Weiss, John Gage, Mark Rothko, National Gallery of Art (U.S.), Musée d'art moderne de la ville de Paris, Whitney Museum of American Art, 1998-01-01 Overzicht van het werk van de Amerikaanse schilder 1903 1970 **Mark Rothko** James E. B. Breslin, 2012-08-13 The first full length biography of Mark Rothko one of the greatest artists of the 20th century tells the story of a life in art and the convergence of genius and ego culture and commerce that defined the New York art scene of the 1930s 40s and 50s 21 color plates **Mark Rothko** Mark Rothko, 1993 *Mark Rothko* Christopher Rothko, 2015-01-01 Mark Rothko 1903 1970 world renowned icon of Abstract Expressionism is rediscovered in this wholly original examination of his art and life written by his son Synthesizing rigorous critique with personal anecdotes Christopher the younger of the artist s two children offers a unique perspective on this modern master Christopher Rothko draws on an intimate knowledge of the artworks to present eighteen essays that look closely at the paintings and explore the ways in which they foster a profound connection between viewer and artist through form color and scale The prominent commissions for the Rothko Chapel in Houston and the Seagram Building murals in New York receive extended treatment as do many of the lesser known and underappreciated aspects of Rothko s oeuvre including reassessments of his late dark canvases and his formidable body of works on paper The author also discusses the artist s writings of the 1930s and 1940s the significance of music to the artist and our enduring struggles with visual abstraction in the contemporary era Finally Christopher Rothko writes movingly about his role as the artist s son his commonalities with his father and the terms of the relationship they forged during the writer s childhood Publisher s description **Writings on Art** Mark Rothko, 2006-01-01 The first collection of Mark Rothko s writings which range the entire span of his career While the collected writings of many major 20th century artists including Barnett Newman Robert Motherwell and Ad Reinhardt have been published Mark Rothko s writings have only recently come to light beginning with the critically acclaimed *The Artist s Reality* Philosophies of Art Rothko s other written works have yet to be brought together into a major publication *Writings on Art* fills this significant void it includes some 90 documents including short essays letters statements and lectures written by Rothko over the course of his career The texts are fully annotated and a chronology of the artist s life and work is also included This provocative compilation of both published and unpublished writings from 1934 69 reveals a number of things about Rothko the importance of writing for an artist who many believed had renounced the written word the meaning of transmission and transition that he experienced as an art teacher at the Brooklyn Jewish Center Academy his deep concern for meditation and spirituality and his private relationships with

contemporary artists including Newman Motherwell and Clyfford Still as well as journalists and curators As was revealed in Rothko's *The Artist's Reality* what emerges from this collection is a more detailed picture of a sophisticated deeply knowledgeable and philosophical artist who was also a passionate and articulate writer **Mark Rothko in New York** Mark Rothko, Diane Waldman, 1994 Mark Rothko 1903 1970 was among the greatest painters of his generation His closest friends and colleagues were New Yorkers and New York was the city in which he lived and worked It is fitting then that the city's five largest art museums the Brooklyn Museum the Solomon R Guggenheim Museum the Metropolitan Museum of Art the Museum of Modern Art and the Whitney Museum of American Art should together hold one of the richest and most varied collections of this extraordinary painter's work This volume illustrates every work by Rothko in these great museums in glowing full color reproductions and in the process surveys his entire career Although Rothko is most famous for his luminous Color field canvases he also created early figurative oils and delicate surrealist fantasies in watercolor and oil
