Marginalia Of Family Letters:

Communities of Journalism David Paul Nord, 2001 Widely acknowledged as one of our most insightful commentators on the history of journalism in the United States David Paul Nord offers a lively and wide ranging discussion of journalism as a vital component of community In settings ranging from the religion infused towns of colonial America to the rapidly expanding urban metropolises of the late nineteenth century Nord explores the cultural work of the press **Benjamin Franklin** Harold Bloom, 2009 Presents important literary criticism of selected works by Benjamin Franklin **The Magazine of History, with Notes and Queries**, 1913 *An African Family Archive* Adam Jones, Peter Sebald, 2005-09-22 This is a rare and detailed account of what it meant to individual Africans to be turned almost overnight into colonial subjects in the nineteenth century The Lawson family of Aneho a small town on the coast of Togo possesses a letterbook of 718 documents in English and this is the first attempt to publish such a source in its entirety The correspondence dates mainly from the periods 1841-77 relating to the transition from the Atlantic slave trade to legitimate trade mainly in palm oil and 1883-85 a period dominated by the efforts of King G A Lawson III to prevent Aneho and its surroundings from becoming part of a French or German colony The volume also contains documents from the early twentieth century including some illuminating pieces of local historiography The documents are framed by a comprehensive editorial apparatus **An Collins and the Historical Imagination** W. Scott Howard, 2016-04-15 The first edited collection of scholarly essays to focus exclusively on An Collins this volume examines the significance of an important religious and political poet from seventeenth century England The book celebrates Collins's writing within her own time and ours through a comprehensive assessment of her poetics literary religious and political contexts critical reception and scholarly tradition An Collins and the Historical Imagination engages with the complete arc of research and interpretation concerning Collins's poetry from 1653 to the present The volume defines the center and circumference of Collins scholarship for twenty first century readers The book's thematically linked chapters and appendices provide a multifaceted investigation of An Collins's writing religious and political milieu and literary legacy within her time and ours **The Limits of Familiarity** Lindsey Eckert, 2022-06-17 The Limits of Familiarity analyzes the intensely personal feelings that Romantic era readers came to have for authors Contributing to reception studies celebrity studies and literary history this book reveals how anxieties about the cultural value of familiarity shaped both Romanticism and conceptions of authorship *The Cambridge Bibliography of English Literature* Frederick Wilse Bateson, 1940 *A Chronology of Jane Austen and Her Family* Deirdre Le Faye, 2006-02-23 For more than thirty years Deirdre Le Faye one of the world's leading authorities on Jane Austen has been gathering and organising every single piece of information available about the Austen family before during and after Jane's lifetime Her unique chronology containing some ten thousand entries is now available in paperback For the first time those interested in Jane Austen can discover where she was and what she was doing at many precise moments of her life The entries many taken

from hitherto unexplored and unpublished documents are presented in a clear and readable form and each item of information is linked to its source The volume includes family trees for the extended Austen and Knight families from the sixteenth to the twentieth centuries This is a key work of reference that every scholar and reader of Austen will find fascinating and indispensable **Jane Austen: A Family Record** Deirdre Le Faye, 2004 This book is the outcome of years of research in Austen archives and stems from the original family biography by W and R A Austen Leigh Jane Austen her Life and Letters Jane Austen A Family Record was first published in 1989 and this edition incorporates information that has come to light since then and provides new illustrations and updated family trees Le Faye gives a detailed account of Austen's life and literary career She has collected together documented facts as well as the traditions concerning the novelist and places her within the context of a widespread affectionate and talented family group Readers will learn how Austen transformed the stuff of her peaceful life in the Hampshire countryside into six novels that are amongst the most popular in the English language This fascinating record of Austen and her family will be of great interest to general readers and scholars alike

