The correspondence is fully annotated the volumes are illustrated and the holographic idiosyncrasies of the originals are rendered typographically wherever possible Rich in revelations about the extraordinary lives of the Lambs these beautifully written letters are an inexhaustible store of information about the Romantic era and its major figures Wordsworth Keats and Coleridge The publication of unexpurgated and authoritative texts is an important literary event The first volume was published in 1975 the bicentenary of Charles Lamb s birth It contains 102 letters written by Charles many of them after Mary murdered their mother Among the recipients were the poets Coleridge Southey and Wordsworth The letters provide shrewd observations on his friends writings and his own vivid descriptions of life in London and compassionate but candid remarks concerning his family and acquaintances Notes to each letter place it in context quoting where necessary from the correspondence Lamb is answering Volume I includes Professor Marrs s extensive Introduction to the entire collection After supplying a biography of the Lamb family up to the murder he treats Mary s and Charles s life together until Charles s death tracing through the letters a relationship that remained warm and affectionate even under the shadow of Mary s insanity Professor Marrs also gives the publishing history of the letters and sets forth the principles upon which his edition is based
