Management in South Korea Revisited Chris Rowley,Malcolm Warner,2016-03-17 This edited collection examines the changing contours of Korean management and business presenting recent scholarly research into this important Asian economic player As one of the original Little Dragon or Tiger economies South Korea has grown and prospered since the early years of the 1960s and is now home to several major word class multinational companies such as Hyundai and LG Samsung In turn it has developed a distinctive style of management which derives from a shared Asian heritage but is nonetheless unique to South Korea The collection covers a variety of themes topics and issues from a range of perspectives and fields in management and business studies This book was originally published as a special issue of Asia Pacific Business Review *Business Networks in East Asian Capitalisms* Jane Nolan,Chris Rowley,Malcolm Warner,2016-09-16 Business Networks in East Asian Capitalisms Enduring Trends Emerging Patterns builds on the foundational studies conducted in the 1990s by gathering contemporary empirical and theoretical chapters which explore these themes in a comparative perspective The book includes contributions from authors working on the relationship between personal and business

networks in countries including China Singapore Malaysia Taiwan Japan South Korea Vietnam Laos Cambodia and Thailand Authors emphasize enduring trends in social and business networks and or track new emerging patterns both within East Asian nations or between East Asia and other regions such as Europe Africa and the Americas Provides contemporary up to date empirical material and theoretical interpretation charting the influence of more recent globalizing trends and institutional change in the region Includes studies of networks within PRC between PRC and other regions and in Chinese communities Offers studies centered on Korean Japanese and South East Asian Networks Includes a geographical scope that will be broader than other books aiming to include studies of newly developing economies in South East Asia that share a common cultural heritage e g Vietnam

The Evolution of Multinationals from Japan and the Asia Pacific Robert Fitzgerald,Chris Rowley,2018-10-11 The rise of the Japanese multinational company JMNC marked from the 1980s onwards an historic change in the structure and in the dynamics of the international economy For the first time businesses from a non Western nation established a competitive global presence and they did so by bringing their advanced products and management systems to the developed economies of Europe and North America In the last 30 years our interpretations of JMNCs have undergone a series of revisions Korean firms followed JMNCs in the 1990s and the Chinese likewise in the 2000s A seeming decline in JMNC competitiveness and developments in the structure of the international economy challenged a business model of parental company direction control and capabilities Both trends asked questions about how Japanese subsidiaries should operate in global production chains increasingly reliant on contracting out and off shoring and how JMNCs might engage more in strategic cooperation and empower subsidiary decision making The contributors to this volume consider a wide range of relevant issues they demonstrate the long term evolution of JMNCs they compare the experience of JMNCs with firms from the other two major Asia Pacific economies Korea and China they evaluate the applicability of established foreign direct investment FDI theory to MNCs from Japan and the Asia Pacific and they reflect on the internal organization of JMNCs at the global national and subnational level This book was originally published as a special issue of Asia Pacific Business Review

Globalization and Competitiveness Chris Rowley,Malcolm Warner,2013-09-13 This book evaluates the evolution of Big Business in Asia as we enter the new millennium It focuses on recent issues affecting large corporations both indigenous and foreign owned such as multinational companies and international joint ventures as well as on key events such as the Asian Crisis and its aftermath China s entry into the WTO the recent downturn in the world economy and the onset of SARS A special issue of the journal Asia Pacific Business Review

Asian Firms Frank B. Tipton,2008-01-01 This book appeals to a wide range of readers who might be interested in the historical development of

