Memoirs of a Midget Walter De la Mare, 1945 *Walter de la Mare* Yui Kajita, Angela Leighton, A. J.

Nickerson, 2022-08-12 This book aims to put Walter de la Mare back on the literary map A writer beloved by many he has nevertheless remained on the sidelines of literary history *Walter de la Mare Critical Appraisals* promises to restore his reputation as one of the most memorably haunting of poets as well as a peculiarly unnerving writer of ghost stories A collection of varied wide ranging essays on de la Mare s poetry stories novels reviews and lectures it puts his work beside that of many of his famous contemporaries including Thomas Hardy Robert Frost W H Auden T S Eliot and Katherine Mansfield It also contains an invaluable survey of his archive much of it unpublished and a number of newly commissioned poems reflecting on his legacy This multifaceted volume will be of interest to students working on twentieth century poetry the short story the nature and limits of modernism and British intellectual history as well as on de la Mare himself List of contributors Catherine Charlwood Guy Cuthbertson Peter Davidson Giles de la Mare Andrew Doyle Suzannah V Evans Adam Guy Robin Holloway Yui Kajita Zaffar Kunial Gregory Leadbetter Angela Leighton Erica McAlpine Jenny McDonnell Will May Andrew Motion Paul Muldoon A J Nickerson Seamus Perry Adrian Poole Camille Ralphs Vidyan Ravinthiran Peter Scupham A E Stallings Mark Valentine Rory Waterman Anne Welsh David Wheatley Rowan Williams William Wootten *The Modern Movement* Chris Baldick, 2004 A major new survey of literature in England during the first half of the twentieth century Chris Baldick places modernist with non modernist writings high art with low entertainment *The Modern Movement* ranges broadly covering psychological novels war poems detective stories satires children s books and other literary forms evolving in response to the new anxieties and exhilarations of twentieth century life **Self/Same/Other** Heather Walton, Andrew Hass, 2000-03-01 This collection of essays explores the way our notions of self other subjectivity gender and the sacred text are being re visioned within contemporary theory These new ways of conceiving create upheavals and radical shifts that rework our understanding of philosophical psychological political sexual and spiritual identity allowing us to trace the fault lines regulatory forces exclusions and unmarked spaces both within our selves and within the discourses that attend these selves As such revisionings break down borders and the encounter of literature and theology becomes a crucial focus for these explorations as the self learns to resituate its own being creatively vis a vis others and ultimately the Other *Take Up Thy Bed and Walk* Lois Keith, 2001 Heidi The Secret Garden and Pollyanna are all classic girls books featuring a miracle cure of an invalid character who literally gets up and walks away from illness or paralysis Such stories were common in Victorian novels and they implicitly conveyed the idea that disability and physical suffering were punishment for wrongdoing unruly girls could not enter womanhood unless they were tamed and an accident was the perfect plot device for this transformation Other characters like Helen Burns in *Jane Eyre* or Beth in *Little Women* were just too good to live and died so

that another character could be redeemed by their example Lois Keith points out in this study that the temptation to either cure or kill off disabled characters has surprising tenacity The widespread belief that a disabled life isn't a full life and that patients can cure themselves through force of will endures to the present day In *Take Up Thy Bed Walk* Lois Keith brings her lively and observant eye to the classic books of childhood from Jane Eyre Heidi and Pollyanna to modern American classics such as Laura Ingalls Wilder's *Little House on the Prairie* and Judy Blume's *Deenie* Keith explores the recurring images of impairment and ill health in literature and asks the reader to reconsider the messages they send to a devoted young audience This book is also a testament to the singular passion with which these books are read by younger readers and reminds us of the intensity of our own reading experience as children
