and temple This worship in God's nuptial chamber in turn anticipated the ultimate fulfillment of the divine human marriage in the messianic age at the end of history The first part of the book explores the marriage through Israel's biblical history in light of ancient Jewish exegesis The second part unveils the marriage in the ancient interpretation of the Song of Songs and in wisdom literature The third part reveals how the same symbolism is taken up in the New Testament and applied to the marriage between Christ and the Church
