Market For Glory Fleet Street Ownership In The 20th Century:

The Market for Glory Simon Jenkins, 1986-01-01 Plant Here The Standard Dennis Griffiths, 2016-07-27 Plant Here the Standard tells the story of the world's oldest evening newspaper the London Evening Standard Commencing in the time of Oliver Cromwell it traces the history of the Baldwin Family fearless Protestant publishers whose successors launched The Standard in 1827 Later owners of the paper were to include C Arthur Pearson founder of the Daily Express Lord Beaverbrook and now Lord Rothenbury And throughout there are tales of the paper's scoops its famous journalists and cartoonists and its political involvements Read All About It! Kevin Williams, 2009-09-16 This Text book traces the evolution of the newspaper documenting its changing form style and content as well as identifying the different roles ascribed to it by audiences government and other social institutions Starting with the early 17th century when the first prototype newspapers emerged through Dr Johnson the growth of the radical press in the early 19th century the Lord Northcliffe revolution in the early 20th century the newspapers wars of the 1930s and the rise of the tabloid in the 1970s right up to Rupert Murdoch and the online revolution the book explores the impact of the newspapers on our lives and its role in British society Using lively and entertaining examples Kevin Williams illustrates the changing form of the newspaper in its social political economic and cultural context As well as telling the story of the newspaper he explores key topics in detail making this an ideal text for students of journalism and the British newspaper Issues include newspapers and social change the changing face of regional newspapers the impact of new technology development of reporting techniques forms of press regulation *The Man Who Owns the News* Michael Wolff, 2008-12-02 From the author of *Fire and Fury* this irresistible account offers an exclusive glimpse into a man who wields extraordinary power and influence in the media on a worldwide scale and whose family is being groomed to carry his legacy into the future If Rupert Murdoch isn't making headlines he's busy buying the media outlets that generate them His News Corp holdings from the New York Post Fox News and The Wall Street Journal to name just a few are vast and his power is unrivaled So what makes a man like this tick Michael Wolff gives us the definitive answer in *The Man Who Owns the News* With unprecedented access to Rupert Murdoch himself and his associates and family Wolff chronicles the astonishing growth of Murdoch's 70 billion media kingdom In intimate detail he probes the Murdoch family dynasty from the battles that have threatened to destroy it to the reconciliations that seem to only make it stronger Drawing upon hundreds of hours of interviews he offers accounts of the Dow Jones takeover as well as plays for Yahoo and Newsday as they've never been revealed before **Fleet Street** Dennis Griffiths, 2006 Presents the history of the press in London from its earliest days through to the relaunch of The Guardian This book talks about political opinion commercial opportunism technological advances price wars satisfying the thirst for news the influence of editors great feature writers gossip columnists advertising campaigns and more This authoritative history of the press in London from its earliest days through to the relaunch of The Guardian this year tells a fascinating story There were newsbooks during the turbulent Civil

War period and rigorously state controlled newspapers such as the London Gazette launched afterwards but the newspaper industry as we know it today really began to flourish in the 1690s when released from censorship New papers have been launched every year since then and just a few have adapted and survived Give the readers what they want soon became the watchword used And that is what this book aims to do too Political opinion commercial opportunism technological advances price wars satisfying the thirst for news with newshounds who sniff out the day s stories the influence of editors great feature writers gossip columnists advertising campaigns the invention of the cartoon strip and crosswords the power of the Press Barons and then the breaking of the power of the unions all contribute to the story that Griffiths weaves so expertly

Britain Since 1945 Jonathan Hollowell,2008-04-15 This book offers a comprehensive overview of Britain s development since the end of the Second World War It comprises 23 contributions from leading authorities and newer scholars set in context with a foreword by Raymond Seitz A comprehensive and fascinating introduction to Britain from the end of the Second World War Draws together the themes that have dominated discussion amongst scholars and media commentators The chapters are set in context with a foreword by Raymond Seitz Covers topics such as foreign policy political parties the media race relations women and social change science and IT culture industrial relations the welfare state and political and economic issues in Scotland Wales and Northern Ireland **Popular Newspapers, the Labour Party and British Politics** James Thomas,2007-05-07 IT S THE SUN WOT WON IT was the famous headline claim of Britain s most popular newspaper following the Conservative party s victory over Labour in the 1992 general election The headline referred to a virulent press campaign against Neil Kinnock s Labour party and dramatically highlighted one of the chief features of British politics during the twentieth century the conflict between a socialist Labour party and a capitalist popular press Labour s frequent complaints of the political and electoral unfairness of newspaper bias meant that some commentators considered that this dispute had a heritage as old as the party itself Others including the Labour leadership at the time argued that despite past tensions the 1992 election marked the culmination of an unprecedented campaign of vilification against the party Popular Newspapers the Labour Party and British Politics assesses these competing claims looking not only at 1992 but both back and forward to examine the continuities and changes in newspaper coverage of British politics and the Labour party over the twentieth century The book explores whether the popular press has lived up to its claim of being a democratic fourth estate or has merely as Labour politicians have argued been a powerful fifth column distorting the democratic process Drawing on a range of previously unexamined sources this book offers the first original and comprehensive history of a fascinating aspect of British politics from Beaverbrook to Blair James Thomas is a lecturer at the Cardiff School of Journalism Media and Cultural Studies at Cardiff University and has published articles and essays exploring the relationship between the popular press and British politics **A Bibliography of British History, 1914-1989** Keith Robbins,American Historical Association,Royal Historical Society (Great Britain),1996 Containing over 25 000 entries this unique volume will be

absolutely indispensable for all those with an interest in Britain in the twentieth century Accessibly arranged by theme with helpful introductions to each chapter a huge range of topics is covered There is a comprehensive index **The Economist**, 1854 **The Encyclopedia of the British Press, 1422-1992** Dennis Griffiths, 1992 Lists in an encyclopaedic format all the information available about the British Press This book provides bibliographic entries on major journalistic figures as well as a chronicle of available newspapers and a summary of trade terminology used *A London Bibliography of the Social Sciences*, 1931 Vols 1 4 include material to June 1 1929 *New Society*, 1986 *British Book News* British Council, 1986 **Choice**, 1987 *Communications*, 1997 *The Newspaper Press in Britain* David Linton, Ray Boston, 1987 **Leeds City Business 1893-1993** Katrina Honeyman, J.
