Marketing Management And Info Technology:

Management and Information Technology in the Digital Era Nawal Chemma, Mohammed El Amine Abdelli, Anjali Awasthi, Emmanuel Mogaji, 2022-09-30 Management and Information Technology in the Digital Era Challenges and Perspectives explores the management and practical implications of digital information management to provide theoretical insight for managers and researchers to co create their technology values and better understand its prospects and challenges

Management and Information Technology after Digital Transformation Peter Ekman, Peter Dahlin, Christina Keller, 2021-09-22 With the widespread transformation of information into digital form throughout society firms and organisations are embracing this development to adopt multiple types of IT to increase internal efficiency and to achieve external visibility and effectiveness we have now reached a position where there is data in abundance and the challenge is to manage and make use of it fully This book addresses this new managerial situation the post digitalisation era and offers novel perspectives on managing the digital landscape The topics span how the post digitalisation era has the potential to renew organisations markets and society The chapters of the book are structured in three topical sections but can also be read individually The chapters are structured to offer insights into the developments that take place at the intersection of the management information systems and computer science disciplines It features more than 70 researchers and managers as collaborating authors in 23 thought provoking chapters Written for scholars researchers students and managers from the management information systems and computer science disciplines the book presents a comprehensive and thought provoking contribution on the challenges of managing organisations and engaging in global markets when tools systems and data are abundant

Marketing Management Support Systems Berend Wierenga, Gerrit van Bruggen, 2012-12-06 Marketing management support systems are designed to make marketing managers more effective decision makers in this electronic era Developments in information technology have caused a marketing data explosion but have also provided a powerful set of tools that can transform this data into applicable marketing knowledge Consequently companies are making major investments in such marketing decision aids This book is the first comprehensive systematic textbook on marketing management support systems The basic issue is the question of how to determine the most effective type of support for a given marketing decision maker in a particular decision situation The book takes a demand oriented approach Decision aids for marketing managers can only be effective if they match with the thinking and reasoning process of the decision makers who use them Consequently the important questions addressed in this book are how do marketing managers make decisions how can marketing management support systems help to overcome several cognitive limitations of human decision makers and what is the most appropriate type of management support system for assisting the problem solving methods employed by a marketing decision maker

Marketing Management: Text and Cases Indian Context Tapan K. Panda, 2009 *Strategic Marketing Management* S. Soundaian, 2019-06-05 Essentials of Strategic Marketing Management The Process of Strategic
