Maturing Your Catholic Faith Antonio Montes Orozco, When we stop being children and enter adult life we achieve achievements that fill us with satisfaction a good job starting a family economic solvency a standard of living that gives us material comfort But life also brings blows that we did not expect We all have had one or more the betrayal of a friend an accident a serious illness the loss of a loved one the loss of a job financial difficulties the breakdown of a marriage When these things happen to us we become vulnerable Vulnerable to anxiety and anger which leads us to attack others verbally or physically Vulnerable to depression and fear which nullifies our ability to reason and decide Vulnerable to the fear of death which takes away our hope and joy But it is possible to get out of all that and find a Peace that will never abandon you It is something that you knew but that you have forgotten the Catholic Faith in which you were educated Yes I know when you were a child all that religion was fine But at some point you became an adult there were other priorities and you moved away from the Faith that you were taught Well it s about time someone told you about this as an adult the Catholic Faith is not about blindly believing what you re told It is something else It is trusting someone Someone you will have a close friendship with Someone who will continually prove to you that they are trustworthy Someone who will always help you Someone who will always give you much more than what you ask for That Someone is none other than Jesus of Nazareth No He is not just a historical figure He lives and seeks your friendship Let me propose a way back Maturing Your Catholic Faith This book is the guide you need to resume that friendship from which you walked away as an adult The book begins by appealing to your reason and your intellect You are already an adult not a child You need empirical truths and solid reasoning Therefore Maturing Your Catholic Faith empirically shows you that Jesus is God that He was on Earth just over two thousand years ago that He worked miracles that He was killed and that on the third day He rose again showing Himself to His disciples for forty days Maturing Your Catholic Faith also shows you the necessary steps to regain your friendship with Jesus I ll tell you the first stop doing things stop receiving interruptions turn off your cell phone It s as simple as that stop and observe for a few minutes The other steps are also simple and bearable Jesus Christ does not put unbearable burdens on us On the contrary friendship with Him is liberating He frees us from fear He frees us from anger He frees us from the frustration in which we live He frees us from anxiety when faced with problems He frees us from the fear of death You may

Vatican II on Mary: The Case for the definition of the Spiritual Motherhood of Mary Douglas Nnamdi Egbuonu, 2014 The purpose of this study is to show that the formal definition of the spiritual Motherhood of Mary would constitute a doctrinal development from Vatican II's teaching on Mary It is my strong view that Mary's spiritual motherhood should be explicitly acknowledged accepted and stamped with the extraordinary infallibility of the Church magisterium so that it would become a dogma of the Church as the *sensus fidelium* Such formal definition would give the doctrine the seal of juridical authenticity and prevent it from denigration and rejection in future This study argues that the Catholic Church needs to advance forwards from the Marian teaching of Vatican II by making concerted efforts to maintain the Marian trajectory in the Church Also portrayed are the efforts of the papal magisterium and some noted Catholic theologians that have gone back to the sources of the early Fathers of the Church in order to teach that Mary's spiritual Motherhood has solid foundation on Scripture and the Church's tradition The post conciliar teachings of the above stated papal magisterium and contemporary theologians have the aim to nurture and sustain the faith and understanding of the people of God about Mary's spiritual Motherhood The study also examines evidence to show that there is much in the Catholic Marian theology that could improve understanding among Christians of different denominations In particular it portrays the fact that Mariology always points to Christ being indissolubly linked with Christology and also has intrinsic unity with ecclesiology
