

Eastern European Political Thought as a Conceptual Tool

Delia Popescu

The Oxford Handbook of Comparative Political Theory

Edited by Leigh K. Jenco, Murad Idris, and Megan C. Thomas

Print Publication Date: Mar 2020 Subject: Political Science, Political Theory

Online Publication Date: Dec 2019 DOI: 10.1093/oxfordhb/9780190253752.013.20

Abstract and Keywords

The canon of political theory rarely deals with Eastern European political thought, either as a regional category or in relation to particular thinkers. The omission has to do with both the current focus on historiography and the assumptions that underlie political theory methods concerning the creation of a canon. This chapter explores how the geopolitical category of Eastern Europe has imposed a hegemonic interpretation of political thought, relegating Eastern European thinkers to a particular and subaltern niche in European studies. To illustrate the argument, the chapter briefly invokes the example of Vaclav Havel's political thought and its reception. The discussion is meant to serve as a springboard to propose a reconsideration of both the study of political theory (and its canon) and the East–West duality as an analytical category.

Keywords: Eastern Europe, political thought, Vaclav Havel, East–West, orientalism

TO write about Eastern European political theory is to open a set of complicated discussions about the cultural, socioeconomic, and geopolitical circumstances that make possible or challenge the very notion of Eastern Europe.¹ The label is heavy with meaning, and choosing one geographic referent (Eastern Europe) over another (say, Central and Eastern Europe) can already be a risky conceptual decision. In one respect, the category is created by exclusion and in contrast to the Western European canon, but that is not sufficient reason to bring together traditions and thinkers that might have little in common. The exploration itself requires us to ask the comparative question rather than presume homogeneity. The main problem with negotiating the conceptualization of Eastern European (EE) thought rests also in the danger of reproducing old divides and segregations that encourage an East–West duality (see Iordachi, Janowski, and Trecesenyi 2005). Yet Eastern Europe, as a general notion, can still serve as an analytical framework, useful to untangle similarities and differences within the region and beyond.

The current discussion about the study of political thought includes a growing and persistent critique of the privileged place of Western European theories in the political and cultural analysis of European ideas and the implications of their centrality (for Eastern Eu-

Political Thought The European Tradition

Martin van Gelderen, Quentin Skinner

Political Thought The European Tradition:

Political Thought Jacob Peter Mayer, Richard Howard Stafford Crossman, Paul Kecskemeti, Cecil Jackson Squire Sprigge, 1939 *Political Thought* J. P. Mayer, 1942 **Political Thought** Jacob Peter Mayer, 1970 *The State Tradition in Western Europe* Kenneth Dyson, 2024-10-31 Why have continental European societies developed the idea of the abstract impersonal state as the fundamental institution of political rule Why on the other hand has this idea played a relatively insignificant part in the history of English speaking countries It is to such questions that this major study is addressed With clarity and conciseness Kenneth Dyson examines the fascinating tapestry of thought about public authority that the state tradition represents and identifies the major individual contributions to that tapestry In addition to offering a clear conceptualisation of state he deals with such key issues as the role of the intellectual the social function of state theories and the difficulties of accommodating state and democracy Republicanism : a shared European heritage Martin van Gelderen, Quentin Skinner, 2002 These volumes offer the first comprehensive study of republicanism as a shared European heritage Professors Skinner and van Gelderen have assembled an internationally distinguished set of contributors whose studies highlight the richness and diversity of European republican traditions Volume I looks at anti monarchism in Europe humanist theories of citizenship and the constitutional nature of the republic Volume II is devoted to the study of key republican values liberty virtue politeness and toleration It also addresses the role of women and relationship between republicanism and the rise of a commercial society Amazon com *The Liberal International Theory Tradition in Europe* Knud Erik Jørgensen, 2021-01-04 This book examines how the liberal international theory tradition evolved in Europe It includes nine chapters focusing on both historical and contemporary branches of liberal IR theorizing The combined portrait of the prominent IR theory orientation shows a long and rich theoretical tradition but also a tradition that the scholarly community rarely fully recognize It is currently somewhat challenged and therefore in need of further advances Concerning the historical branches the authors present a truly European tradition that thus was not only present in a few countries The contributors introduce examples of liberal theorizing that IR scholars tend to dismiss and they trace the boundaries between the liberal and other theoretical traditions Given the prominence of the tradition the book is surprisingly among the first to present a transnational perspective on the development of the liberal international theory tradition in Europe The Soaial and Political Doctrines of Contemporary Europe , **Arendtian Constitutionalism** Christian Volk, 2015-07-30 The meaning and function of law in Hannah Arendt s work has never been the subject of a systematic reconstruction This book examines Arendt s work and reconstructs her ideas through political legal and constitutional theory and shows that her engagement with law is continuous as well as crucial to an adequate understanding of her political thought The author argues that Arendt was very much concerned with the question of an adequate arrangement of law politics and order the so called triad of constitutionalism By adopting this approach the author suggests an alternative interpretation of Arendt s thought which sees