Herman Melville's Malcolm Letter Hennig Cohen, Donald Yannella, 1992 The Malcolm Letter was written by Melville in 1849 on the birth of his son This letter is one of thirty six to be retrieved since the publication of *The Letters of Herman Melville* 1960 and has earned a place in the New York Public Library's Gansevoort Lansing Collection Addressed to Melville's brother the letter entices critics to read it on several levels It reveals Melville's serious consideration of his own father's influence on his upbringing as he anticipates undertaking the role of father himself It is not a literary work but a deeply personal outpouring distinguished by dark underpinnings barely hidden by his light hearted tone In a bit of dramatic irony Melville reflects on the responsibility looming ahead of him as the reader notes the tragedy that Melville cannot possibly foresee his son Malcolm's suicide eighteen years later Cohen's and Yannella's careful study relives for the reader this and other events which shaped the clannish Melville family history They also show how the author's struggle with these pressures are manifested in his writing This volume is published in cooperation with the New York Public Library **A Very Queer Family Indeed** Simon Goldhill, 2016-10-03 We can begin with a kiss though this will not turn out to be a love story at least not a love story of anything like the usual kind So begins *A Very Queer Family Indeed* which introduces us to the extraordinary Benson family Edward White Benson became Archbishop of Canterbury at the height of Queen Victoria's reign while his wife Mary was renowned for her wit and charm the prime minister once wondered whether she was the cleverest woman in England or in Europe The couple's six precocious children included E F Benson celebrated creator of the Mapp and Lucia novels and Margaret Benson the first published female Egyptologist What interests Simon Goldhill most however is what went on behind the scenes which was even more unusual than anyone could imagine Inveterate writers the Benson family spun out novels essays and thousands of letters that open stunning new perspectives including what it might mean for an adult to kiss and propose marriage to a twelve year old girl how religion in a family could support or destroy relationships

or how the death of a child could be celebrated No other family has left such detailed records about their most intimate moments and in these remarkable accounts we see how family life and a family's understanding of itself took shape during a time when psychoanalysis scientific and historical challenges to religion and new ways of thinking about society were developing This is the story of the Bensons but it is also more than that it is the story of how society transitioned from the high Victorian period into modernity *The Atlantic Monthly*, 1929 Imaging Stuart Family Politics Catriona Murray, 2017-07-05 From conception onwards Stuart offspring were presented to their subjects through texts images and public celebrations Audiences were exhorted to share in their development establishing affective bonds with the royal family and its latest additions Yet inviting the public into Stuart domestic affairs exposed them to intense scrutiny and private interactions were endowed with public dimensions Images of royal children had the potential both to support and to undermine dynastic messages In *Imaging Stuart Family Politics* Catriona Murray explores the promotion of Stuart familial propaganda through the figure of the royal child Bringing together royal ritual court portraiture and popular prints she offers a distinctive perspective on this crucial dimension of seventeenth century political culture exploring the fashioning and dismantling of reproductive imagery as well as the vital role of visual display within these dialogues This wide ranging study will appeal to scholars of Stuart cultural political and social history *Letter Writing Among Poets* Jonathan Ellis, 2015-01-13 No detailed description available for *Letter Writing Among Poets* **Adams Family Correspondence** Lyman Henry Butterfield, Marc Friedlaender, Richard Alan Ryerson, Hobson Woodward, 1963 A collection of letters exchanged by members of the Adams family through three full generations and part of a fourth beginning with the courtship of John Adams and Abigail Smith and ending with the death of Abigail Brooks Adams wife of the first Charles Francis Adams United States minister to London during the American Civil War *Notes and Queries*, 1929 The Letters of Charles Harpur and his Circle Paul Eggert, Chris Vening, 2023-12-01 This is the first collection in print of the letters of Australian colonial poet Charles Harpur 1813-68 and his circle Supported by extensive annotation newly prepared for this edition the 200 letters and life documents open up successive phases of colonial culture from the 1830s to the 1860s in a newly focused way Harpur's two way correspondence with poet Henry Kendall and with poet and future premier of NSW Henry Parkes is especially impressive The letters selected for this edition document Harpur's life in a previously unavailable way They reveal the intriguing struggle of a high minded young man to pursue a serious vocation as a poet amidst the unpromising contours of colonial New South Wales society Despite bearing the taint of a convict family background Harpur took his vocation with utmost seriousness and had much to endure before he would find recognition as a poet mainly in colonial newspapers where his poems made over 900 appearances This edition captures the process in detail as well as the production in 1883 of his *Poems* in book form Even though editorially mangled *Poems* confirmed his reputation and led to his presence in dozens of anthologies down to the present day **Marginal Notes** Patrick Spedding, Paul Tankard, 2021-03-13 *Marginal Notes* Social
