Dangerous to Know Susan Branson, 2013-03-26 In 1823 the History of the Celebrated Mrs Ann Carson rattled Philadelphia society and became one of the most scandalous and eagerly read memoirs of the age This tale of a woman who tried to rescue her lover from the gallows and attempted to kidnap the governor of Pennsylvania tantalized its audience with illicit love betrayal and murder Carson's ghostwriter Mary Clarke was no less daring Clarke pursued dangerous associations and wrote scandalous exposés based on her own and others' experiences She immersed herself in the world of criminals and disreputable actors using her acquaintance with this demimonde to shape a career as a sensationalist writer In *Dangerous to Know* Susan Branson follows the fascinating lives of Ann Carson and Mary Clarke offering an engaging study of gender and class in the early nineteenth century According to Branson episodes in both women's lives illustrate their struggles within a society that constrained women's activities and ambitions She argues that both women simultaneously tried to conform to and manipulate the dominant sexual economic and social ideologies of the time In their own lives and through their writing the pair challenged conventions prescribed by these ideologies to further their own ends and redefine what was possible for women in early American public life

Changing Sentiments and the Magdalen Hospital Mary Peace, 2016-11-25 This book charts the complex ideological territory of eighteenth century sentimental discourse through the uniquely revealing lens of the London Magdalen Hospital for Penitent Prostitutes The establishment of the London Magdalen House in 1758 is read as the cultural high watermark of sentimental confidence in the compatibility of virtue and commerce It is the product of a whiggish moral sense discourse at its most ebullient and culturally authoritative Equally visible though in this context are the ideological limitations of moral sense thinking and an anticipation of the ways in which its ideas ultimately failed to underwrite

commercial virtue Sentimental discourse fractures in the course of the mid century in part it becomes increasingly divorced from the world retreating into a primitivist proto Romantic virtue which claims no purchase on things as they are Where sentimental vocabulary persists in a worldly context it becomes divorced from a vocabulary of moral virtue It is overlaid with a French usage where sentiment and sensibility describe exquisite emotion rather than refined and cultivated virtue Changing Sentiments and the Magdalen Hospital registers the fracturing and shifting ground of sentimental discourse in the changing institutional practise of the Magdalen institution most particularly in its increasingly embrace of evangelical religion *Cotswolds Memoir* , **A Doctor's Memoir of the Romanian Holocaust** Arthur Kessler,2024 Based on detailed notes taken during a doctor's incarceration in the concentration camps and ghettos of Romanian ruled Transnistria during the Holocaust this memoir tells a gripping story of calculated murder resistance and survival In the aftermath of the Romanian Holocaust Transnistria a little known region north of Odessa between the Dniester and Bug rivers came to be known as the forgotten cemetery Between 1941 and 1944 an estimated 300 000 Jews were killed or died there from starvation and disease This memoir by Dr Arthur Kessler based on daily notes he kept as a physician during his two year imprisonment in Transnistria's Vapniarka concentration camp and Olgopol ghetto provides a unique perspective of a Jewish medical doctor who witnessed murderous death as well as brave acts of resistance and survival Introduced and annotated by historian Leo Spitzer and translated from German by the late Margaret Robinson Dr Kessler's memoir provides an engrossing account of his infamous discovery that Vapniarka's Romanian authorities routinely and it seems knowingly fed camp inmates a daily soup containing toxic chickling peas *Lathyrus sativus* that induced paralysis kidney failure and oftentimes death It reveals the daring by which he together with fellow inmate medical associates saved hundreds of lives by organizing a hunger strike that resulted in the camp's dissolution and the prisoners relocation to ghettos throughout Transnistria Kessler's narrative continues with an account of privileges attainable by deportees with useful skills and provides illuminating details about informal systems and practices that enabled many to survive and to provide care to fellow victims of genocidal persecution The memoir is illustrated with moving drawings produced by prisoners in the Vapniarka concentration camp and presented to Dr Kessler in recognition of his brave work of healing *The Novels of Henry Fielding ... To which is Prefixed, a Memoir of the Life of the Author [by Sir Walter Scott]*. Henry Fielding,1821 *Money of the Russian Revolution* Mikhail V. Khodjakov,2014-11-19 During the Russian Revolution and the ensuing Civil War more than twenty thousand kinds of banknotes were used throughout the vast expanse of the former Russian Empire At that time money was issued not only by the official authorities such as the Imperial Government the Provisional Government and later the Bolshevik Government but also by Generals Denikin Wrangel and Yudenich Admiral Kolchak Atamans Semyonov and Petliura Hetman Skoropadskyi and many other great and small rulers of Russia Russian money was manufactured in Great Britain Germany Sweden and the United States To some degree money served as a manifesto of the issuing government reflected in the various symbols

depicted on the banknotes Using new archival data this book expands and in a number of cases revises the well established view of the daily life of people during the Revolution and dispels the settled myth about how the natural economy prevailed in the years of the Russian Civil War The book presents unique illustrations taken from the author s private collection the Romanov banknotes postage stamps used as currency Duma money and 1917 banknotes known as kerenkies morzhovkies tchaikovkies Northern rubles krylatkies rodzyankies the Don rubles and kolchakovkies Some of these banknote designs were made by well known Russian artists such as Ivan Bilibin Sergey Chekhonin and Georgy Narbut The book is addressed to historians economists and all readers interested in Russian history and economy *Title The Works of Douglas Jerrold ;*