her as thinker of political order who considers as crucial a stable and free political order in which political struggle and dissent can occur. Endorsements: Christian Volk is one of the most original and penetrating Arendt interpreters of his generation. This book addresses some of the most misunderstood aspects of Arendtian thought, namely her views of law and constitutionalism. Volk does away with a lot of misconceptions and guides us to a novel view of Arendt on these questions and beyond. Seyla Benhabib, Yale University. One could not imagine something new on Arendt these days. Too much has been written in the last decades. But this volume discloses new land and gives a fresh look at Arendt's theory of the political. A great book and a must for every reading list. Hauke Brunkhorst, University of Flensburg. Hannah Arendt is famous for her unusual conception of politics, but as Christian Volk's rich and seminal study shows, Arendt's political theory goes hand in hand with a distinctive understanding of law. Volk persuasively charts the emergence of Arendt's complementary approaches to law and politics out of her analysis of the crisis of the European nation state and tests the power of her thought by bringing it into a fresh dialogue with an unusually wide spectrum of contemporary theorists. An impressive work that deserves the new audience it will find in this welcome translation. Patchen Markell, University of Chicago. Christian Volk splendidly discovers Hannah Arendt as a legal theorist. Lawyers interested in her seminal work should just read this book. Christoph M. Lers, Humboldt University, Berlin. As Christian Volk persuasively demonstrates, reading Arendt as a constitutional theorist is more than just adding another dimension to the interpretation of her work. Based on comprehensive textual evidence, he can instead show that this has important conceptual implications which shed a completely new light on the basic aspects of her overall theoretical outlook. Emphasising the procedural grounding of her understanding of democracy, it thus presents a major challenge to many widely held beliefs about Arendt's work and an irresistible invitation to reinvestigate the foundations, promises and prospects of radical politics. Rainer Schmalz, Bruns, Leibniz University of Hanover.

A History of Modern Political Thought in East Central Europe Balázs Trencsenyi, Michal Kopeček, Luka Lisjak Gabrijelčić, Maria Falina, Mónika Baár, 2018-10-18. A History of Modern Political Thought in East Central Europe is a synthetic work authored by an international team of researchers covering twenty national cultures and 250 years. It goes beyond the conventional nation-centered narratives and presents a novel vision, especially sensitive to the cross-cultural entanglement of political ideas and discourses. Its principal aim is to make these cultures available for the global market of ideas and revisit some of the basic assumptions about the history of modern political thought and modernity as such. The present volume is the final part of the project following Volume I: Negotiating Modernity in the Long Nineteenth Century and Volume II: Part I: Negotiating Modernity in the Short Twentieth Century, 1918-1968. OUP, 2018. Its starting point is the defeat of the vision of socialism with a human face in 1968 and the political discourses produced by the various consolidation or normalization regimes. It continues with mapping the exile communities and domestic dissidents' critical engagement with the local democratic and anti-democratic traditions as well as with global trends. Rather than achieving the coveted end of history, however, the liberal

democratic order created in East Central Europe after 1989 became increasingly contested from left and right alike Thus instead of a comfortable conclusion pointing to the European integration of most of these countries the book closes with a reflection on the fragility of democracy in this part of the world and beyond

