## **Religion And The New Immigrants Continuities And Adaptations In Immigrant Congregations:**

**Religion and the New Immigrants** Helen Rose Fuchs Ebaugh, 2000 New immigrants \_those arriving since the Immigration Reform Act of 1965\_ have forever altered American culture and have been profoundly altered in turn Although the religious congregations they form are often a nexus of their negotiation between the old and new they have received little scholarly attention Religion and the New Immigrants fills this gap Growing out of the carefully designed Religion Ethnicity and the New Immigration Research project Religion and the New Immigrants combines in depth studies of thirteen congregations in the Houston area with seven thematic essays looking across their diversity The congregations range from Vietnamese Buddhist to Greek Orthodox a Zoroastrian center to a multi ethnic Assembly of God presenting an astonishing array of ethnicity and religious practice Common research questions and the common location of the congregations give the volume a unique comparative focus Religion and the New Immigrants is an essential reference for scholars of immigration ethnicity and American religion Religion, Families, and Health Christopher G. Ellison, Robert A. Hummer, 2010 This book is a compilation of population based research on the relationships of religion to family life and health *Sociology of Religion* William A. Mirola, Michael O. Emerson, Susanne C Monahan, 2015-09-16 A reader that seeks to explore the relationship between the structure and culture of religion and various elements of social life in the U S *Sociology of Religion A Reader 2e* is ideal as either a standalone reader or supplement to the text written by the same author team Why Religion Matters Based on both classic and contemporary research in the sociology of religion this reader highlights a variety of research methods and theoretical approaches It explores the ways in which religious values beliefs and practices shape the world outside of church synagogue or mosque walls while simultaneously being shaped by the non religious forces operating in that world *Intersections of Religion and Migration* Jennifer B. Saunders, Elena Fiddian-Qasbiyeh, Susanna Snyder, 2016-09-28 This innovative volume introduces readers to a variety of disciplinary and methodological approaches used to examine the intersections of religion and migration A range of leading figures in this field consider the roles of religion throughout various types of migration including forced voluntary and economic They discuss examples of migrations at all levels from local to global and critically examine case studies from various regional contexts across the globe The book grapples with the linkages and feedback between religion and migration exploring immigrant congregations activism among and between religious groups and innovations in religious thought in light of migration experiences among other themes The contributors demonstrate that religion is an important factor in migration studies and that attention to the intersection between religion and migration augments and enriches our understandings of religion Ultimately this volume provides a crucial survey of a burgeoning cross disciplinary interreligious and global area of study **The African Diaspora and the Study of Religion** T. Trost, 2007-12-25 This book focuses on the location of the religious heritage of Africa within the academic study of religion including indigenous African religions African Christianities African American forms of Islam the

religions of African Americans Afro Caribbean religions and Afro Brazilian religions      *Preserving Ethnicity Through Religion in America* Pyong Gap Min,2010-04-05 Preserving ethnicity through religion in America explores the factors that may lead to greater success in ethnic preservation Pyong Gap Min compares Indian Americans and Korean Americans two of the most significant ethnic groups in New York and examines the different ways in which they preserve their ethnicity through their faith      **Cultures of Mobility, Migration, and Religion in Ancient Israel and Its World** Eric M. Trink,2022-02-27 This book examines the relationship between mobility lived religiosities and conceptions of divine personhood as they are preserved in textual corpora and material culture from Israel Judah Egypt and Mesopotamia By integrating evidence of the form and function of religiosities in contexts of mobility and migration this volume reconstructs mobility informed aspects of civic and household religiosities in Israel and its world Readers will find a robust theoretical framework for studying cultures of mobility and religiosities in the ancient past as well as a fresh understanding of the scope and texture of mobility informed religious identities that composed broader Yahwistic religious heritage Cultures of Mobility Migration and Religion in Ancient Israel and Its World will be of use to both specialists and informed readers interested in the history of mobilities and migrations in the ancient Near East as well as those interested in the development of Yahwism in its biblical and extra biblical forms      **Network Governance of Global Religions** Michel S. Laguerre,2012-03-28 This study seeks to explain three models of network governance embedded in digital practices that the mainstream monotheistic religions Judaism Catholic Christianity and Islam have used to lead and manage the worldwide distribution of their local nodes exploring the connection between network governance and its digital embeddedness and showing how the latter enhances the performance of the former      **Sent Forth** Kwiyani, Harvey C,2014-10-10      *Canadian Pentecostalism* Michael Wilkinson,2009-02-01 One of the most significant transformations in twentieth century Christianity is the emergence and development of Pentecostalism With over five hundred million followers it is the fastest growing movement in the world An incredibly diverse movement it has influenced many sectors of Christianity flourishing in Africa Latin America and Asia and having an equally significant effect on Canada Bringing together a previously scattered and somewhat hidden literature Canadian Pentecostalism provides the first comprehensive overview of the subject The collection is broad in focus examining classical Pentecostalism charismatic movements in the Roman Catholic and mainline Protestant traditions and neo Pentecostalism Contributing authors examine historical debates about the origins of the movement the response of Pentecostalism to institutionalization and globalization and the roles of women indigenous peoples and immigrants within the Canadian movement      **Pilgrims at the Crossroads** Princeton Forum on Asian Indian Ministries (U.S.). Consultation (2009 : Princeton),2009-11-30      The Oxford Handbook of Religious Conversion Lewis Ray Rambo,Charles E. Farhadian,2014 The Oxford Handbook of Religious Conversion offers a comprehensive exploration of the dynamics of religious conversion which for centuries has profoundly shaped societies cultures and individuals throughout the world Scholars from a wide array of

religions and disciplines interpret both the varieties of conversion experiences and the processes that inform this personal and communal phenomenon This volume examines the experiences of individuals and communities who change religions those who experience an intensification of their religion of origin and those who encounter new religions through colonial intrusion missionary work and charismatic and revitalization movements The thirty two innovative essays provide overviews of the history of particular religions including Hinduism Buddhism Confucianism Taoism Sikhism Islam Christianity Judaism indigenous religions and new religious movements The essays also offer a wide range of disciplinary perspectives psychological sociological anthropological legal political feminist and geographical on methods and theories deployed in understanding conversion and insight into various forms of deconversion

**The New African Diaspora in North America** Kwadwo Konadu-Agyemang, Baffour K. Takyi, John A. Arthur, 2006-01-01 The New African Diaspora in North America brings together sociologists social workers geographers economists anthropologists and others to explore the African immigrant experience from a multi disciplinary perspective The contributors shed light on the factors behind the increasing wave in African immigration to the U S and Canada the socio economic characteristics of African immigrants their spatial distribution obstacles and contributions Despite their increasing presence African immigrant groups in the U S and Canada have engendered relatively little scholarly research on their pre and post migration experience This collection helps fill that void and will be valuable reading for anyone interested in African Diaspora studies

**Christianity Across Borders** Gemma Tulud Cruz, 2021-07-29 This book offers a comprehensive exploration of key issues in contemporary global migration and considers the theological implications for Christianity in general and for Christian faith and practice in various parts of the world in particular Migrant Christians who make up the majority of believers on the move and in diaspora play an increasingly vital role in world Christianity today Drawing on cases from across the globe Gemma Tulud Cruz considers how Christians are faced with immense gifts and tremendous challenges brought by the ever increasing presence of migrants in their midst and the conditions that characterize contemporary global migration Migrant Christians themselves face multiple challenges which have been made more stark by the coronavirus pandemic The volume will be relevant to scholars of religion and of migration who are interested in a closer examination of what happens to Christians and Christianity faith communities and nation states in the age of migration
