discouraging participation in politics being a recipient of means tested benefits likewise seems to be politically mobilizing Based on extensive survey data *Take a Number* casts new light on the problem of non take up of social benefits Elisabeth Gidengil reveals that those who are most likely to benefit are often unaware of government programs The more demanding and intrusive the claiming process the more likely claimants are to find it difficult to access the program These experiences with government programs prove to have larger implications for users confidence in institutions and their satisfaction with democracy A wide ranging study of the politicizing effects of social program participation *Take a Number* introduces a compelling new dimension to our understanding of why some citizens are politically active while others remain quiescent Women and the Democratic Party Jamie Pamela Pimlott,2010 Formed in 1985 as a political action committee PAC to provide select female Democratic candidates with seed money to run for federal office today EMILY s List is much more than a women s PAC Over the past twenty five years a political entrepreneur Ellen Malcolm a cadre of liberal feminist activists and thousands of liberal feminist women and men have transformed EMILY s List into a multi pronged influence

organization that has changed the face of U S Congress and the American political landscape Over the past quarter of a century EMILY s List transformed from a women s PAC donor network to a multi pronged influence organization that strategically uses its resources to aid pro choice Democratic women in their quest for public office EMILY s List has created and maximized on political opportunities in such a way that it now stands as a political powerhouse Those who have underestimated it as a narrow women s organization have also largely underestimated the important role EMILY s List played in helping transform the character of the Democratic Party in Congress and helping bring about the Party s dramatic resurgence to power This study is the first examination of the growth and transformation of EMILY s List from its inception in 1985 through the 2008 election cycle Relying on interviews with organization staff founding members and members of Congress it illuminates the ways in which the organization s origin and mission are firmly rooted in the goals and activities of the liberal feminist women s movement of the 1970s The successes and failures of this movement set the stage for the creation of EMILY s List Using qualitative and quantitative data this study traces the organization s evolution from its early days as a PAC to its transformation into a multi pronged influence organization that is a PAC but also functions as an interest group a party adjunct and a campaign organization The book explores the membership of the organization over time highlighting EMILY s List s efforts to pull in new members and retain its loyal base The book also explores how the organization has overcome women s reticence to contribute and how that has helped it become so influential in the political sphere The last part of the book examines the organization s influence vis a vis the endorsement process which highlights the organization s multi pronged strategy It ends with a discussion of the organization s endorsement of Hillary Rodham Clinton s presidential bid in 2008 and what the 2008 election meant for the future of EMILY s List This book would be appropriate for a variety of courses including courses on women and politics Congress and congressional elections campaign and elections courses parties and interest group courses and campaign finance courses This book will be accessible and appropriate for undergraduates and graduate students as well as researchers and practitioners It combines historical narrative which makes it accessible to students with original interviews and empirical analysis which appeals to faculty wishing to introduce students to cutting edge research efforts in political science

**Market, State and Feminism** Sue Hatt,Linda

Watson-Brown,2000-01-01 This text offers an interdisciplinary critique of the free market backlash the view that free market economics can improve the position status and well being of women

*Bicycle Citizens* Robin M. LeBlanc,2023-09-01 While the typical Japanese male politician glides through his district in air conditioned taxis the typical female voter trundles along the side streets on a simple bicycle In this first ethnographic study of the politics of the average female citizen in Japan Robin LeBlanc argues that this taxi bicycle contrast reaches deeply into Japanese society To study the relationship between gender and liberal democratic citizenship LeBlanc conducted extensive ethnographic fieldwork in suburban Tokyo among housewives volunteer groups consumer cooperative movements and the members of a committee to reelect a female Diet

member who used her own housewife status as the key to victory LeBlanc argues that contrary to popular perception Japanese housewives are ultimately not without a political world Full of new and stimulating material engagingly written and deft in its weaving of theoretical perspectives with field research this study will not only open up new dialogues between gender theory and broader social science concerns but also provide a superb introduction to politics in Japan as a whole While the typical Japanese male politician glides through his district in air conditioned taxis the typical female voter trundles along the side streets on a simple bicycle In this first ethnographic study of the politics of the average female citizen i

Identity and Political Participation Among Young British Muslims A. Mustafa,2015-01-30 This book tackles unanswered questions on British Muslims and political participation What makes religion a salient political identity for young Muslims over any other identity How do young British Muslims identify themselves and how does it relate to their political engagement A fascinating insight into the lives of young British Muslims

**Gender Issues in Government and Management** Tryma, Kateryna,Alaverdov, Emilia,Bari, Muhammad Waseem,2024-08-29 With the new challenges in globalization the role of women in contemporary politics economics and management practices remains pressing Women in leadership now serve as role models contributing to the political and economic development of their countries while furthering gender equality in businesses organizations and governments Ensuring gender equality remains pivotal to sustainable development and economic growth Gender Issues in Government and Management explores the positive impacts of gender equality on modern society enhancing our understanding of how gender issues affect politics economics and social inequality By examining the current issues and challenges in gender this book poses solutions for socio economic improvement This book covers topics such as gender and diversity political science and international relations and is a valuable resource for government officials politicians sociologists economists students and educators of higher education researchers and academicians

*The Latino Gender Gap in U.S. Politics* Christina E. Bejarano,2013-12-17 Many questions remain unanswered about the observable differences in voting behavior partisanship and cultural attitudes among men and women Bejarano offers an authoritative critical reflection on how this political gender gap is displayed in the racial ethnic minority groups in the U S

**Gender and Social Capital** Brenda O'Neill,Elisabeth Gidengil,2013-09-05 The volume brings together a stellar group of contributors who examine the social capital thesis by means of four different approaches theoretical historical comparative and empirical In the end this book will serve to answer two fundamental questions which have hitherto been neglected What can a gendered analysis tell us about social capital And what can social capital tell us about women and politics

Tea Party Women Melissa Deckman,2016-05-24 In this publication the author explores the role of women in creating and leading the movement and the greater significance of women s involvement in the Tea Party for our understanding of female political leadership and the future of women in the American Right Based on national level public opinion data observation at Tea Party rallies and interviews with female Tea Party leaders
