Marina Tsvetaeva Poetics Of Appropriation:

Marina Tsvetaeva Michael Makin,1993 Tsvetaeva s work has an originality and diversity that has been hitherto neglected by critics Michael Makin s book examines in depth her entire poetic output paying particular attention to the appropriation and frequent distortion of familiar literary material in her lyrical dramatic and narrative verse Major chapters are devoted to the long narrative poems the mature lyric verse and the verse plays on which very little has so far been written

The Ethics of the Poet Ute Stock,2005 This study rehabilitates Tsvetaeva as a serious innovative ethical thinker who developed an ethics for the poet that could dispense with universal value guarantees For Tsvetaeva ethical judgements had to be individual rather than universal open to revision rather than permanent Examining her ideational background the study sheds new light on the pre exile years when Tsvetaeva suffered from a profound uncertainty about the moral nature and duty of the poet It identifies the experience of exile as a catalyst for the development of her ethical thought that culminated in *Iskusstvo pri svete sovesti* Considering Tsvetaeva s application of her ethics in her life this study reveals her emphasis on the personal to be the direct result of her ethical belief in individual judgements Her conscious effort persistently to counteract dominant political ideologies similarly stems from her ethical suspicion of any kind of claim on universal truth Finally the study assesses the significance of Tsvetaeva s suicide revealing it to be the inevitable terrifying consequence of her ethical self definition her commitment to individual freedom and the pursuit of higher truths **A**

Violence in the Contemporary Female Text V.G. Bakhtin and the Social Moorings of Poetry Donald Wesling, 2003-07 This book rescues Bakhtin from his overstatements concerning poetry and gives the theoretical and practical basis for reading poems with the help of Bakhtin's categories of utterance heteroglossia and dialogue In addition through this rescue the book offers a modest but strong foundation for a reading of poetry and indeed of all literary texts where a clash of social positions is fought out on the territory of the utterance To find a believable poetics of social forms is the order of the day and Donald Wesling's admiring and yet skeptical revision of Bakhtin will be part of the explanation we need Jacket

The Bilingual Muse Adrian Wanner, 2020-06-15 The *Bilingual Muse* analyzes the work of seven Russian poets who translated their own poems into English French German or Italian Investigating the parallel versions of self translated poetic texts by Vladimir Nabokov Joseph Brodsky Andrey Gritsman Katia Kapovich Marina Tsvetaeva Wassily Kandinsky and Elizaveta Kulman Adrian Wanner considers how verbal creativity functions in different languages the conundrum of translation and the vagaries of bilingual identities Wanner argues that the perceived marginality of self translation stems from a romantic privileging of the mother tongue and the original text The unprecedented recent dispersion of Russian speakers over three continents has led to the emergence of a new generation of diasporic Russians who provide a more receptive milieu for multilingual creativity

The Same Solitude Catherine Ciepiela, 2018-09-05 Still we have the same solitude the same journeys and searching and the same favorite turns in the labyrinth of literature and history Boris Pasternak to Marina Tsvetaeva One of the most compelling episodes of twentieth century Russian literature involves the epistolary romance that blossomed between the modernist poets Marina Tsvetaeva and Boris Pasternak in the 1920s Only weeks after Tsvetaeva emigrated from Russia in 1922 Pasternak discovered her poetry and sent her a letter of praise and admiration Tsvetaeva's enthusiastic response began a decade long affair conducted entirely through letters This correspondence written across the widening divide separating Soviet Russia from Russian migrants in continental Europe offers a view into the overlapping worlds of literary creativity sexual identity and political affiliation Following both sides of their conversation Catherine Ciepiela charts the poets changing relations to each other to the extraordinary political events of the period and to literature itself *The Same Solitude* presents the first full account of this affair of letters and poems from its beginning in the summer of 1922 to its denouement in the 1930s Drawing on many previously untranslated letters and poems Ciepiela describes the poets mutual influence both in the course of their lives and the development of their art Neither poet saw any separation between a poet's life and work and Ciepiela treats each poet's letters and poems as a single text She discusses the poets famous triangular correspondence with Rainer Maria Rilke in 1926 and she addresses the profound significance of Tsvetaeva for Pasternak who is often perceived mistakenly Ciepiela asserts as the more detached partner Further this book expands our understanding of poetic modernism by showing how the poets worked through ideas about gender and writing in the context of what they themselves called a literary

marriage One Less Hope Constantin V.