Reappraising European IR Theoretical Traditions Knud Erik Jørgensen,Audrey Alejandro,Alexander Reichwein,Felix Rösch,Helen Turton,2017-11-14 This book is about European IR theoretical traditions their origins and key figures Theorizing is among the most important activities that take place within scientific disciplines Scholars therefore routinely talk debate about the discipline of IR and its theories theories are often used to form the pedagogical backbone of IR and theories are also a key part of scholarly identities Over time theories crystalize in to schools of thought strands of theorizing and theoretical traditions This book and the volumes that will follow focus on the origins and trajectories of theoretical traditions and key figures of IR thought in Europe in the 20th Century The authors are situated in Europe and it is thus the origins and trajectories of European theoretical traditions its intellectual history and contemporary forms of theoretical knowledge today that are on the agenda In order to achieve this ambitious aim we opt for a transnational sociological history approach thus going beyond the national lens through which IR has been predominantly studied The series will have an integrative function and contribute to a globalized discourse on IR as a discipline The key benefits of this first volume is that it outlines IR theoretical traditions for the first time ever provides a novel framework for exploring IR s theories and contributes to define and strengthen the European identity of IR This book is an invaluable resource for scholars of IR

Theories of Tyranny Roger Boesche,2010-11-01 Ch 10 pp 381 454 Fromm Neumann and Arendt Three Early Interpretations of Nazi Germany discusses the views of Franz Neumann and Hannah Arendt on Nazi antisemitism Neumann in his Behemoth 1942 stated that the Nazis needed a fictitious enemy in order to unify the completely atomized German society into one large Volksgemeinschaft The terrorization of Jews was a prototype of the terror to be used against other peoples Arendt contends in The Origins of Totalitarianism 1951 that it was imperialism which brought about Nazism Nazi antisemitism and the Holocaust Totalitarianism is nothing but imperialism which came home Insofar as imperialism transcends national boundaries racism may be very helpful for it because racism proposes another principle to define the enemy Jews and other ethnic groups e g Slavs became easy targets as groups whose claims clashed with those of the expanding German nation Terror is the essence of totalitarianism and extermination camps were necessary for the Nazis to prove the omnipotence of their regime and their capability of total domination

Republicanism: Volume 1, Republicanism and Constitutionalism in Early Modern Europe Martin van Gelderen,Quentin Skinner,2002-11-21 These volumes are the fruits of a major European Science Foundation

project and offer the first comprehensive study of republicanism as a shared European heritage Whilst previous research has mainly focused on Atlantic traditions of republicanism Professors Skinner and van Gelderen have assembled an internationally distinguished set of contributors whose studies highlight the richness and diversity of European traditions Volume I focuses on the importance of anti monarchism in Europe and analyses the relationship between citizenship and civic humanism concluding with studies of the relationship between constitutionalism and republicanism in the period between 1500 and 1800 Volume II first published in 2002 is devoted to the study of key republican values such as liberty virtue politeness and toleration This volume also addresses the role of women in European republican traditions and contains a number of in depth studies of the relationship between republicanism and the rise of a commercial society in early modern Europe

Republicanism Martin van Gelderen, Quentin Skinner, 2002 These volumes offer the first comprehensive study of republicanism as a shared European heritage Professors Skinner and van Gelderen have assembled an internationally distinguished set of contributors whose studies highlight the richness and diversity of European republican traditions Volume I looks at anti monarchism in Europe humanist theories of citizenship and the constitutional nature of the republic Volume II is devoted to the study of key republican values liberty virtue politeness and toleration It also addresses the role of women and relationship between republicanism and the rise of a commercial society Amazon com

Aristotle N. Jayapalan, 1999 The Book Deals With All Aspects Of Aristotle Including His Birth Career And Contributions In An Excellent Manner In This Book The Events Have Been Recorded In Chronological Order It Also Provides An Introduction To Aristotle In Brief Aristotle S Contributions Are Traced In A Lucid Manner So As To Meet The Requirements Of The Students And The Common Readers From This Book We Get A Clear Picture About The Comparative Ideas Of Socrates And Plato And Plato And Aristotle In Respect Of Many Institutions

