Changing the Rules of the Game S. Hotho, N. McGregor, 2013-10-24 The computer games industry is one of the most vibrant industries today whose potential for growth seems inexhaustible This book adopts a multi disciplinary approach and captures emerging trends as well as the issues and challenges faced by businesses their managers and their workforce in the games industry

Strategic Positioning in Voluntary and Charitable Organizations Celine Chew, 2009-05-07 Rekindling the critical analysis of the adoption of generic commercial for profit management approaches in the non profit context Strategic Positioning in Voluntary and Charitable Organizations reveals that charities are positioning themselves in their evolving external environment in distinctive ways that are not adequately explained by existing positioning theories Based on original research that examines for the first time the usefulness of contemporary theoretical perspectives and interpretations of strategic positioning derived from the existing literature in explaining the positioning activities of charitable organizations within the wider voluntary and non profit sector Using a three stage approach which involves an exploratory survey and multiple case studies this book provides evidence showing the extent of strategic positioning the components of a positioning strategy and

the process of developing a positioning strategy in charitable organizations that are involved in the provision of public services analysis of the key factors that influence the choice of a positioning strategy in the charitable context and the depiction of these factors in an original integrating model and an exploration into the extent to which existing strategy marketing literature on positioning is applicable in the charitable context By challenging the adoption of current perspectives on strategic positioning derived from commercial strategy and marketing management literatures into the non profit and non market contexts the author develops a theoretical framework that accounts for the uniqueness of positioning strategy in the non profit sector This uniqueness is attributed to the difference in positioning goals the process of developing a positioning strategy and the influencing factors on the choice of a positioning strategy in charities compared to commercial organizations The implications of the findings provide useful lessons for managers of voluntary and charitable organizations in planning and developing their positioning activities and for other stakeholders such as policy makers funders donors and industry bodies

Effective Management of Long-Term Care Facilities Douglas A. Singh, 2021-11-10 *Effective Management of Long Term Care Facilities* Fourth Edition examines the complex operations of the long term care facility and offers critical skills to current and future long term care administrators for delivering quality cost effective services An excellent resource for both new and seasoned long term care managers this logically organized text begins with an understanding of what long term care is and why it is an integral part of the health care delivery system It moves on to explore the legal and regulatory parameters and payment constraints within which long term care facilities must be managed each of the main functional departments that administrators must understand and oversee and effective governance and leadership and management of human resources marketing and quality much of which is unique to nursing home administration The final section of the book offers case studies to simulate situations that the administrator is likely to encounter in practice

Proceedings of 5th Borobudur International Symposium on Humanities and Social Science (BISHSS 2023) Zulfikar Bagus Pambuko, Muji Setiyo, Chrisna Bagus Edhita Praja, Agus Setiawan, Fitriana Yulastuti, Lintang Muliawanti, Veni Soraya Dewi, 2024-08-01 This is an open access book In our rapidly evolving modern era the intersection of green technology and digital society has shifted paradigm shifts across various facets of human life The fusion of these two domains holds the potential to profoundly impact society's social aspects Therefore The 5th Borobudur International Symposium with the theme Smart and Sustainable The Synergy of Green Technology and Digital Society is designed to delve into and celebrate the strong synergy between green technology and the digital society specifically focusing on social sciences The background of this conference reflects the significant tensions in modern society On the one hand we witness innovative strides in green technology to reduce negative environmental impacts and develop more sustainable systems On the other hand our society is becoming increasingly interconnected in a vast digital network enabling unprecedented information exchange that influences social interactions work education and many other aspects of daily life As green technology and the digital society converge new and crucial

opportunities and challenges emerge in the social context Through this International Conference we hope to provide a platform for researchers practitioners and stakeholders to share knowledge experiences and innovative ideas to better understand how green technology and the digital society can collaborate to achieve smarter and more sustainable societies
