Stephen A. King, 2014-07-10 Who changed Bob Marley's famous peace and love anthem into 'Come to Jamaica and feel all right' When did the Rastafarian fighting white colonial power become the smiling Rastaman spreading beach towels for American tourists Drawing on research in social movement theory and protest music Reggae Rastafari and the Rhetoric of Social Control traces the history and rise of reggae and the story of how an island nation commandeered the music to fashion an image and entice tourists Visitors to Jamaica are often unaware that reggae was a revolutionary music rooted in the suffering of Jamaica's poor Rastafarians were once a target of police harassment and public condemnation Now the music is a marketing tool and the Rastafarians are no longer a violent counterculture but an important symbol of Jamaica's new cultural heritage This book attempts to explain how the Jamaican establishment's strategies of social control influenced the evolutionary direction of both the music and the Rastafarian movement From 1959 to 1971 Jamaica's popular music became identified with the Rastafarians a social movement that gave voice to the country's poor black communities In response to this challenge the Jamaican government banned politically controversial reggae songs from the airwaves and jailed or deported Rastafarian leaders Yet when reggae became internationally popular in the 1970s divisions among Rastafarians grew wider spawning a number of pseudo Rastafarians who embraced only the external symbolism of this worldwide religion Exploiting this opportunity Jamaica's new Prime Minister Michael Manley brought Rastafarian political imagery and themes into the mainstream Eventually reggae and Rastafari evolved into Jamaica's chief cultural commodities and tourist attractions

Visions of Zion Erin C. MacLeod, 2014-07-04 In reggae song after reggae song Bob Marley and other reggae singers speak of the Promised Land of Ethiopia Repatriation is a must they cry The Rastafari have been travelling to Ethiopia since the movement originated in Jamaica in 1930s They consider it the Promised Land and repatriation is a cornerstone of their faith Though Ethiopians see Rastafari as immigrants the Rastafari see themselves as returning members of the Ethiopian diaspora In Visions of Zion Erin C MacLeod offers the first in depth investigation into how Ethiopians perceive Rastafari and Rastafarians within Ethiopia and the role this unique immigrant community plays within Ethiopian society Rastafari are unusual among migrants basing their movements on spiritual rather than economic choices This volume offers those who study the movement a broader understanding of the implications of repatriation Taking the Ethiopian perspective into account it argues that migrant and diaspora identities are the products of negotiation and it illuminates the implications of this negotiation for concepts of citizenship as well as for our understandings of pan Africanism and south south migration Providing a rare look at migration to a non Western country this volume also fills a gap in the broader immigration studies literature

Law, Religion and Human Flourishing in Africa M. Christian Green, 2019-05-19 A shared interest of law and religion is the advancement of human flourishing yet there is no common understanding of what it means for humans to flourish and the means by which to attain a flourishing life The concept of human flourishing is especially important for Africa where community and national development compete with forces of conflict and scarce resources In the broadest sense the concept of human flourishing focuses our attention on having a comprehensively good or worthwhile life but various religious and legal traditions suggest different norms for measuring the quality of life and designing the institutional structures that could best facilitate and preserve it