Morality and Responsibility of Rulers Anthony Carty, Janne Nijman, 2018-02-09 The history of ideas on rule of law for world order is a fascinating one as revealed in this comparative study of both Eastern and Western traditions This book discerns rule of law as justice conceptions alternative to the positivist conceptions of the liberal internationalist rule of law today The volume begins by revisiting early modern European roots of rule of law for world order thinking In doing so it looks to Northern Humanism and to natural law in the sense of justice as morally and reasonably ordered self discipline Such a standard is not an instrument of external monitoring but of self reflection and self cultivation It then considers whether comparable concepts exist in Chinese thought Inspired by Confucius and even Laozi the Chinese official and intellectual elite readily imagined that international law was governed by moral principles similar to their own A series of case studies then reveals the dramatic change after the East West encounters from the 1860s until after 1901 as Chinese disillusionment with the Hobbesian positivism of Western international law becomes ever more apparent What therefore are the possibilities of traditional Chinese and European ethical thinking in the context of current world affairs Considering the obstacles which stand in the way of this both East and West this book reaches the conclusion that everything

is possible even in a world dominated by state bureaucracies and late capitalist postmodernism The rational ethical spirit is universal

Comparative Federalism Michael Burgess, 2006-09-27 A new examination of contemporary federalism and federation which delivers a detailed theoretical study underpinned by fresh case studies It is grounded in a clear distinction between federations particular kinds of states and federalism the thinking that drives and promotes them It also details the origins formation evolution and operations of federal political interests through an authoritative series of chapters that analyze the conceptual bases of federalism and federation through the evolution of the intellectual debate on federalism the American Federal experience the origins of federal states and the relationship between state building and national integration explore comparative federalism and federation by looking at five main pathways into comparative analysis with empirical studies on the US Canada Australia India Malaysia Belgium Germany Austria Switzerland and the EU explore the pathology of federations looking at failures and successes the impact of globalization The final chapter also presents a definitive assessment of federal theory This book will be of great interest to students and researchers of federalism devolution comparative politics and government

Toward an Understanding of Europe Alan W. Ertl, 2008 For the earnest student of Europe this unique work brings together a basic review of essential segments of intellectual thinking In this volume pertinent conceptual relationships substantial relevant particulars and an array of specific mechanics are all intertwined and used as a focus to examine the ongoing complex European integration process By defining important parameterizations this text develops a paradigm probing the current day international activities which are rapidly leading to meta national European supra nationality The most basic substantive of the integration process is the collective various peoples of Europe with their individual diversities The origins of these collective diversities the defining historical nationhood precedent is herein examined revealing the essential elements of individual identities ethnologies linguistic collectivities and other antecedents imputing elements which compose the substance and stuff today coalescing into tomorrow s future harmonized European identity This book is unique as it traces from many different origins the elements that are merging Europe into one collective future This book sketches a process of onward integration as a continuation of what has happened in the past This argument is augmented with many time lines definition martial and historical presentation making it easy for the reader to grasp straightforwardly the wide ranging substance out of which a single whole is being constructed As a cognitive dynamic movements such as the Nordic League European Union and EFTA as well as many other entities have been noted movements each in their own way all contributing to an overall integrated Europe As the more prominent initiative the European Union with its diverse and constituent parts is carefully presented as well as its unique decision making process which is working to focus singular interests into collective benefits Integration is an inevitable byproduct of continentalization itself a sub consideration of globalization The time and perhaps the gestalt of the end result of this activity is not known however with a comprehensive overview the motion is clearly identifiable and the direction unequivocally

certain The Single House of Europe is being built of very different elements This book defines these elements in terms of a paradigm for understanding the process of integration the process that is rapidly forming the new Single House of Europe

Thank you for reading **Political Thought The European Tradition**. As you may know, people have search numerous times for their favorite readings like this Political Thought The European Tradition, but end up in harmful downloads. Rather than enjoying a good book with a cup of tea in the afternoon, instead they are facing with some malicious bugs inside their laptop.

Political Thought The European Tradition Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Political Thought The European Tradition free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Political Thought The European Tradition free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for

instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Political Thought The European Tradition free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Political Thought The European Tradition. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Political Thought The European Tradition any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Political Thought The European Tradition Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Political Thought The European Tradition is one of the best book in our library for free trial. We provide copy of Political Thought The European Tradition in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Political Thought The European Tradition. Where to download Political Thought The European Tradition online for free? Are you looking for Political Thought The European Tradition PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Political Thought The European Tradition. This method for see exactly what may be included and

adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Political Thought The European Tradition are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Political Thought The European Tradition. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Political Thought The European Tradition To get started finding Political Thought The European Tradition, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Political Thought The European Tradition So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Political Thought The European Tradition. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Political Thought The European Tradition, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Political Thought The European Tradition is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Political Thought The European Tradition is universally compatible with any devices to read.