Asian economies evolutionary trajectories of Asian firms institutional change and dynamics in Asia and management and organization of Asian firms For readers who are interested in specific Asian economies this book will also be useful because it provides a comparative perspective that examines different Asian economies and their forms in a single work Henry Wai chung Yeung National University of Singapore Tipton provides a fresh approach to understand how Asian firms differ from their western counterparts Paul Beamish University of Western Ontario Canada Frank Tipton s book is a comparative study of the management structures of Asian firms As Asian economies continue to expand the management of Asian firms becomes ever more important whether they are suppliers customers partners or rivals As the author argues Asian firms are very different from their Western counterparts and these differences reflect the variations in national history and institutions within which they operate Asian Firms compares Chinese Japanese Korean and Southeast Asian management structures and sets them in their historical and institutional context Based on a wide range of interviews and material drawn from a variety of disciplines the argument is framed by the sayings of the legendary strategist Sun Tzu and the renowned businessman Tao Zhu gong A series of case studies illustrate the strengths and weaknesses of the approaches of managers in each of the national traditions Asian Firms asks in each case what Western managers can learn from Asian firms and what Asian firms can learn from each other With a multidisciplinary approach and emphasis on practical lessons and tools the book will be of great use and interest for managers It will also appeal to students and researchers of international business postgraduate management students in courses with a comparative or Asian emphasis as well as academics and researchers of Asian studies

Migrant Workers in Pacific Asia Yaw A. Debrah, 2018-12-07 The migration of workers to the high growth countries in Pacific Asia in the 1980s was a new phenomenon in these countries As such the host governments did not have in place adequate housing social security and legal protection but the tight controls following the financial crisis have pushed these issues to the back burner This volume discusses the debates and controversies surrounding this issue in Malaysia Taiwan SIngapore South Korea Japan and China

Enterprise and Welfare Reform in Communist Asia Peter Ferdinand, Martin Gainsborough, 2004-08-02 Featuring a wide geographical scope this collection of essays surveys enterprise and welfare reforms in all the remaining four Asian communist states China Vietnam Laos and North Korea Since the collapse of the Soviet Union they can no longer place major reliance upon assistance from other fraternal states and have to devise their own strategies for survival All have shown a trend towards greater reliance on market forces though in different ways and to varying degrees Enterprise management has to adapt to this In some of them entrepreneurs have become politically and socially acceptable They may even begin to set trends for social evolution Yet since state enterprises used to be responsible for all welfare payments to employees and their families management reforms cannot be separated from those of welfare arrangements Reducing an enterprise s non commerical obligations for the sake of greater market efficiency is bound to affect welfare provision It also reopens the role of official trade unions How these regimes cope with these conflicting

pressures are vital factors in their long term viability International Business Research Moshe Banai, Abraham Stefanidis, Jean J. Boddewyn, 2024-02-01 Drawing on contributions from nine prominent scholars the book reflects on global aspects of research in work employment leadership management and business It follows current trends in global business research and recommends directions for closing the gaps between theory and practice for the benefit of executives in multinational corporations academics and international transients Work and employment remain important and a core part of life giving not only a sense of purpose routine and meaning but also independence and the ability to connect and contribute to the lives of others and society Leadership styles and management behaviors in earlier multi country studies did not demonstrate significant associative patterns regarding interpersonal leadership in different countries and the use of mainstream single country leadership meta categories was invalidated Thus future studies of leadership should focus on investigating interpersonal leadership across national borders in combination with contemporary trends such as distance leadership global virtual teams and intersectionality As more and more people seek employment across borders various types of sojourners specifically millions of low status international workers with some few exceptions have largely been ignored by scholars who study international mobility This failure adds to the research practice gap between scholars who investigate and the practitioners who manage sojourners of all status levels This book will appeal to scholars in leadership management international business cultural studies and to practicing managers The chapters in this book were originally published in *International Studies of Management Organization* *Market Entry Strategies* Mario Glowik, 2020-09-21 This entirely revised and updated third edition of *Market Entry Strategies* continues to combine the profound explanation of internationalization theories and concepts with real life firm cases Reviewing the readers valuable feedback from successful previous editions this version targets to improve the readability New firm cases of Delivery Hero and Tesla contribute to broaden the books industry focus Particular attention is paid on the case studies developed to exercise in light of business practice what is theoretically taught and explained in the textbook Through its link to digital learning tools such as charts available to the public at YouTube this new edition provides best pre requisites for distance learning environments
